

Breakfast, Lunch & Snack Information

Discovery Place Preschool
Jackson County Central Schools

This year, thanks to an ongoing grant from the USDA, our breakfast and lunches will remain free for all day students! This means our 4s/5s will have the option to eat free breakfast and lunch every day. You are of course welcome to send their own lunch with them.

Your child's teacher will send out the breakfast and lunch schedule monthly. You may also look online at the JCC Nutritional Food Services Facebook page or on the JCC Website for meal listings. For additional questions regarding the food services program, please contact Kari Rubitschung at 507-847-6637 or Kari.Rubitschung@jccschools.net.

Snacks

3 year olds – will receive a free milk and a snack provided by the classroom.

4/5 year olds – will receive a snack break in the afternoon, provided by the Preschool Program.

For birthdays and other special occasions, please contact your child's teacher about bringing in snacks for the classroom.
