# Still Stylin' 'round ♦♦♦

**E**xperts tell us that cars, advertisements and styles come back around every twenty years or so. Look down the halls and in the parking lot of Lake Wales High. You can see the experts are right.

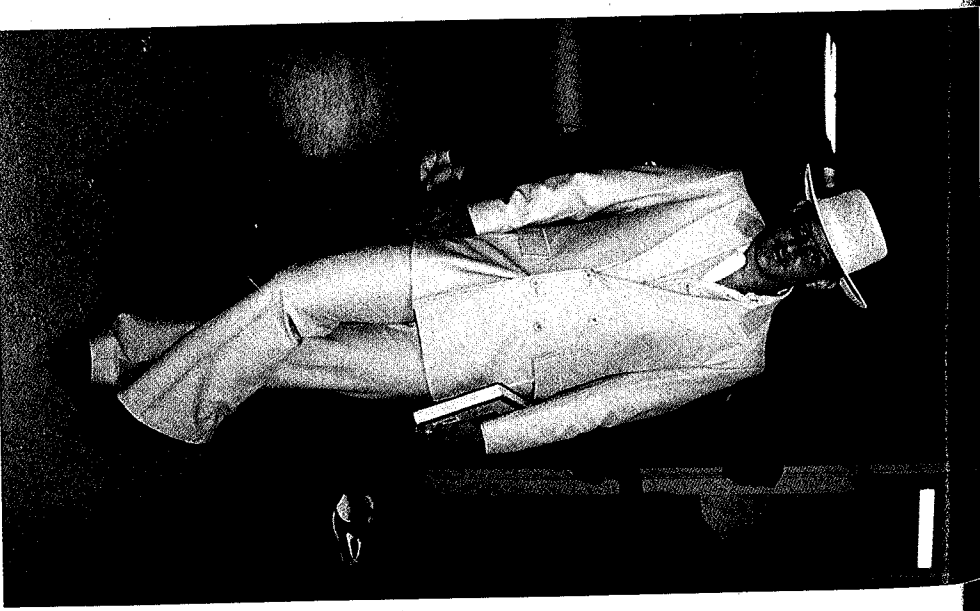

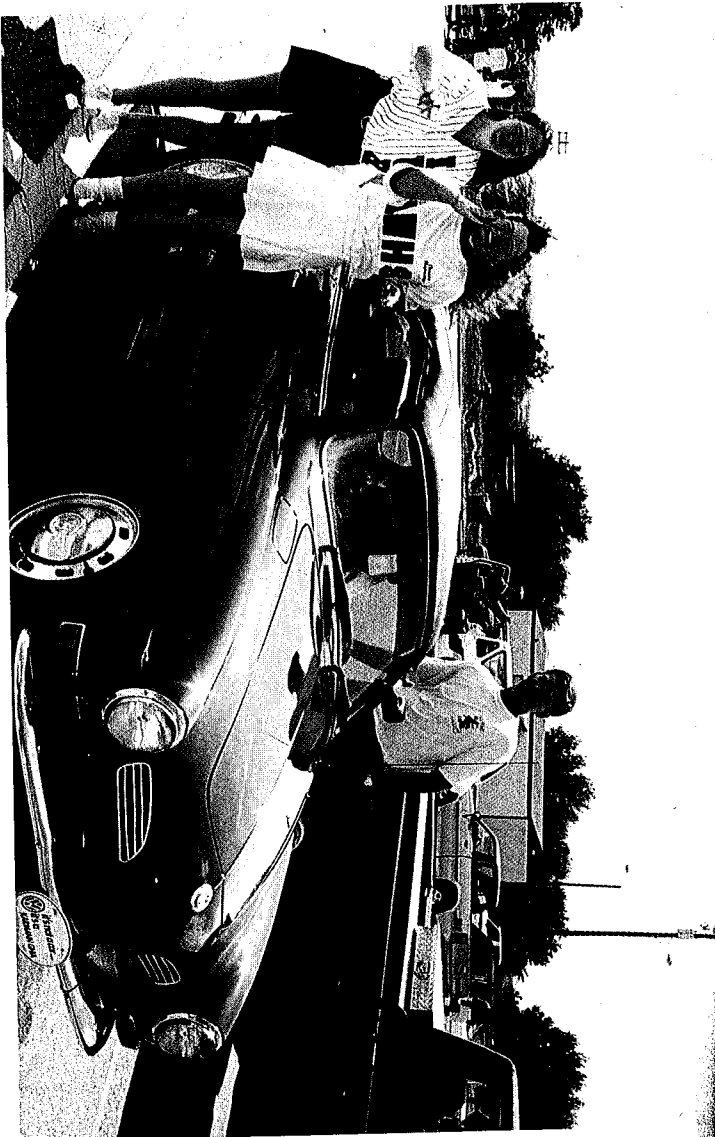

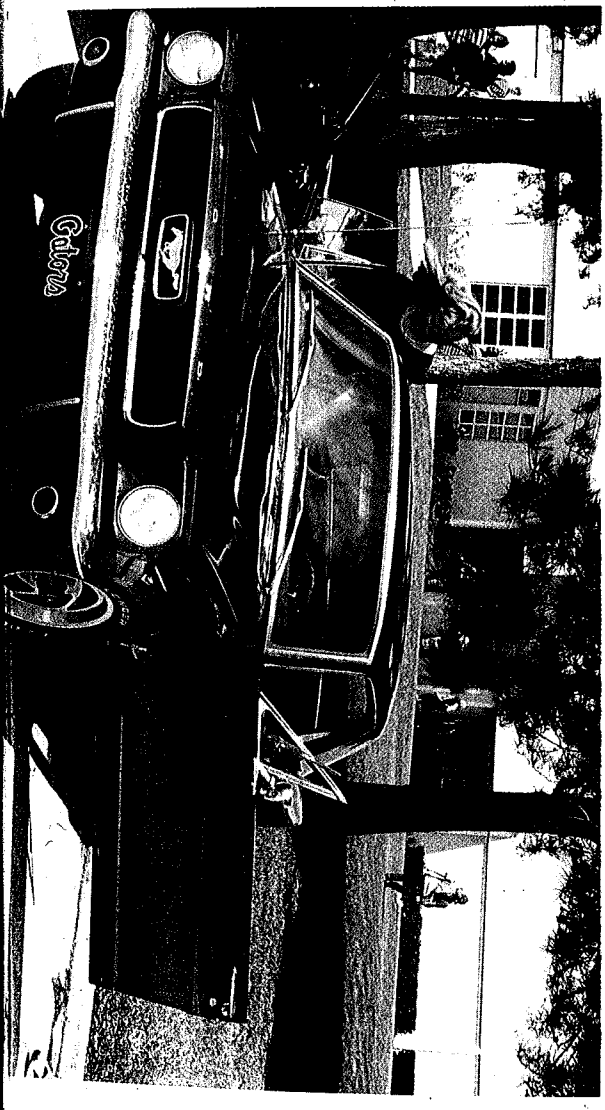

However, fashion and cars are not the only things that go around. Some of the techniques we used in this book were used years ago in other yearbooks. Though the techniques we used to record your memories may have come back around, the memories themselves are as unique as each student.

— Jenn Walters

Edward James, Stonski Hadley and Ernest Boyd are smilin', stylin', and profilin', '70's style.

Kandace Marlow can't wait to go "cruising" in her friend's Mustang.

Eric Claxton displays the "replaced" style of the 60's. Amy Poeser and Jimney Ellis go for a sporty ride with Jeff Parker and his '71 Ghia.

Herbi got a new paint job, and a new owner. James Dykes takes Cindy Dykes and Kip Kirchberg for a ride in his "bug".

# Have You Heard?! . . .

Whispers 'round the halls each day at Lake Wales High. Gossip is always a big thing for a small town. After each class you will always find groups of students gathered 'round to hear the latest word. Lunch is also a great place to catch up on what is going 'round. Sometimes you can even catch the teachers sharing war stories from 'round the campus and life in general. No matter who's gossiping or what it's about, it definitely *goes around!*

— Jenn Walters

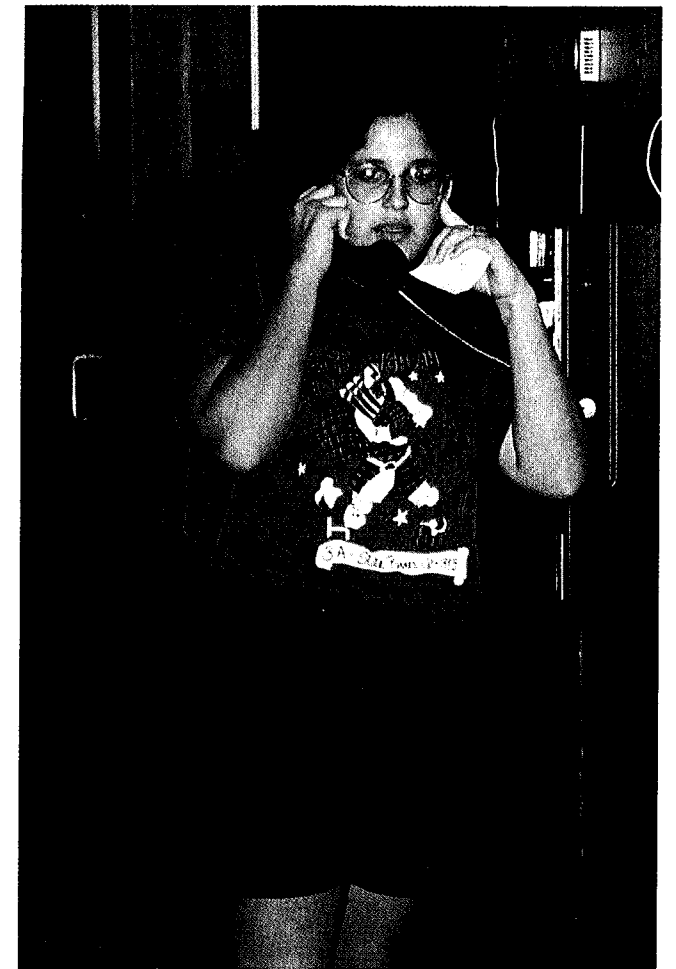

Mr. Windham and Mrs. Chambers work out a few homecoming problems.

Mrs. Kurschner oversees Carla Jordan, Valencia Gregory, and Lakeish Wells' gab session.

Danielle Wisdom makes her point clear to Scott Peer as Kristy Smith and Sabrina Austin listen in.

Sarah Wolfson "phones home" for a quiet earful in a noisy hall.

Melissa Aquino and Marie Gregorio had to take the news sitting down from Christy McCullough, Will Webb, and Pam McKenzie.

Joel Hayes, Mr. Lowe, and Chris Johnson wait patiently for Josh Ramsey to deliver the punch line.

# Back to School!!!

Schedules, crowded halls, and confused kids. Back to school is a chaotic time for everyone. Thanks to patient teachers and helpful staff members, everything turns out in the end.

— Stephanie and Adam

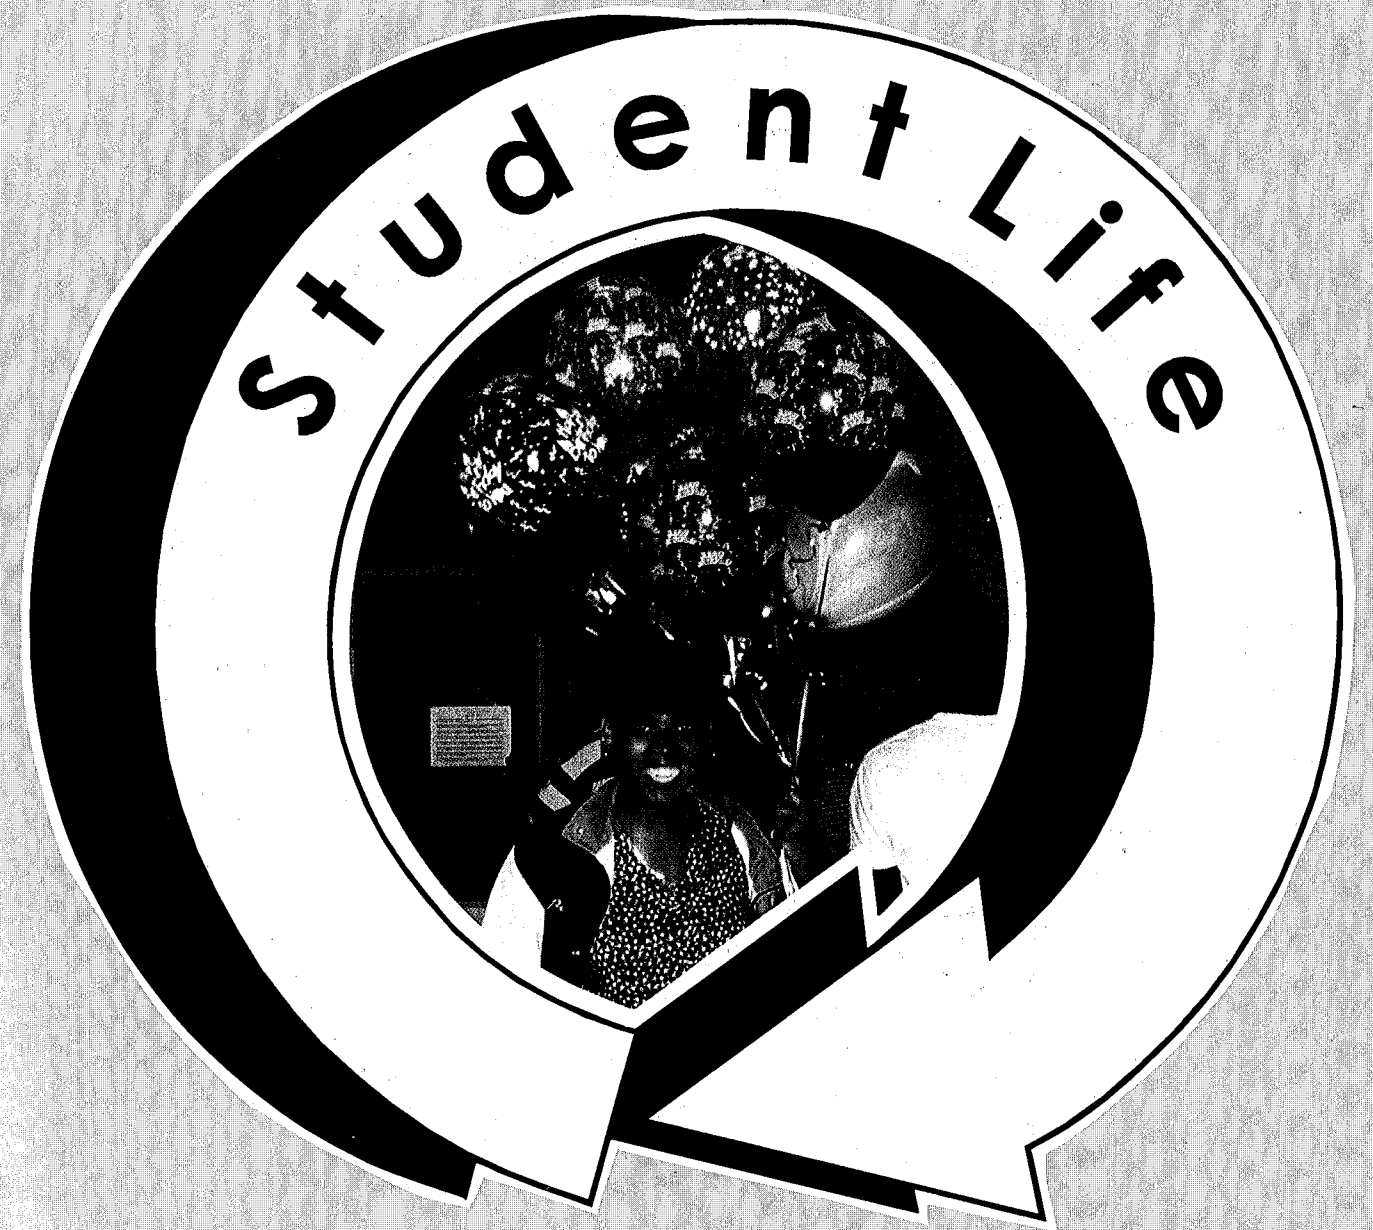

Papers, papers, and more papers. Mrs. Baker helps Jennifer McGregor sort insurance forms.

What, no classes together!? Jayna Fowler and Joanna Doyle compare schedules.

Ernest "Cat in the hat" Boyd needs no explanation for style.

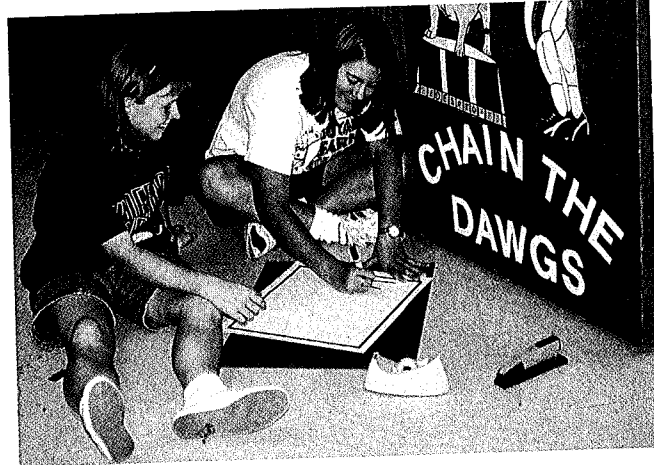

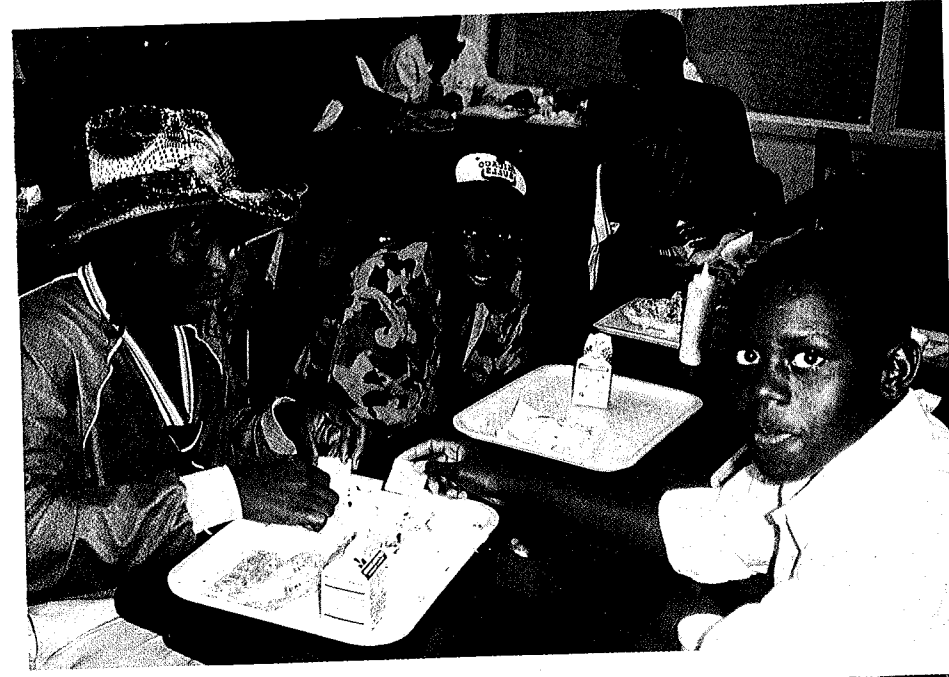

# Around Homecoming Week

Homecoming each year brings 'round with it the traditions of Homecoming week. During this week, students have a different activity each day. Classes compete for most spirited based upon student participation. The days' activities include Tacky, Ritz, and Glitz, College T-shirt, and the Battle of the Halls. This year Tacky Day aroused a little competition of it's own. Who was your favorite tacky person?

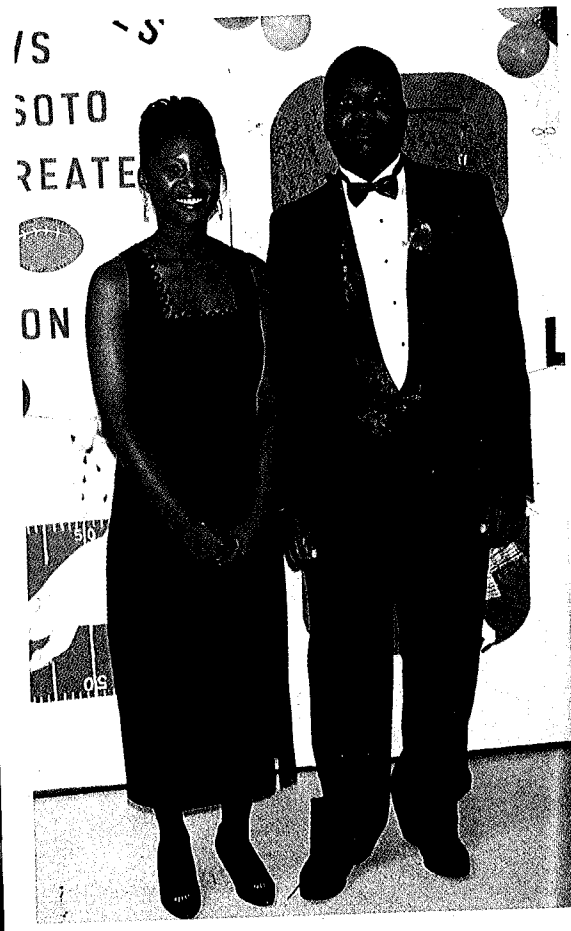

— Jenn Walters

Kyle Miller proves he's a true friend when he shares his food with Harry Davis and Leroy Williams.

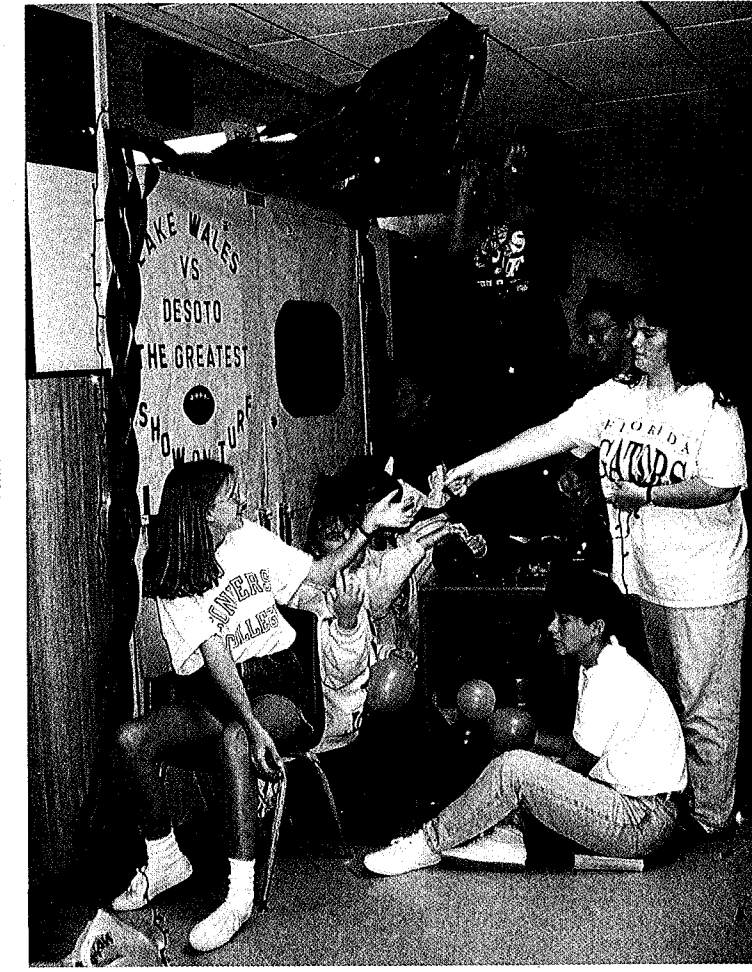

Cara Rigel and Alexis Winters decorate their door.

Joy Richards and Richard Morris were the "best dressed" for Ritz and Glitz Day.

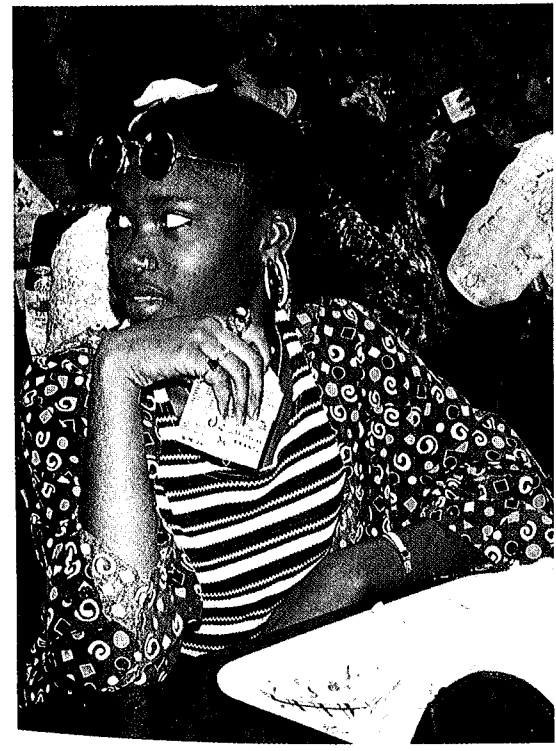

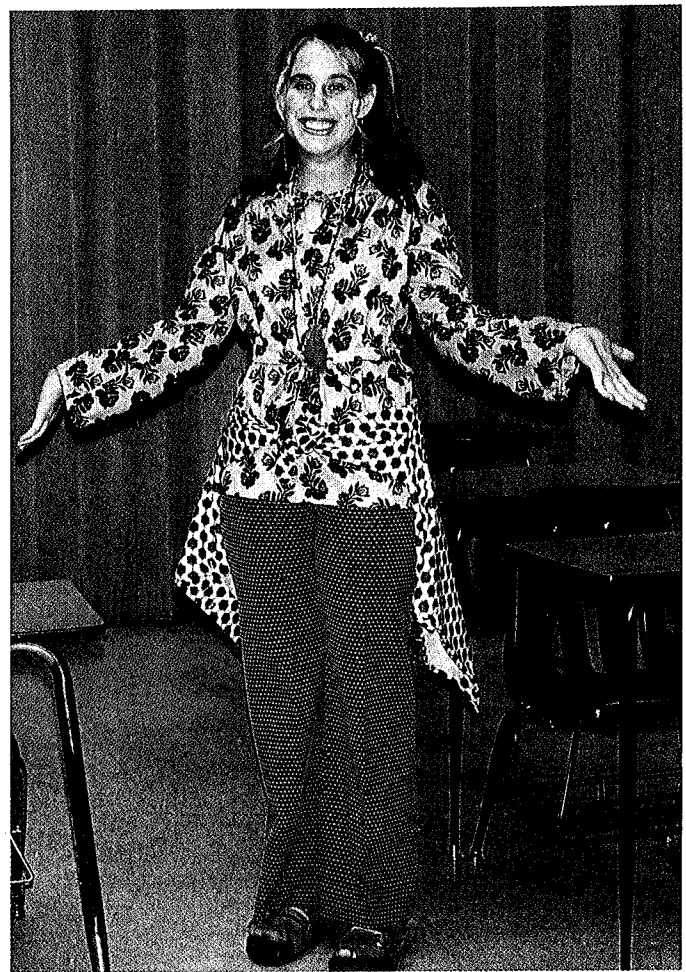

James "Kung Fu" Hvizdalek in action.

Senior Executive Board members decorate the Senior's door for Homecoming Week.

Tammy Nanek sports a lovely outfit from the family cedar chest.

Dana Roberson found a shirt that's been around.

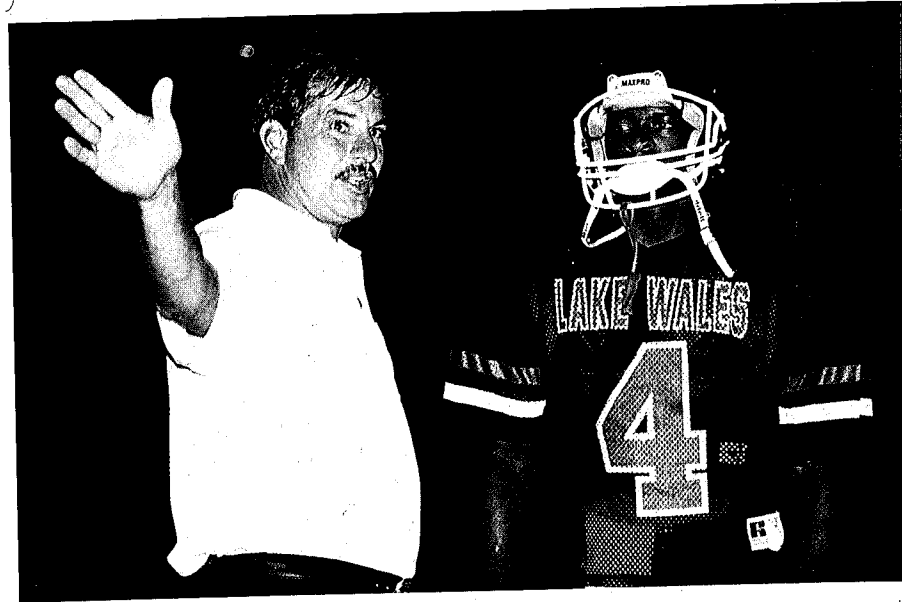

Christine Fanz and Eugene Umstead comply with the rules and only hold hands.

# Rounding Out the Bulldogs

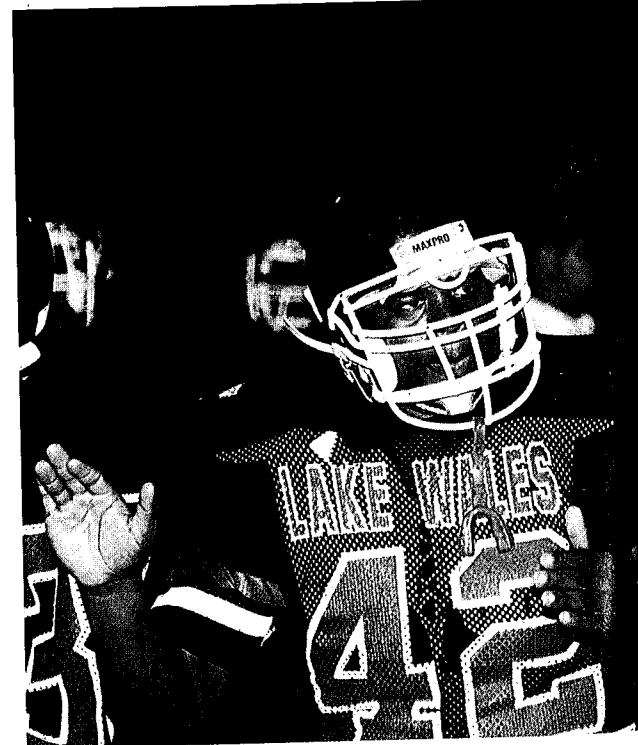

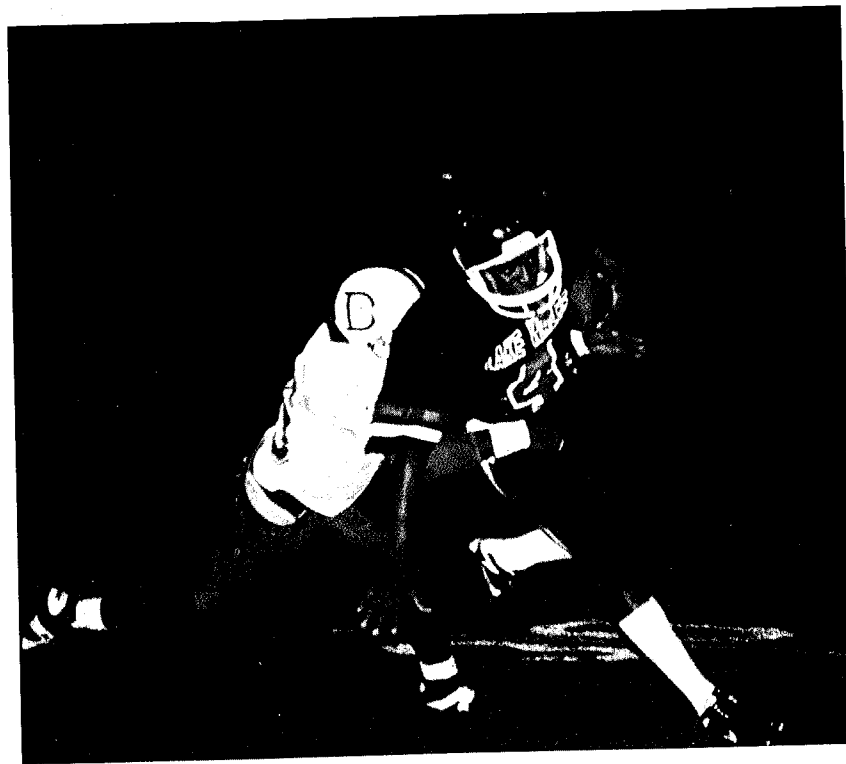

On the night of September 30, 1994 at Legion Field, the mighty Highlanders battled the Desoto Bulldogs, in a fight that we would ultimately win. Led by an outstanding defensive effort, the Highlanders rolled over the bulldogs 14-0.

— Jenn Walters

Coach Shafer directs Ronald Scarlett, "three paces forward and take a right."

Ronald Scarlett tries to 'shake off a dog.'

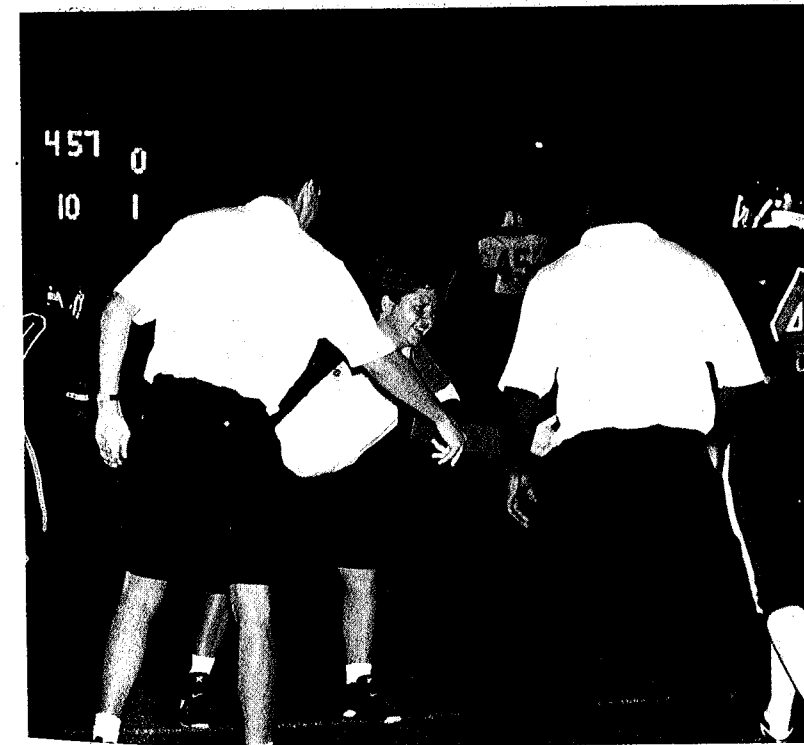

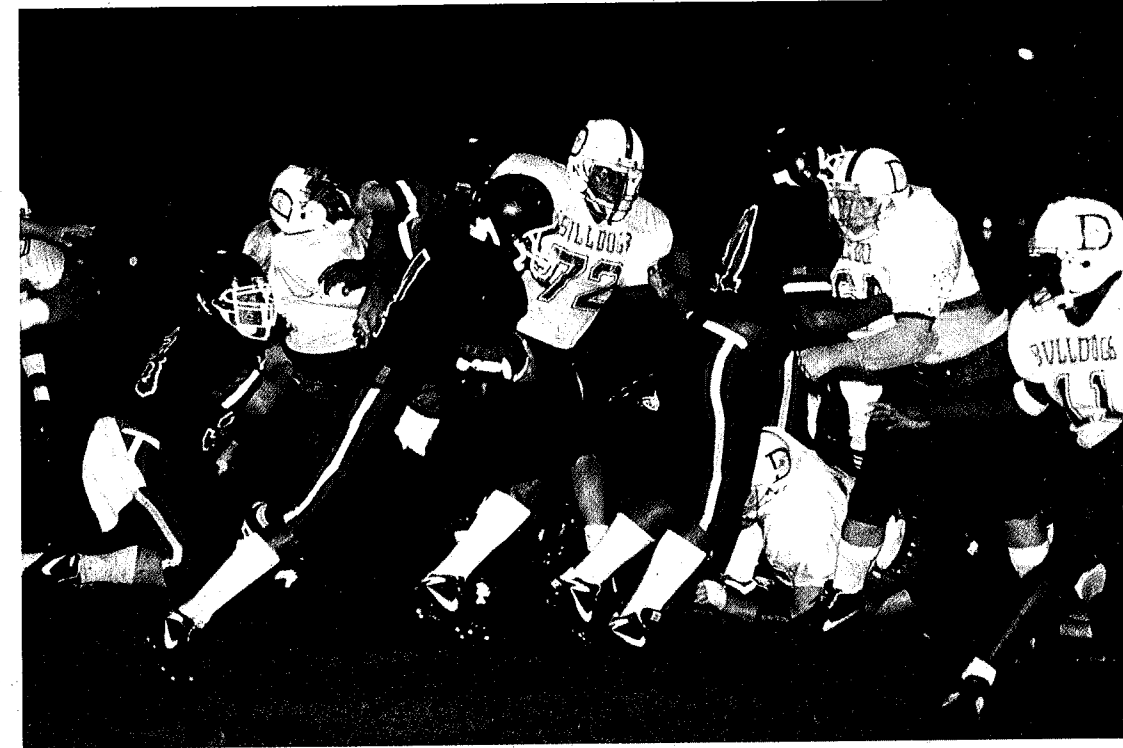

Chris Parker directing traffic on defense.

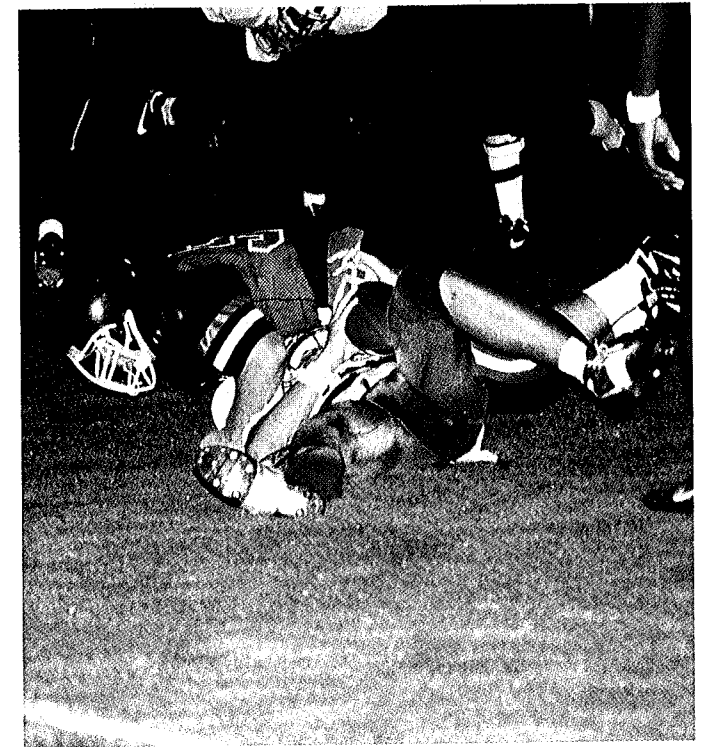

Corey Harris "riding out."

Lee Harrison, Ron Scarlett, and Ned Gillyard are doggone tuff against the Bulldogs.

Coach Scott goes out of his way to congratulate Ronald Scarlett.

Billy Pope pancakes another victim.

# Around the Court

In the past the students chose class representatives, each club, also chose representatives. We started a new tradition, the students chose fifteen senior boys, and girls. They also chose a girl and a boy to represent each underclass grade level. This eliminated any confusion that occurred in previous years. We crowned our king Ronney Daniels and queen Danielle Valente.

# Around The Dance Floor

Jack Brandon and Mary Beth Isom share some refreshments and smiles.

Dewey Carnley babysits a purse as he chats with Inga DeHate.

Homecoming came to a very stylish close with a fabulous semi-formal dance at Lake Wales Country Club capping off the evening. Students dance the night away and have a bite to eat. The dance is always attended by Lake Wales faculty members, not that they are needed for supervision. The country Club always gives a glowing review of the students' behavior. So with great looks, great behavior, and superior company (ours) it was a wonderful night around Lake Wales.

— Jenn Walters

Mr. Pavy encourages the stressed but gorgeous Mrs. Chambers.

Billy Jefferies and Lakesha Lewis take a load off.

Melinda Skinner, Cindy Ayers and Lisa Fish look around for another partner.

Teresa Smith and Richard Marton share a laugh with a few of their Vanguard friends.

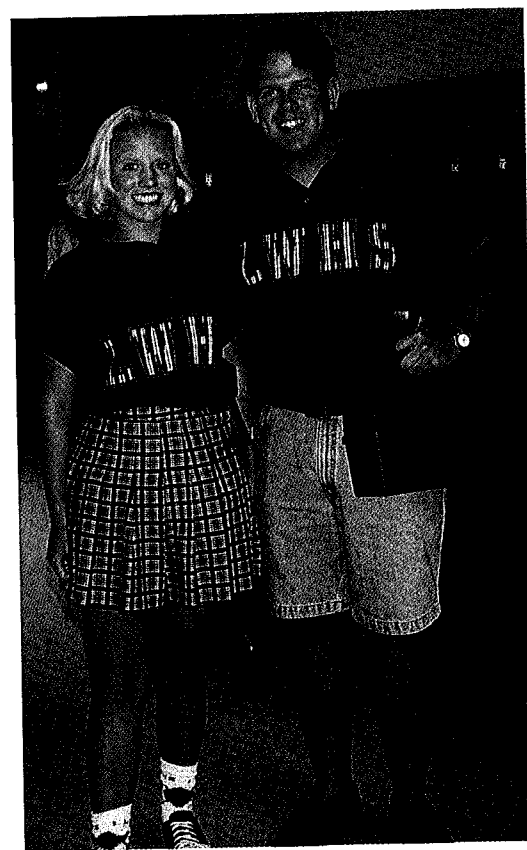

Chad Demeere and Brandy Jo Scurry add to a night of glamor.

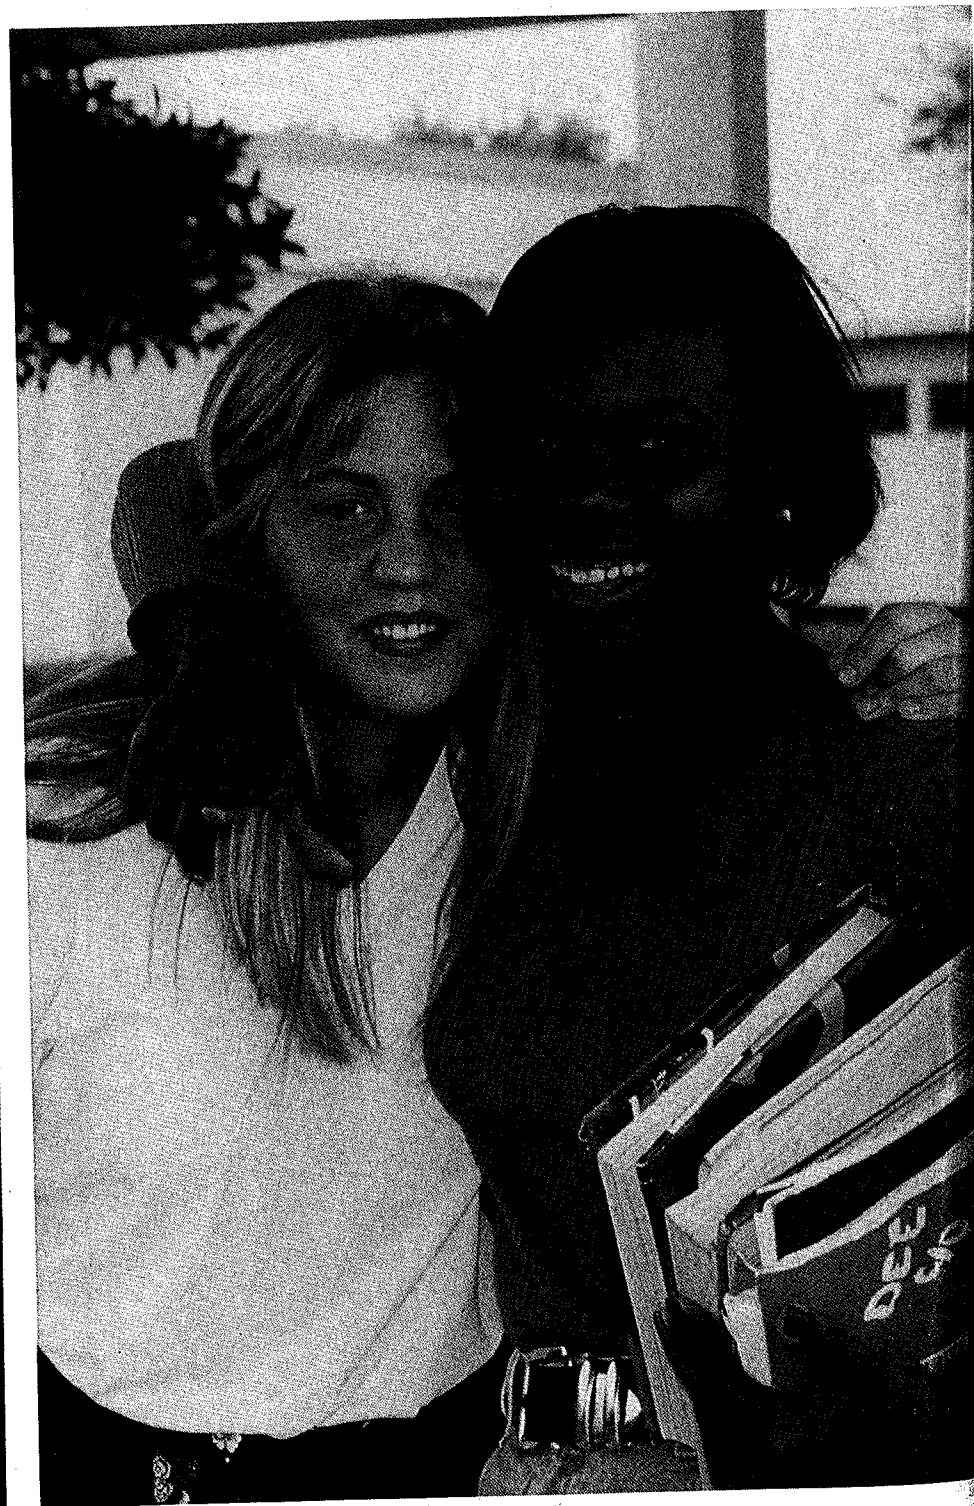

# Who Makes the Go Round?

**F**riends are special people who will share the joys and sorrows, the ups and downs, the sunny days and cloudy days. A true friend never lets you down, and he always knows just when you need a hug. Every once in a while a special person comes into your life and makes everything right. Friends make the world go round.

— Nicole Ciferni

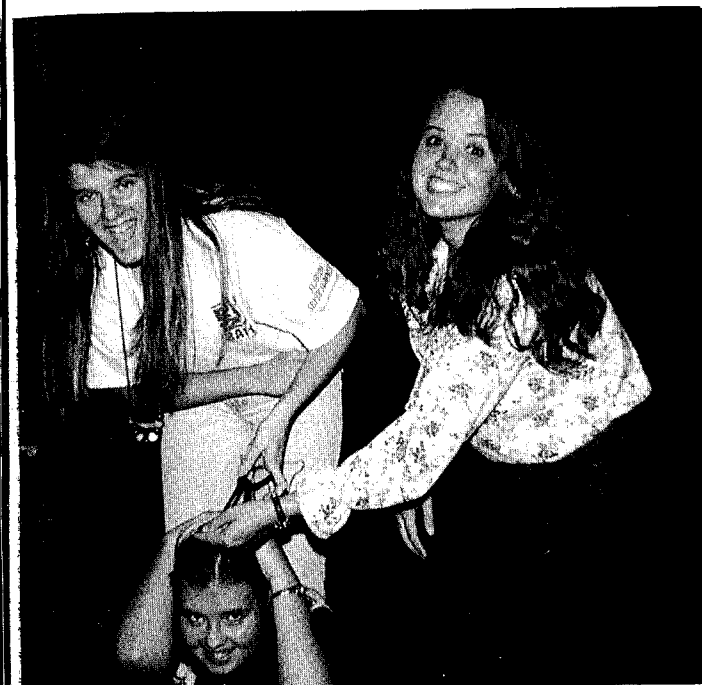

Brystal Perry and James Dykes are a matched set.

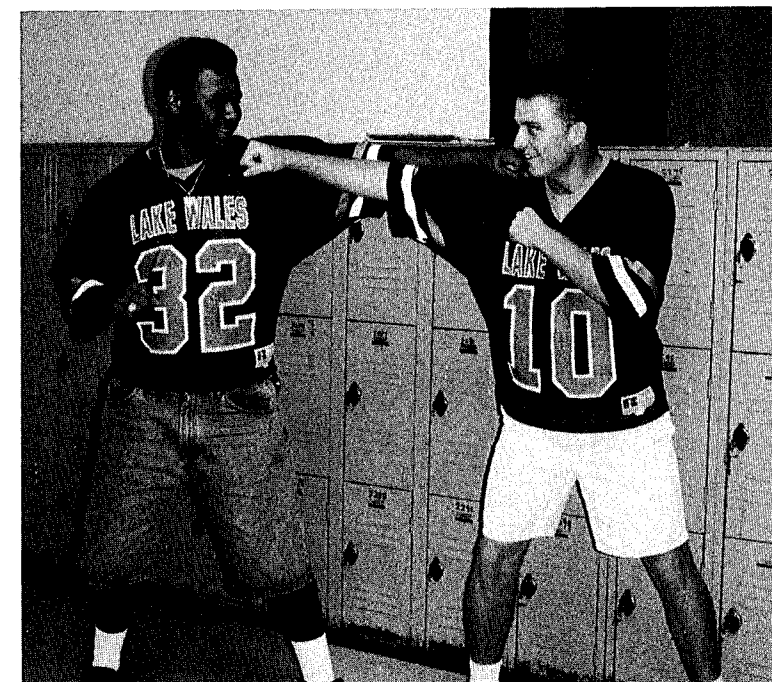

Melissa Cooper and Dee Chaney have bright smiles for friends everywhere.

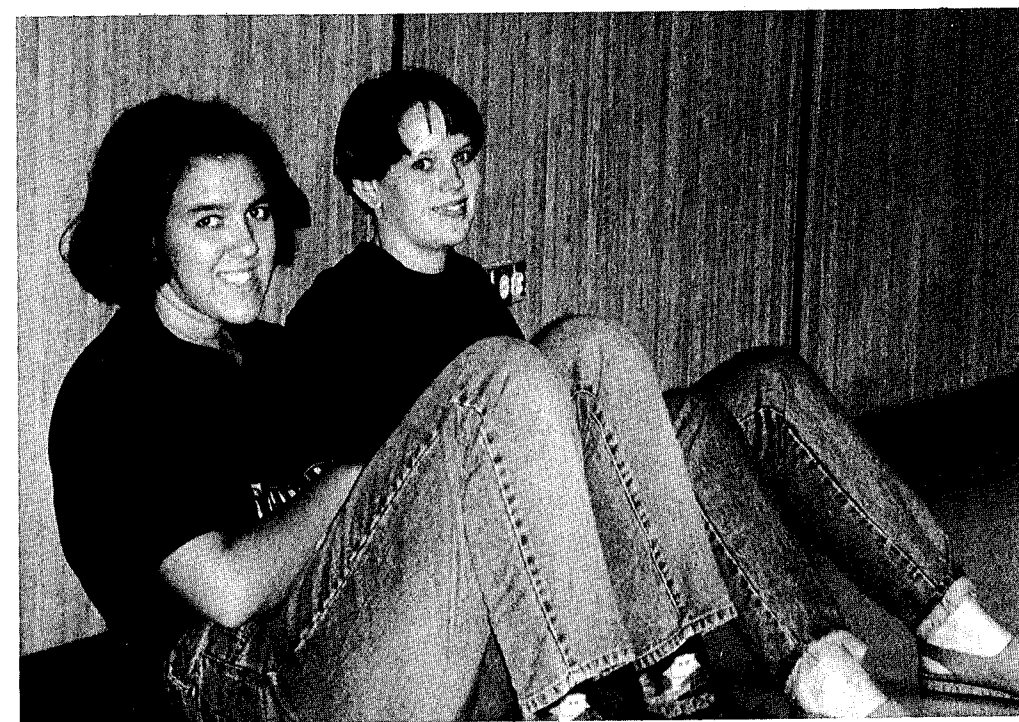

Rebecca Pavy and Tracy Goodman are caught scalping Jessica Wilson.

Clarence Dukes and Kip Windham define a good, clean, friendly fight.

Patrick Pettus and Brent Bradley — Would this make a good Coke commercial or what?

Sara Beth Scott and Cindy Dykes share some wall space.

# Around the town . . .

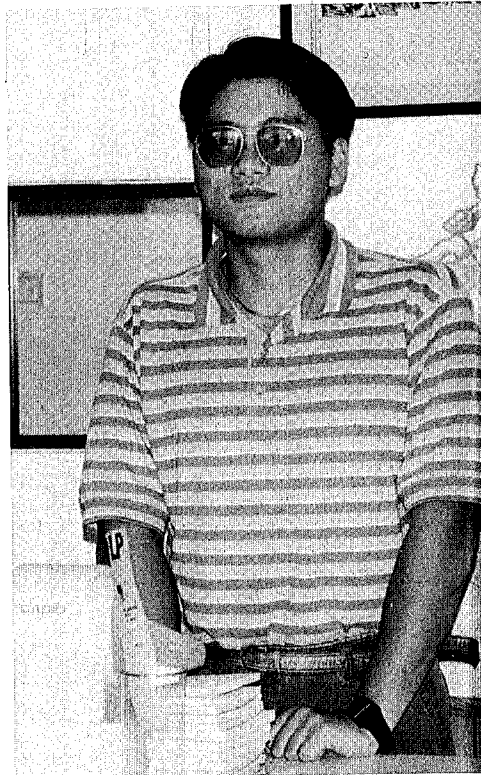

You will find Lake Wales Highlanders pushing buggies and ringing up your purchases. After school, jobs are a major part of a student's life. Whether it is to pay expenses or just to have extra money in their pockets, they perform their jobs with the same great attitude that they apply at school.

# Exploring New Cultures

Eric Donaldson, Lynn Parks, Tremayne Toombs, and Kenya Hodge were all open arms and more than delighted to show some insight on African-American accomplishments.

Tremayne Toombs delivered positive vibes with each note sung!

Our Black history program showed the accomplishments of successful black men and women. It portrayed the pride and dignity in African-American History and how learning about different cultures is definitely a "real" educational experience, one that should be shared.

— Cecil and India

Gwen Richardson, Albert DeCosey, Joni Daniels, India DeCosey, Barbara Mincey, and Tyrone Simpson were among the many black students exploring the African-American culture.

With perfection: Leon Davis, Jeff Chaney, Katrina Johnson, Monika Suggs, Mrs. Wilhelmina Spires, Shonski Hadley, Bethany Epps, Mike Hayes, and Damian Hibbert do what comes naturally . . . smile.

# The Stars Come Out to Shine

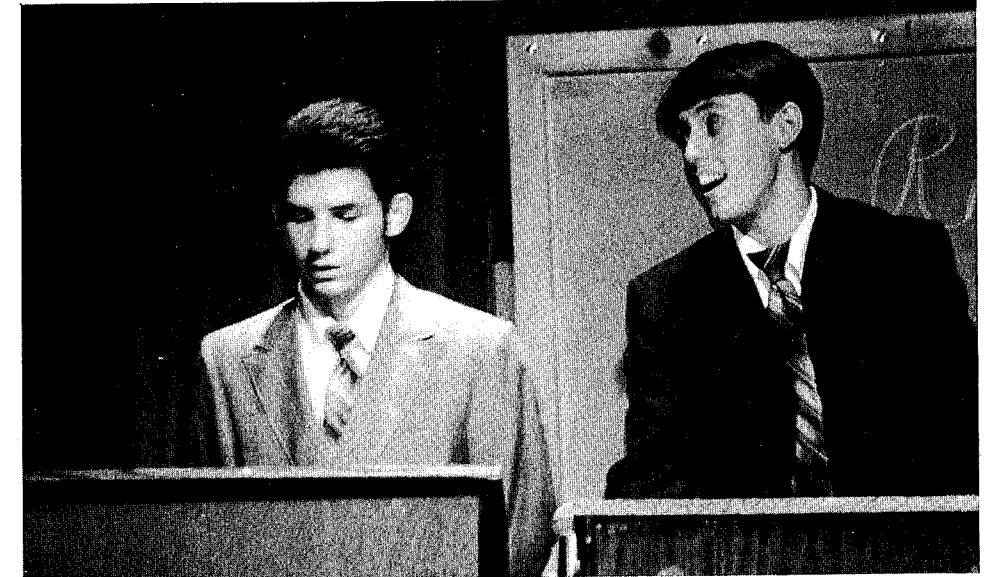

Last year was a year of stardom and blasts from the past: bell bottoms, platforms, and "Laugh-In". The popular television comedy revived to combine the past and present. The play was a scream, and the cast was unbelievable! Play it again, Sam!

— India DeCosey

The Cast, Row 1: Jessica Hvidalek, Monique McLymont, Melissa Aquino, Veronica Molinar, Mayinn Dixon. Row 2: Mrs. Kurschner, Paula Hicks, Dustin Armstrong, Will Webb, Toni Vogel, Brian Kidder. Mrs. Kurschner was our Ruth Buzzy stand-in that stood-out.

The team of Rowan and Martin was filled by Will Webb and Dustin Armstrong. The awesome twosome.

Mayinn Dixon rides a mean tricycle. But it's funny!

# Reflections

Ms. Crews was greatly appreciated for her decorating expertise during prom.

Kolette Martin and Jennifer Morrison flirt with the camera while Missy Conner, Shay Lewis, and Tracy Maglischo wait for the next slow dance.

Jennifer Naneck is beaming with excitement.

“Reflections” was the theme of last year’s prom. With a decore of ponds, trees, plants, balloons, and fish, the Junior Executive Board did a terrific job capturing the romantic park scene. It all took place on April 24, 1994 at Nora Mayo Hall in Winter Haven.

— Shelley Taylor

# Graduation '94!

The class of Champions was a very special class. As they embark on their long journey into adulthood, they show much promise. Their individuality will take them far in what ever they do. From all the classes that looked up to them, you will be messed and we salute you.

# Stringing and Singing Along

## Orchestra and Chorus

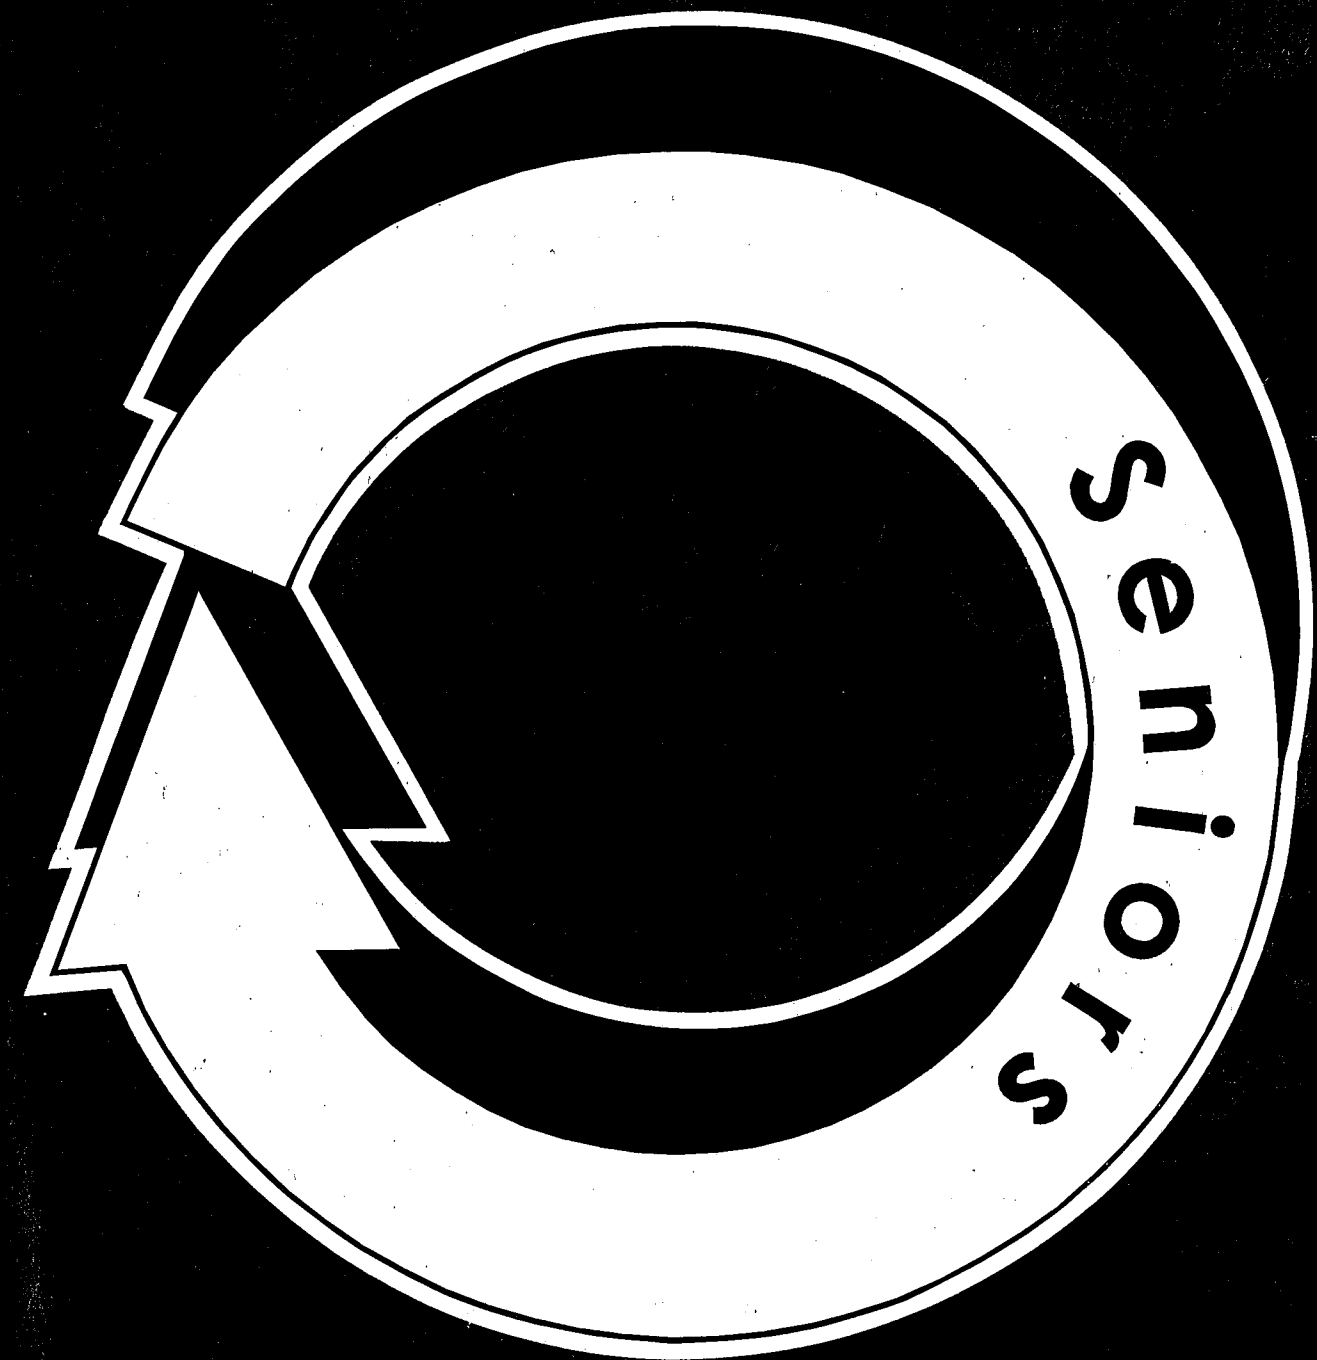

The yearbook staff would like to take a bow to two groups of students and their instructors who were inadvertently omitted from the '94 *Crown Jewel*. It was certainly not because they were unimportant or not dedicated to their craft; it was just an error on our part. Please take a moment to give these worthy folks the recognition they deserve.

**GOD'S FLOWER GARDEN**

It's hard to lose the ones we love,  
To see them pass away,  
The sweetest and the kindest gone,  
While others are left to stay.

But if we had a garden,  
With roses fair and bright,  
We'd often pick the loveliest,  
And think it to be right.

And so it is with Jesus,  
In His Heavenly garden here,  
He often picks the fairest flower,  
The one we love so dear.

The flowers that are picked by Him,  
Will never fade away,  
We know they'll live forever,  
And we'll see them some sweet day.

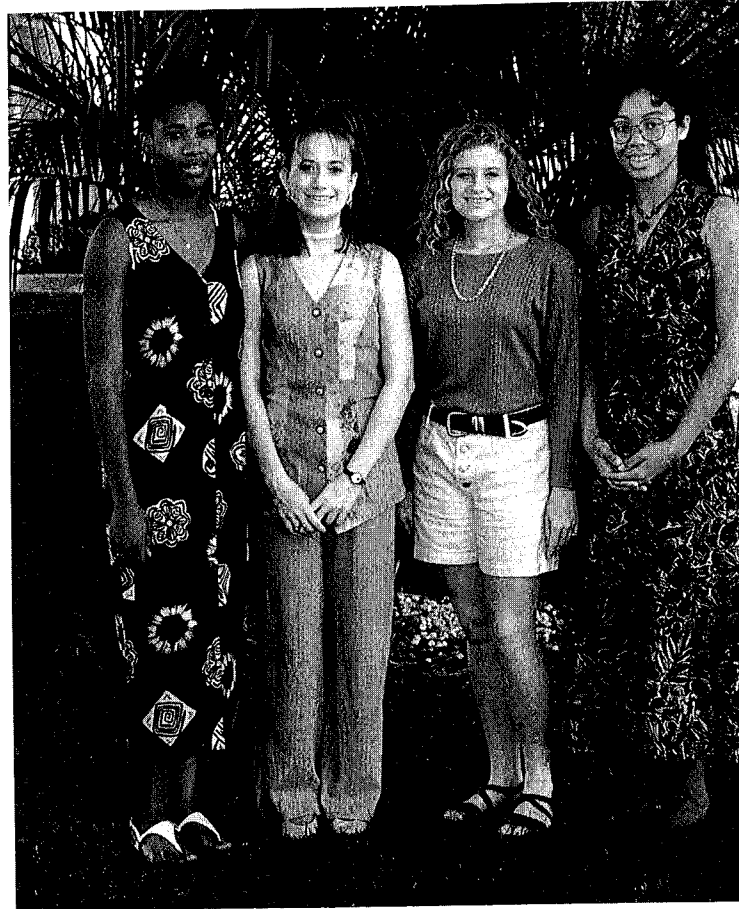

# Moving Up!

## Juniors Aren't Second Class

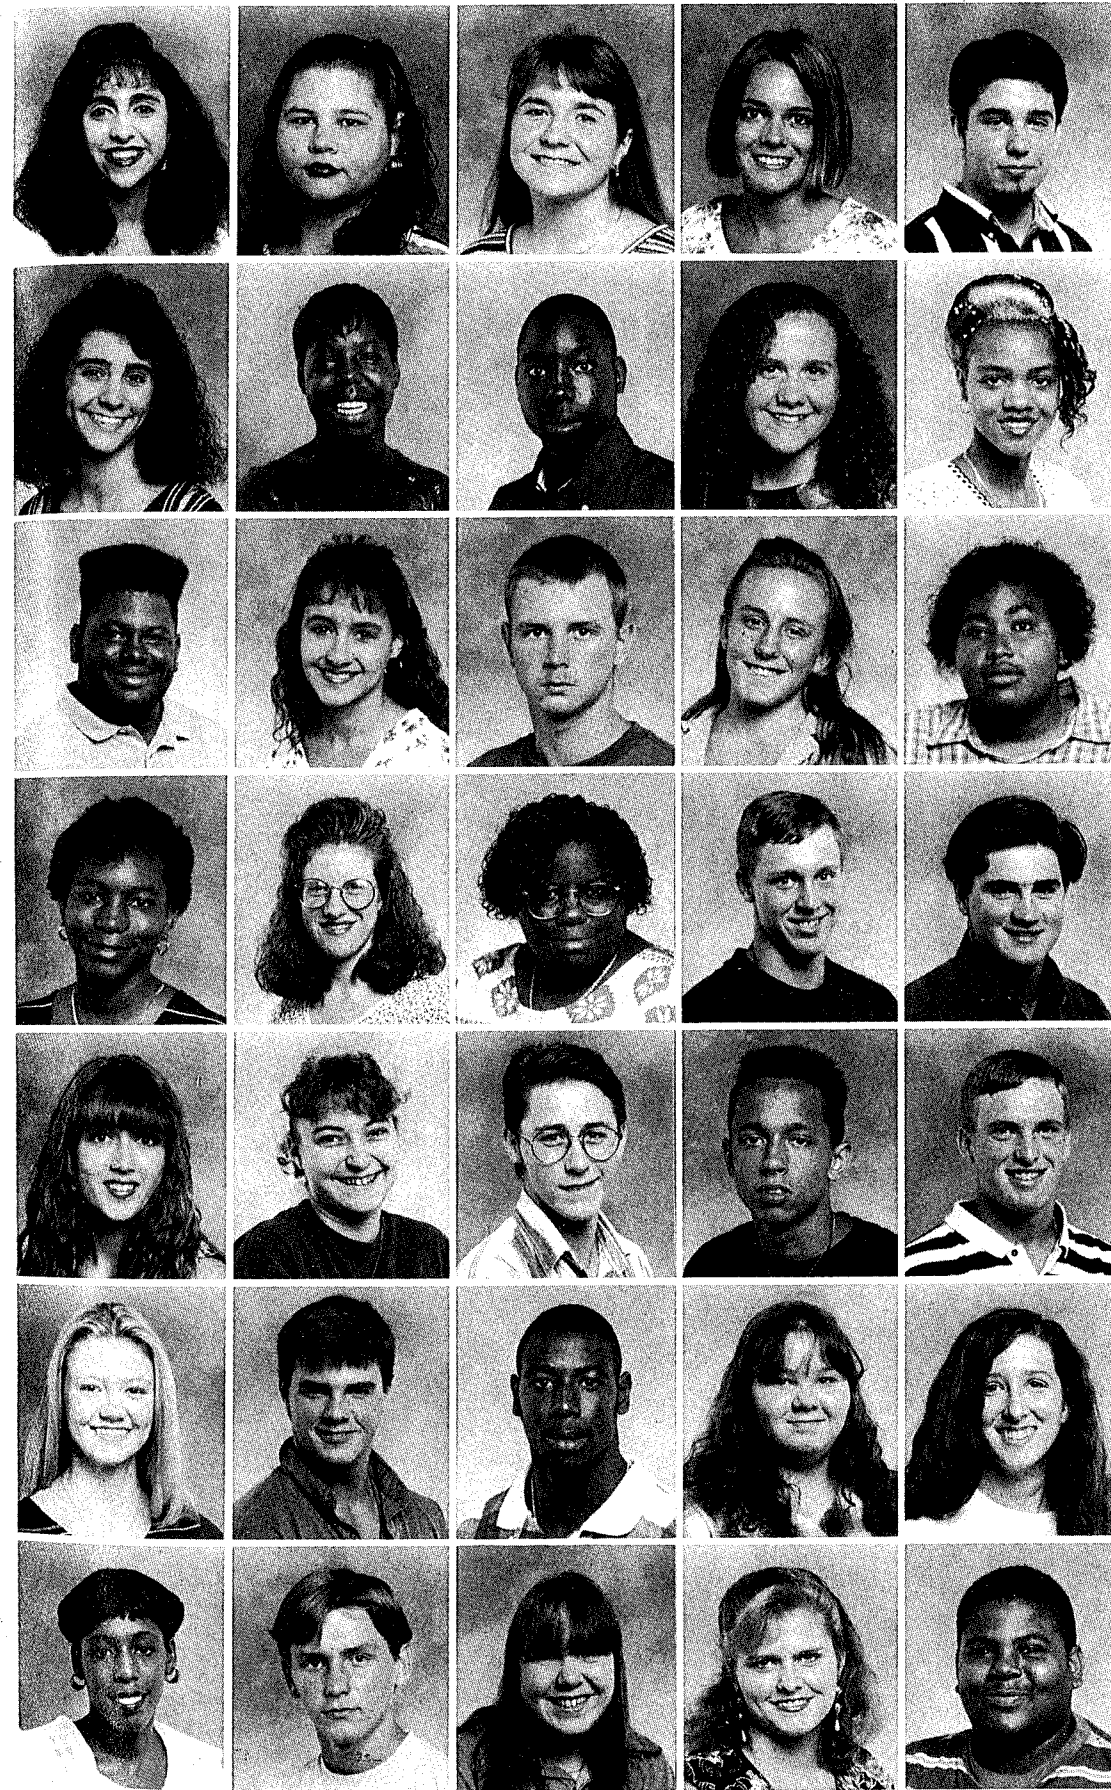

From start to finish, the Junior Executive Board has led their class with style. Their most important project was to host a Senior Prom to remember. The class officers urged everyone to take part in the fund-raising activities. They sold magazines, donuts, spaghetti dinners, and even wrapped Christmas presents at Wal-Mart under the able direction of sponsors — Mrs. A. Rudy and Mrs. L. DeSalvatore.

# Up and Over

## Varsity Volleyball

This was an exciting season for the Volleyball team and their fans. The volleyball team held a 14-5 record, were district runner-ups, placed third in county play-offs, and broke school volleyball records. Led by a crew of seniors and one junior, this has been the best season yet!

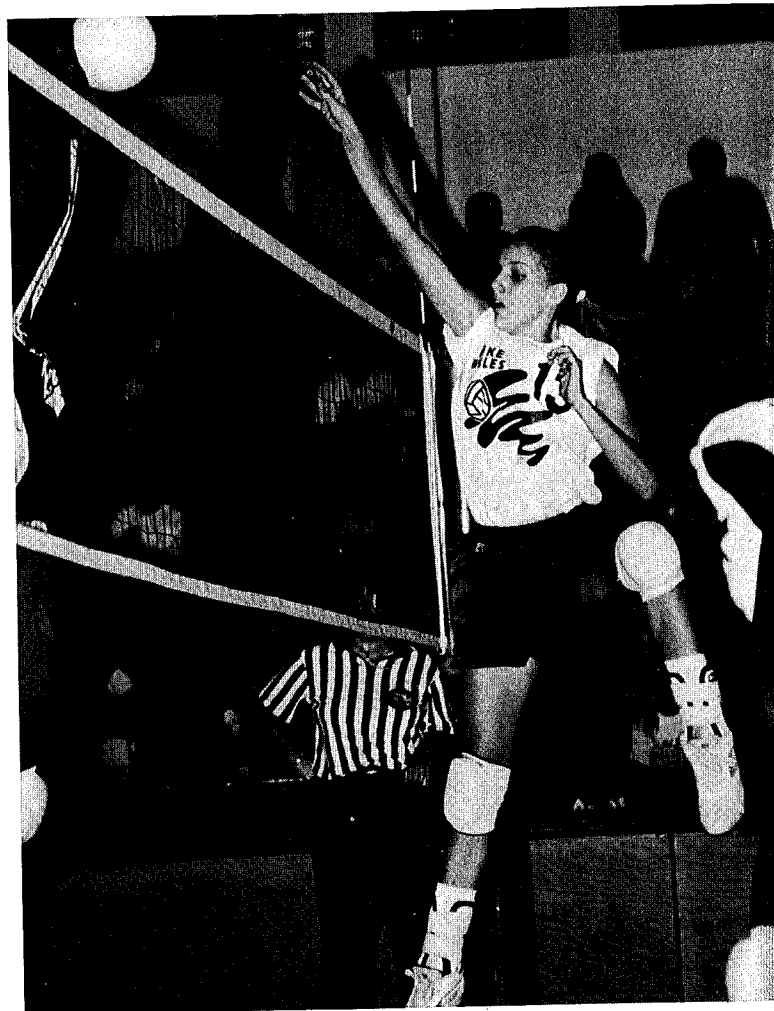

— Shelley Taylor

## JV Volleyball

The Lady Highlanders' Volleyball Team had an outstanding season. They held the best record for any junior varsity volleyball team at Lake Wales High School. They were a dedicated team that proved their talent and ability when they placed second in the county tournament that was held in Bartow.

# Competition in a Fishbowl

On the road again!

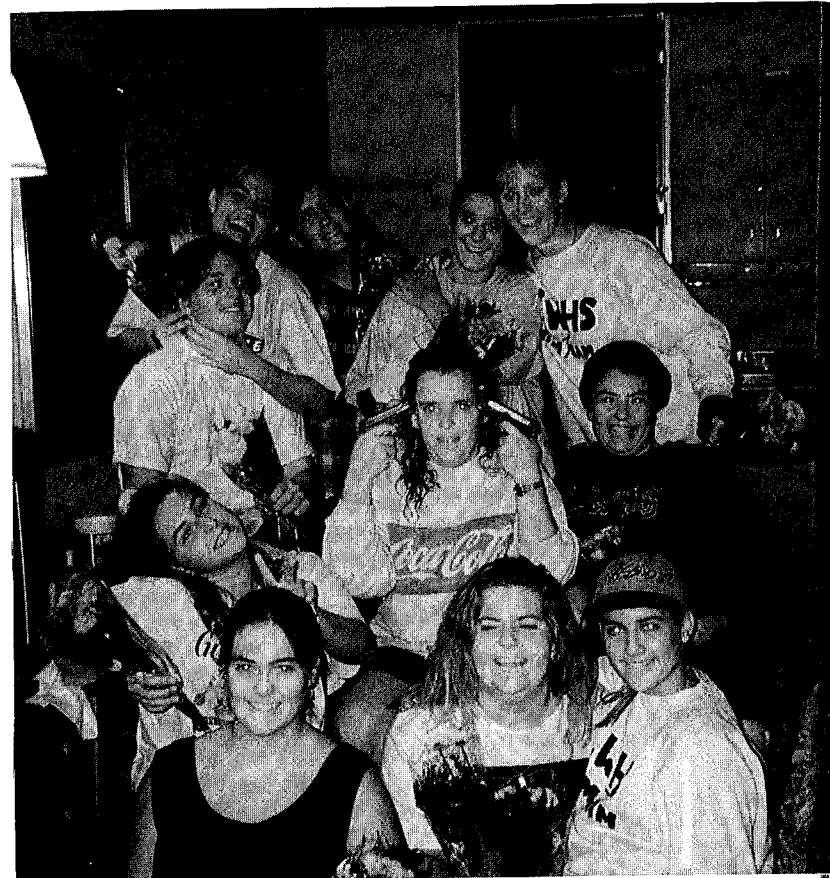

While not drowning in success, the Highlanders have struggled to be the best. Though the success is not well known, the triumphs made as a team are significant. Stats do not necessarily show ability. The team tried their hardest to be something great and managed to become one big happy family.

— India DeCosey

# Going the Distance

## Cross Country

Although Cross Country doesn't make the world go 'round it sure keeps it spinning. Lake Wales High School has not had a Cross Country team since the 1970's. Due to our late start in the season, we were unable to compete in many county competitions. Despite our setback the girls came in first place at the Sebring meet. This year will pave the way for next year and keep the world spinning.

— Nicole Ciferni

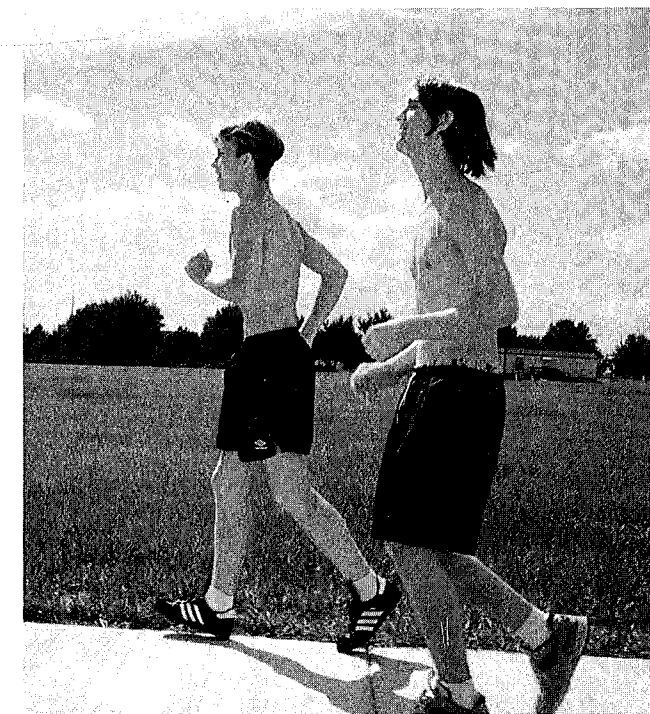

Front: Missy Wilson, Autumn Bridges, Nicole Ciferni, Michelle Motis, Jayna Fowler, and Jessica Winfield  
Back: Coach Weeks, Amy Danielson, Mary Ellen Prince, Nicole Whaley, Kendra Whitman, Tara Porter and captain, Julie Hunt.

Kendra Whitman finishes third with a time of 15:00

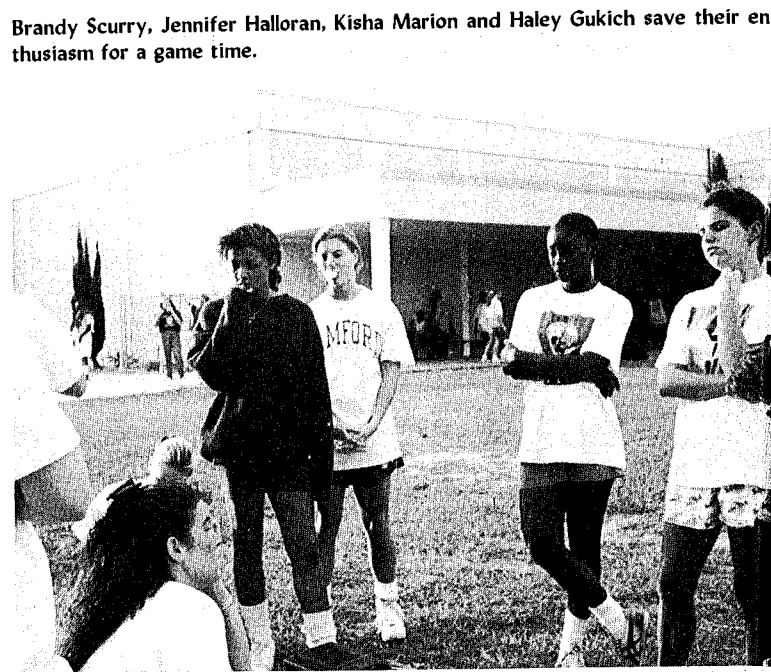

# Coming Around with Spirit!

The Varsity girls have done an outstanding job throughout this year's season. Not only did the captain, Heather Caliguire, get to cheer on national television in the Aloha Bowl, but the squad as a whole made it to Nationals again. They cheered-on the football team all the way to Day-

tona. Just as football was coming to an end, on came basketball, which the girls cheered for constantly. These girls deserve a lot more respect and recognition than they receive. They have shown an abundance of loyalty and dedication once again this year.

— Kim Brown

Brandy Scurry, Jennifer Halloran, Kisha Marion and Haley Gukich save their enthusiasm for a game time.

The two "All-American" girls, captain, Heather Caliguire and co-captain Missy Conner, just before cheering in the Macy's Day Parade.

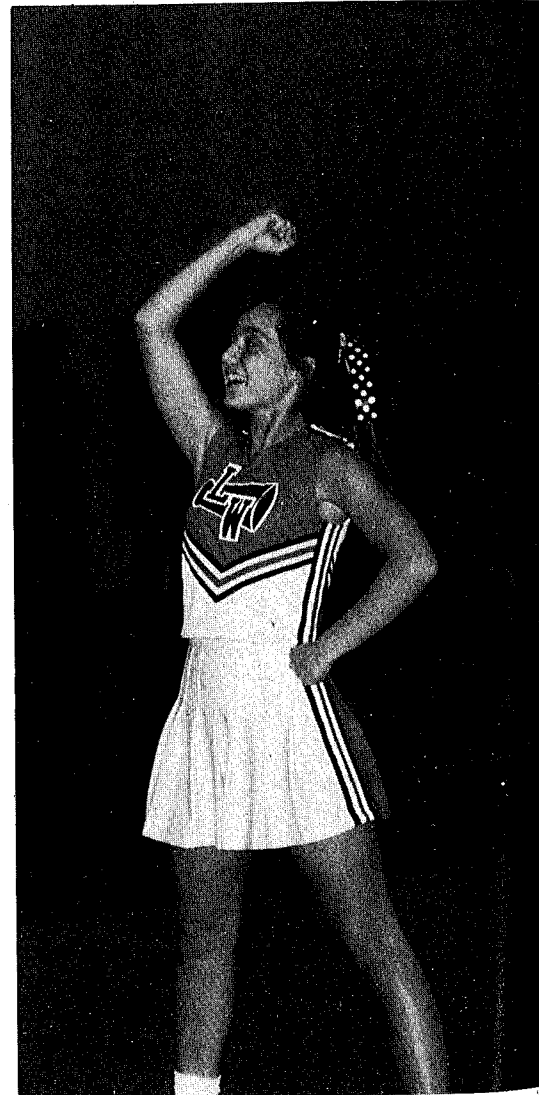

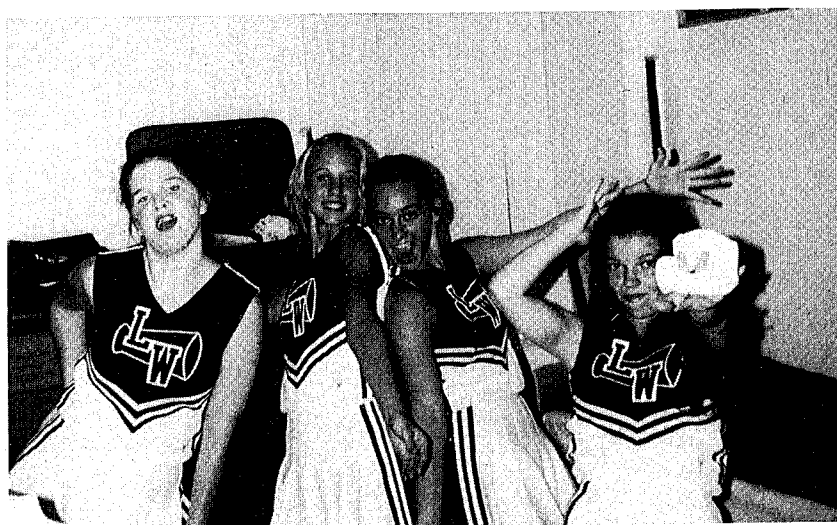

## Time Out

Brandy Jo Scurry has that much needed enthusiastic attitude that makes her one great cheerleader.

The Varsity girls do their spirit dance after another tremendous Highlander victory.

Tracy Maglisco, Missy Conner, Angie Wilkinson and Heather Caliguire practice poses for their glamor shots.

Alecia Moseley, Alisha Griffin and DeeAnn Wilson "pep" the students up for the battle against Bartow.

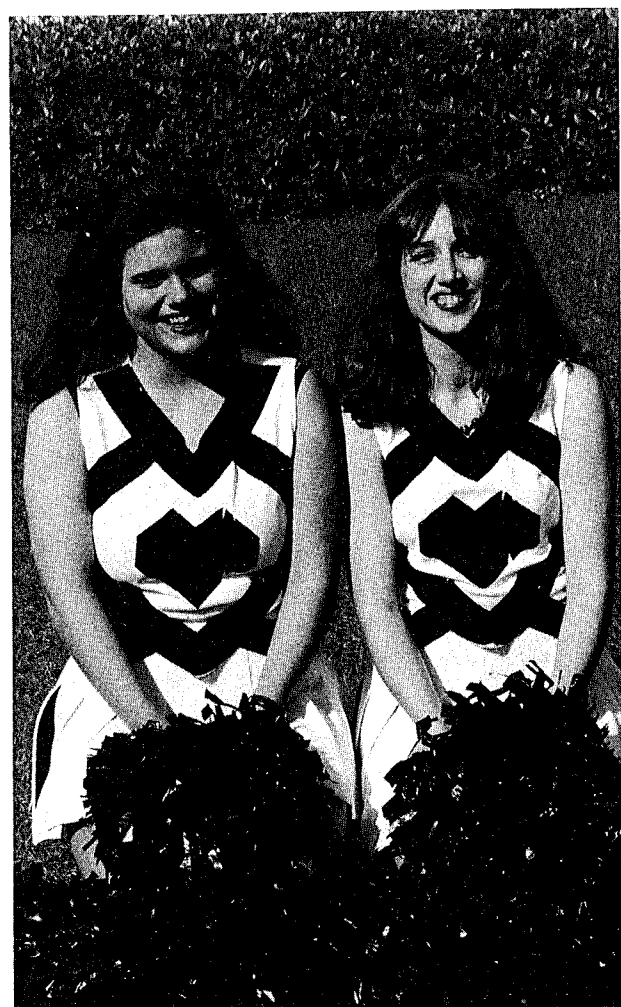

# Moving to the Top! J.V. Cheerleaders

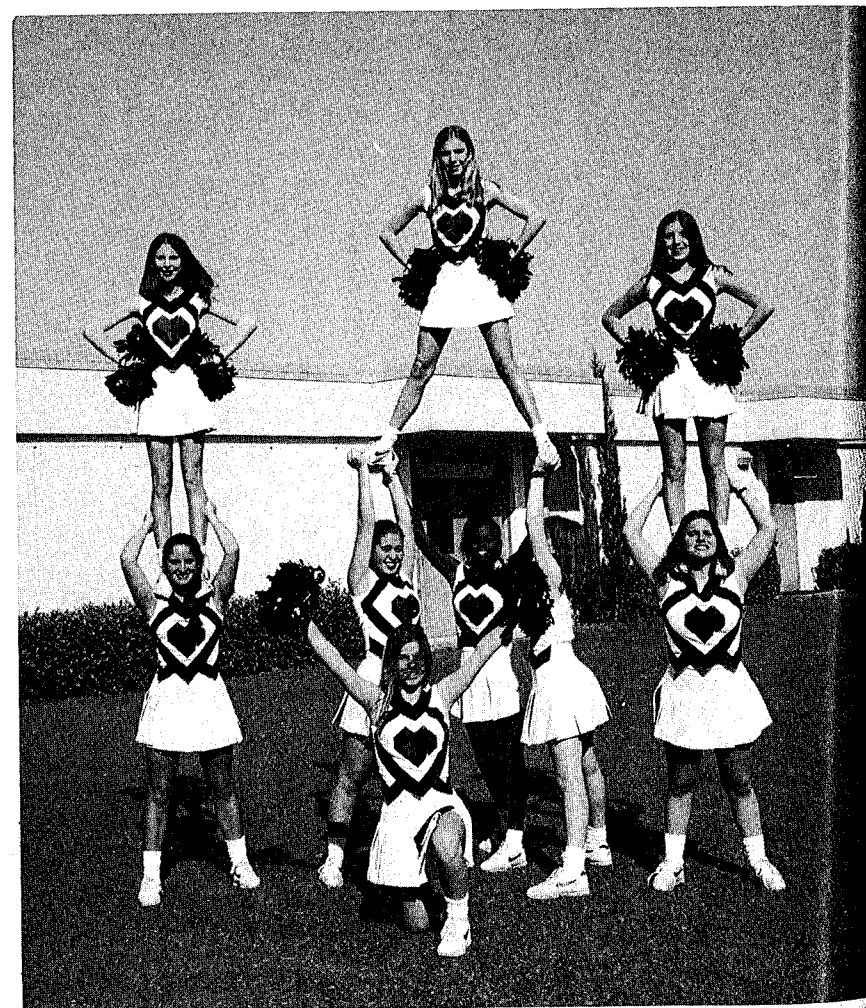

This year's Jayvee squad has had an awesome season! Over the summer, they attended an NCA camp, where they not only received outstanding spirit and safety awards, but also won the most improved squad trophy. As football season began, they worked hard to cheer the team to an undefeated season. At the close of football season, the squad cheered constantly for what seemed a non-stop basketball season. During both seasons they showed talent, as well as dedication to their squad and their teams.

— Kim Brown

Joteish Battles gets ready for take off, with a superb toe-touch.

Captains: Heather Carden and Kim Brown.

One full and two stands: Tiffany Gerrerd, Mindy Hearn, and Lorilynn Gandy are fliers.

The squad takes time out of hard working summer camp, for a pretty pose.

Elizabeth Weaver, Mindy Hearn, Marzsa Arceo, Kim Brown, Tiffany Gerrard, and Lorilynn Gandy enjoy "goofing off" before a game.

# Experiencing Victory

## Varsity Football

This football season was "all that and a bag of chips." The Highlanders kicked off the season with class. Their goal was to be unstoppable, and they proved that loyalty is what makes winners. In a league of their own, with a 10-0 district season, our football team managed to become state runner up for the second year in a row! This was truly a season to remember!

— India and Cecil

### Sports Talk

"I love to tackle some guy and help my team out. The most important thing to me is to win. It feels great to be a Highlander and play on the Varsity team."

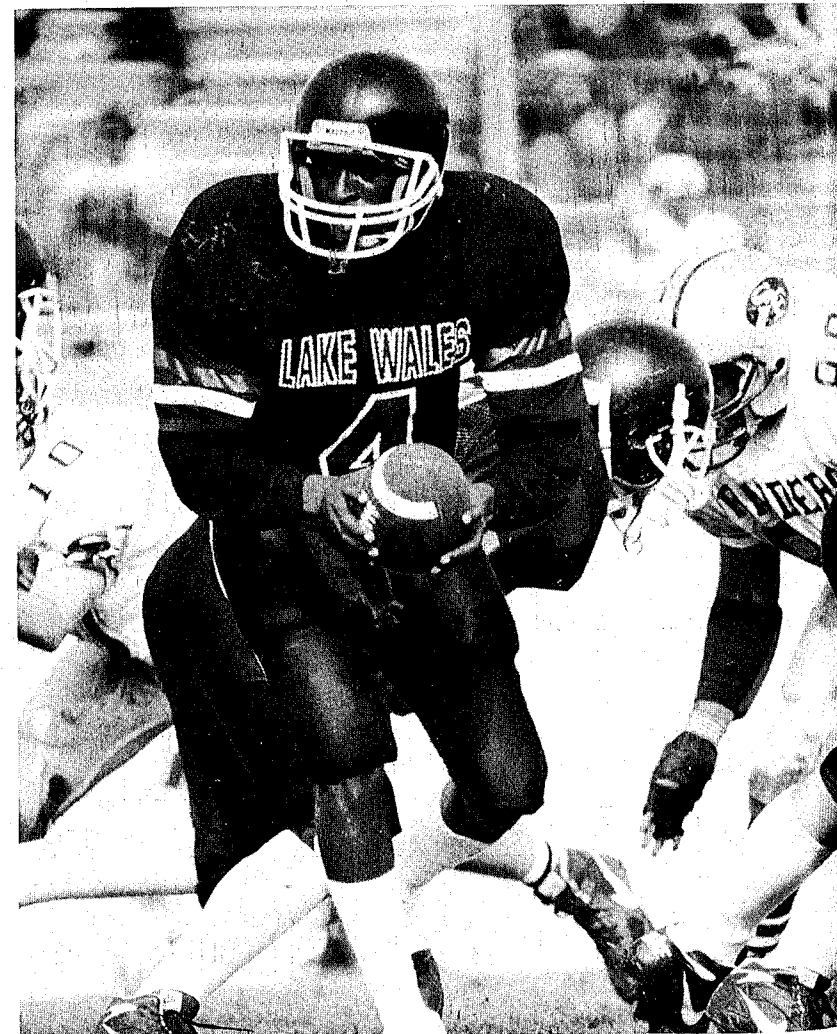

— Jacob Douglas

# Unstoppable Lads

With new and returning players, our JV football team achieved an 8-0 season! As the games went by, their skills improved, gaining their opponents respect. Their ability on the field was outstanding. They have that winning Highlander spirit which won them the title of JV District Champions.

— Kim and Jeremiah

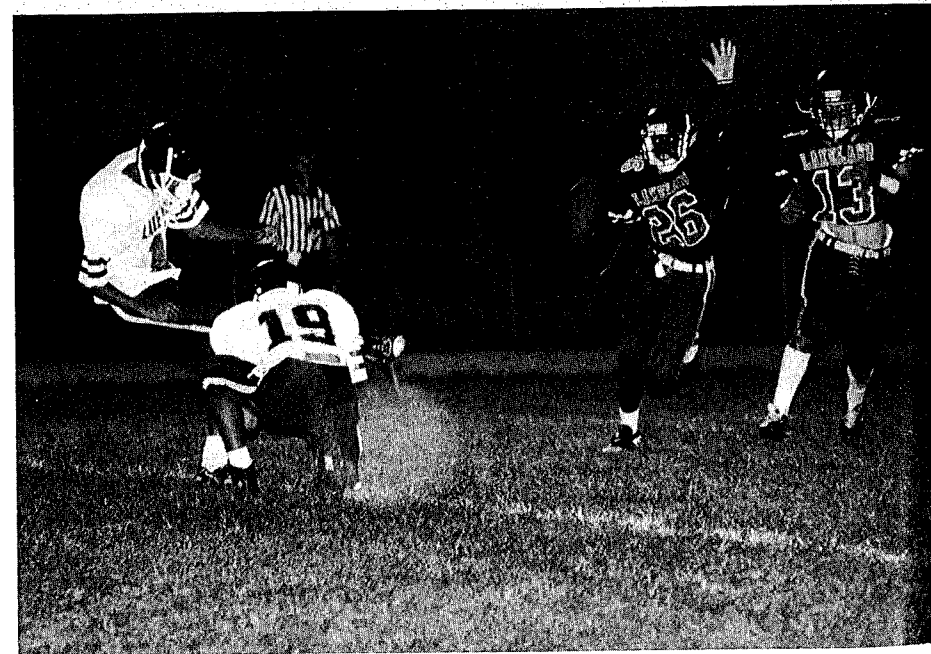

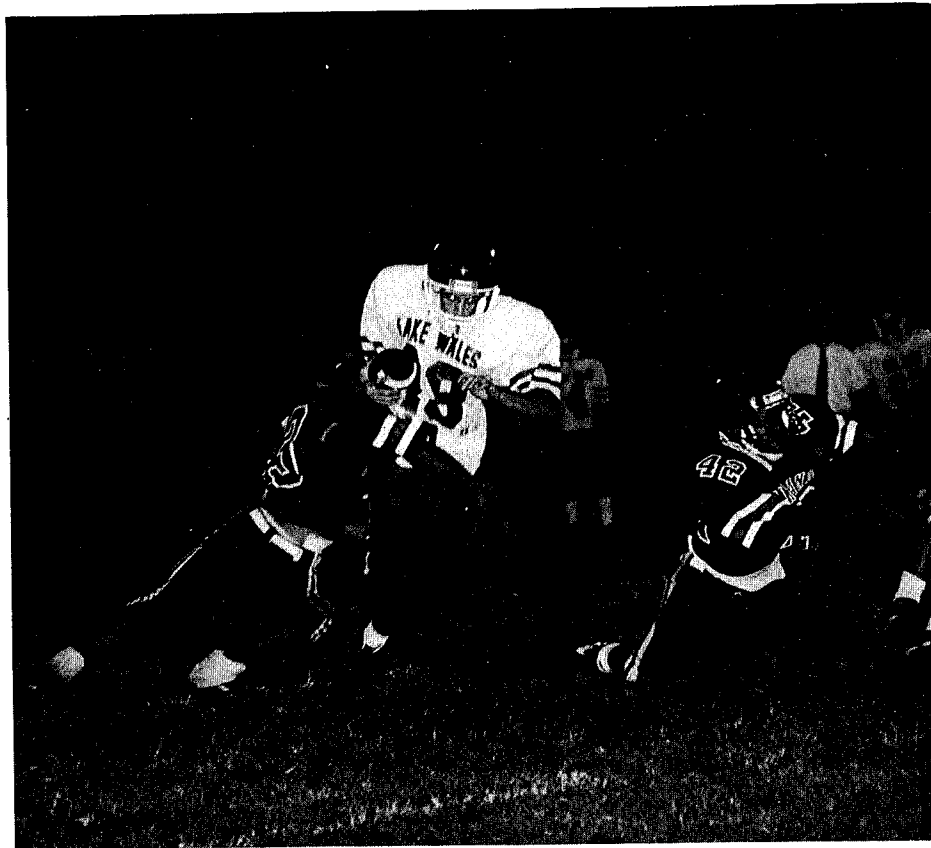

Jared Adey plays defense powerfully.

## Sports Talk

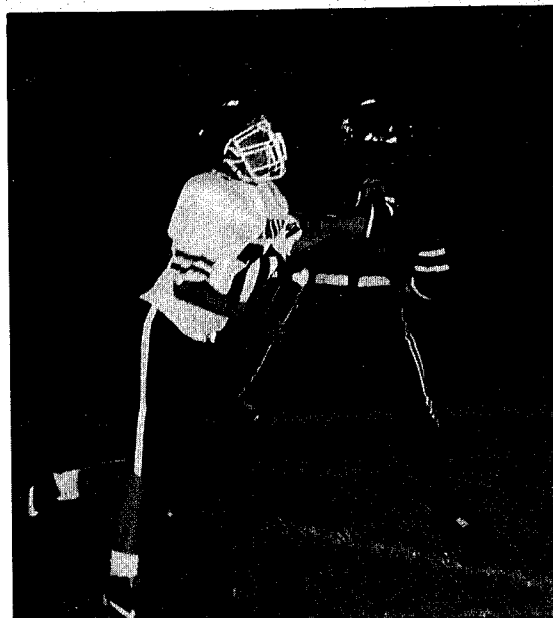

"Practice was hard sometimes with the heat and so many drills, but the season was great because we played as a team."

— Jerome Harris

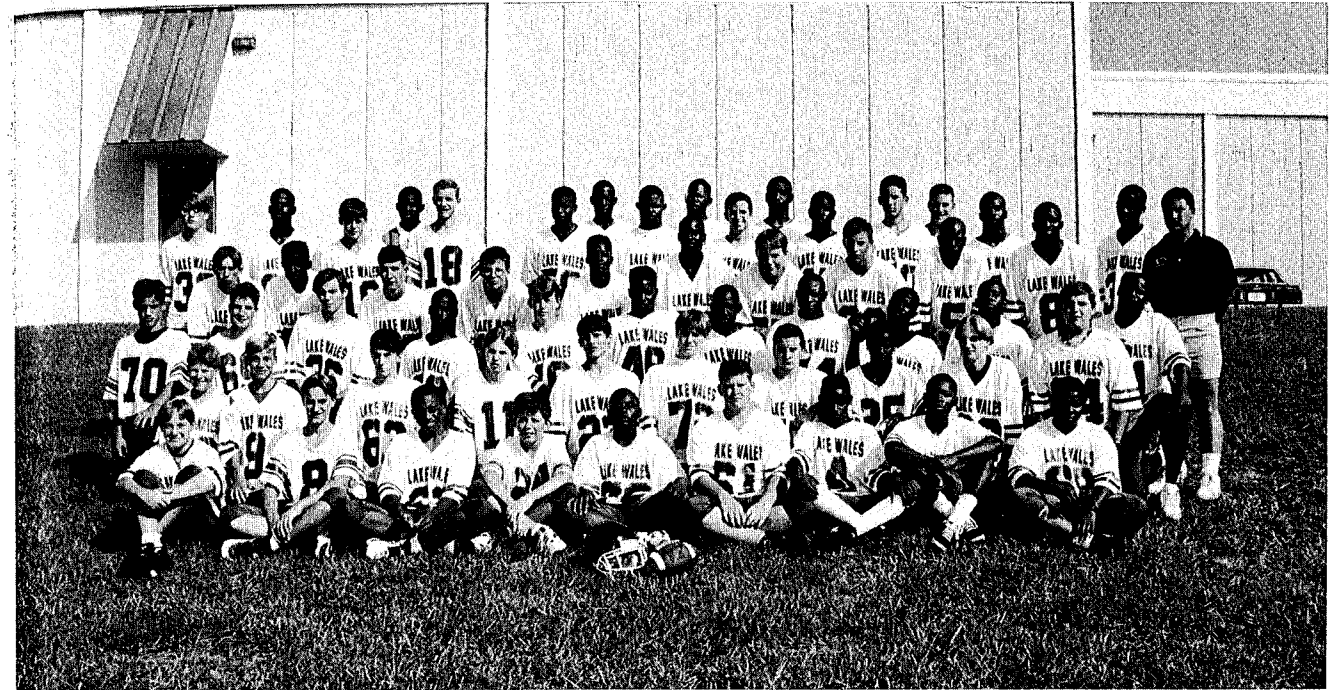

As Kent Windham holds the ball, Toureniem Saythavy kicks to make every point count.

# Around the Rim

Tonya Minick, Shrona Rogers, and Kim Thompson enjoy a game of monkey-in-the-middle.

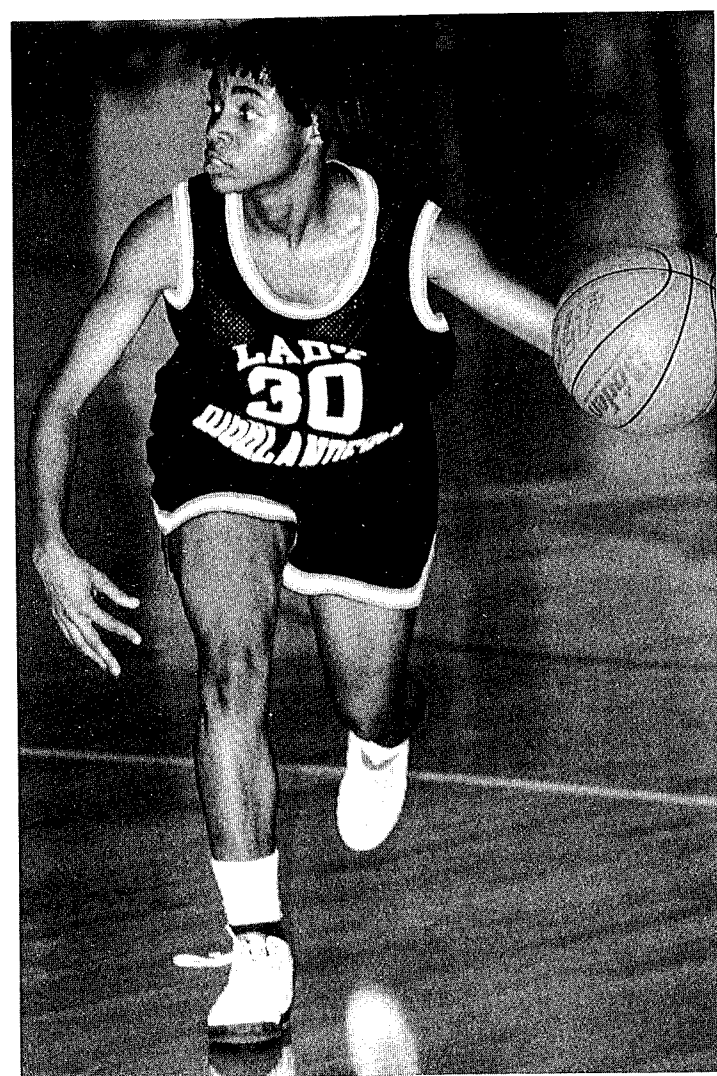

## Girls' Varsity Basketball

Don't let the feminine side of this team fool you, because this team of extremely talented young women can really play ball! Lead by captains: Kim Thompson, LaToya Taylor, and Kita Shuler, the team stormed through this season leaving a path of defeated teams behind them.

With talented leadership, the team went from being unranked to become the State runner-Up!

When you think of Agriculture, the first thing that probably pops into your mind is farming. Sure that is a big part of Agriculture, but Mr. Bryan also teaches his students other skills. This is when students get a chance to plant plants and watch them grow and work in their environment. Mr. Bryan takes those students who are interested to a contest where they are tested on what they know about their field of choice. Many of them bring home ribbons and trophies.

Adam Webb and Andrea Baker hone their sound.

Our Orchestra is a small but busy group of students. This year they held a Christmas Concert, and performed for the music group. Many of the students participated in the All-County Orchestra, and the State Festival. The highlight of the year was the PASTA tour of Atlanta. They rounded out with the year with the city-wide annual concert. With all of their combined hard work and interest in their craft they will only get even better than they are now. # Around the Court in Class

Sneakers, shorts, and smelly socks all come to mind when you think of P.E., but there is much more to it than that. There is basketball, weightlifting, etc. You find yourself having fun while you are getting in shape. Personal Fitness even helps you to learn how to eat and how to stay in shape. So don't complain so much about those P.E. credits you take. Who knows, you may learn something and even have fun doing it. At any cost your health is right up there next to happiness. Just think how important that is!

As time passes by, events change, however, history stays the same.

We learn that in order to get where we're going, we must know where we've been.

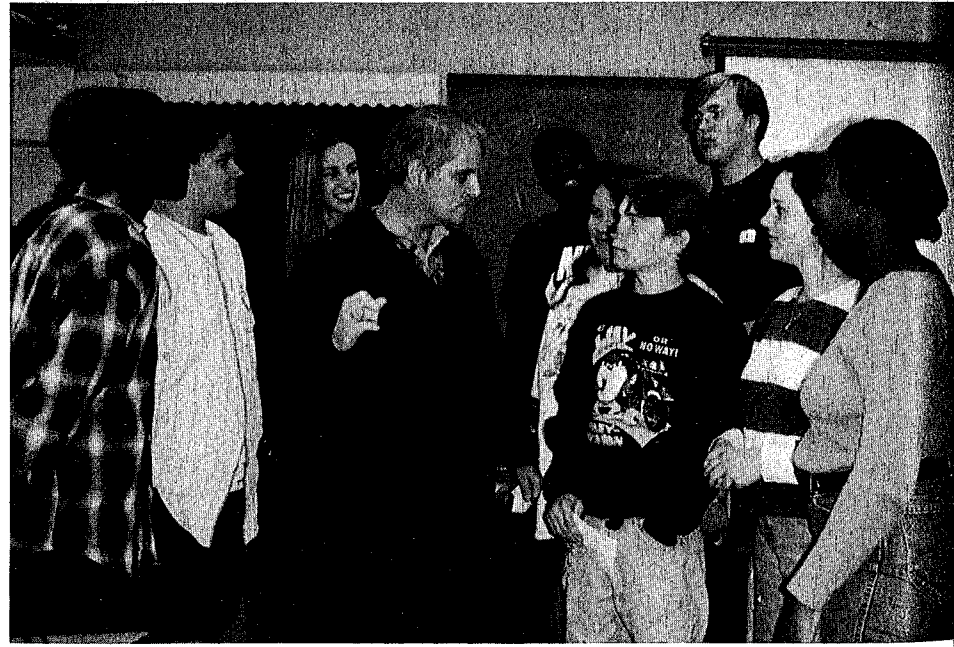

History is an important factor in each of our lives that teaches us the value of life's events. While it invites us to explore our yesterday, it also gives us a brighter outlook for our tomorrow.

Ricky Tinsley, Derek Barber, Melissa Conner, Darryl McGrath, and Kelly Privett concentrate on this week's vocabulary words. Would index cards help?

Lake Wales is very fortunate to have an SAT (Standardized Achievement Test) Prep. class. This class, which is taught by Coach Shaffer and Miss Sebring, prepares students to take their SAT's. The class goes over the many different levels of math as well as vocabulary most likely to be on the test. Highlanders are always prepared for everything — even SAT's!

Miss Sebring takes notes on how to relax from Coach Shafer.

# The Man at the Top

Like everyone here at Lake Wales High School, Principal W. Keith Windham's main objective is to keep this school number one in academics and athletics in Polk County. He plans to stay with us several more years. Mr. Windham used to be a football coach and P.E. coach. He is also an experienced math teacher and was assistant principal at McLaughlin Middle School. Mr. Windham spends 10-14 hours a day supervising school programs and functions, and making sure everyone is doing their job.

— Lamanda Thomas

Though very busy, Mr. Windham will take time for a picture.

He must handle mounds of paperwork.

# The Lady of the House

Having to keep things in order and on schedule is a very difficult job, just ask Mrs. Kurschner. This former English teacher has more than her share of duties to keep her busy. She plans graduation, master schedules, makes sure each classroom has a teacher, and even does lunch duty! These are only a few of the responsibilities this amazing lady accomplishes. It's enough to make your head spin!

An Assistant Principal in charge of discipline has no easy task. Not only does our Mr. Nathan Minton enforce discipline, he also supervises activities during the day, assists the faculty observations, bus referrals, and lunch duty. Mr. Minton has been an administrator for the past 12 years. He's an experienced teacher, coach, and administrator. His primary goal is to successfully make a difference in young people's lives.

# Deans of Student Affairs

Our Administrative pool would not be complete without these three gentlemen. Mr. Buehner, our Athletic Director, does a great job organizing our sports. Officer Gaston has helped students with difficult situations and gives helpful information. Mr. Pavy, Dean of Students, is really tough on discipline and works really hard to make sure that the rules are followed. These advisors are truly unbelievable and do a great job.

Mr. Pavy surely does his share of paperwork.

# "The Guiding Light"

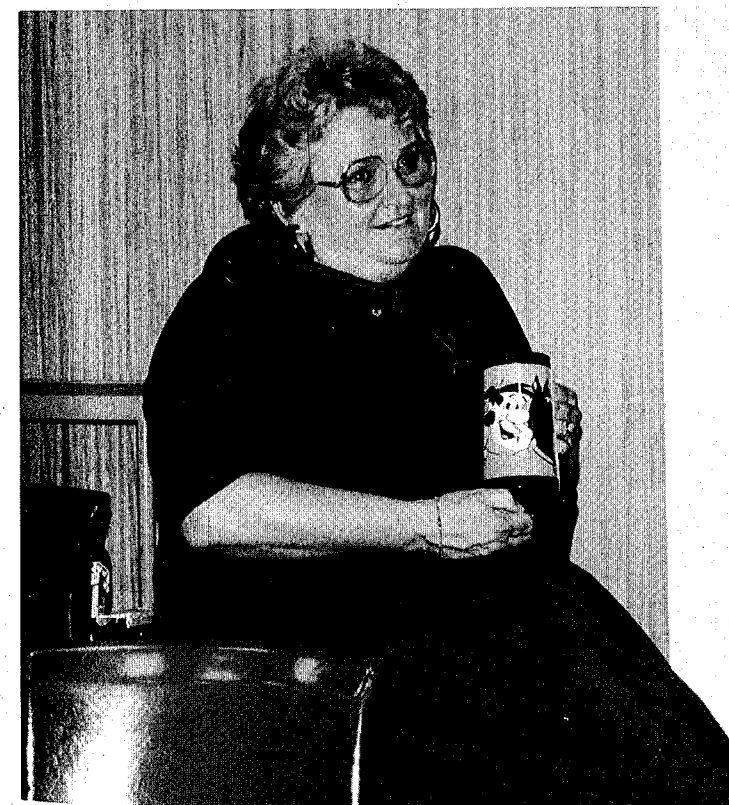

Mrs. Davis spends lots of phone time helping the Senior class.

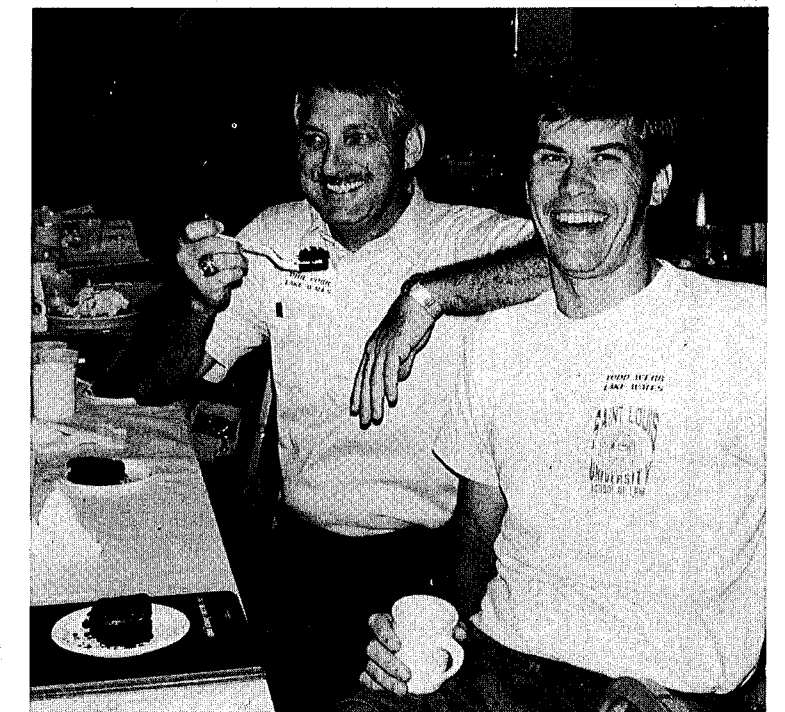

The Guidance Department is very important to the success

(Graduation!) of all of us. Mrs. Davis is the E.S.E. coordinator and works with the Seniors on college plans, giving them academic advice. Mr. Cobb schedules the school's statewide testing and works with the Juniors. Miss Wilford guides the Sophomores and Freshmen and the executive intern students. They all help with some scheduling and get us started on our four year plan. When we're successful — we graduate!

— Elizabeth Fisher

Miss Wilford keeps a tight trip on her 9th and 10th graders and her Flintstone coffee mug.

Mr. Cobb and Mr. Webb prove you can have your cake and eat it too.

# No Substitutions

Mrs. McCullough always takes a break from her busy schedule to give a smile.

Where would we be without our secretaries? Mrs. McCullough is the Executive Secretary to Mr. Windham. She also handles the financial affairs, assists the secretaries in the front office, and is responsible for training anyone new. She always has a smile. Mrs. Fugate, our Registration and Guidance Secretary, is responsible for enrolling all new students or returning students, and she sends transcripts to colleges. Mrs. Walser is responsible for payrolls, insurance, the clinic, the intercom, setting up the substitute teachers, and lots more! Mrs. Settle is our Athletic Secretary. She is in charge of attendance, answers the phone and does anything else that needs to be done. Mrs. Joyner is our Financial Secretary. She is in charge of customer service, purchase orders, the justification of accounts, and control of the petty cash funds. Good secretaries make good offices, and our is the Best!

## Future Educators

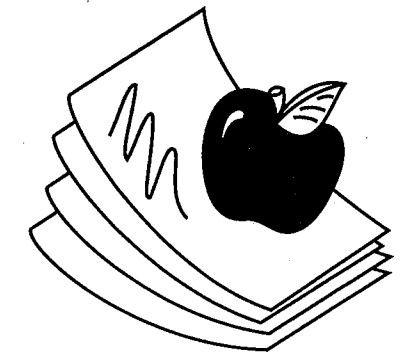

Future Educators of America is a fairly new club here at Lake Wales High School. FEA is the most school affiliated organization there is. Even though there are approximately ten members in the FEA club, the members get a lot accomplished. New sponsor, Ms. Pirrilla, helps the FEA members in learning more about the educational field. Members get the opportunity to visit local elementary schools such as, Spook Hill, Hillcrest and Polk Avenue. When they visit these schools they have the chance to help out the teachers and some get to teach a lesson plan to the students. In their spare time FEA members also do other valuable activities for the school and the community. # Building A New

Between newspaper and television, "Building a New World" is an experience that Lake Wales High School will never forget. One hundred students from Lake Wales were chosen to participate in the project. They worked with college and elementary students in a reconstruction of the globe. The replicated globe was four stories high, one-millionth the size of the actual earth. The construction took about eight hours to complete. Out of the one hundred students who participated, sixteen were chosen to rebuild the globe in Washington D.C. in April.
