[Target Pushes ahead with Woke Holiday Merch Despite Financial Losses](#)

Target's second quarter earnings report proved the company still hasn't rebounded from its Pride fallout this summer, showing a 5.4% decrease in sales — the first drop in roughly six years. The company's third quarter report was no better, revealing an additional 4.9% drop.

Highlights from Letters to Power 88

- I am an inmate at Century Correctional Institution. I recently came back to Christ after about 15-years of rebellion. It all started with the reading of the book entitled: "The Shack", by William P Young. The spirit began to move on me and more and more experiences rapidly fell into place that drew me closer to my Lord. After finding your station on the radio, my dial has seldom strayed. I have just been blown away by the sheer volume of good Christian music that is out there! To say the least, my thirst and hunger for the Lord, His Scriptures and music pleasing to Him is insatiable and I would like to know if you have some sort of newsletter and any other info you could send to me.
