Each board member shared their opinion on Mr. Frank's proposed resolution. All board members present disagreed with the Governor's vaccination mandate, but all agreed the resolution proposed could not be supported the way it was written.

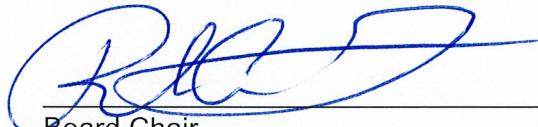

The board apologized for any chaos this meeting may have caused. They will wait for the OHA rules and exception forms to be released and may have another special board meeting. Mr. Frank will reach out to other boards in Eastern Oregon for more support and resources.

No action was taken.
