## International Baccalaureate

The IB Middle Years Program (MYP) aspires to help schools develop well-rounded students who respond to challenges with optimism and an open mind, are confident in their own identities, make ethical decisions, join with others in celebrating our common humanity and are prepared to apply what they learn in real-world complex and unpredictable situations.

## REQUIRED COURSES

Sixth graders are required to take the following courses:

- Mathematics
- Language & Literature
- Science
- Individual & Societies
- Physical Education
- Language Acquisition (French & Spanish)
- Design
- Visual & Performing Arts

## ATHLETICS

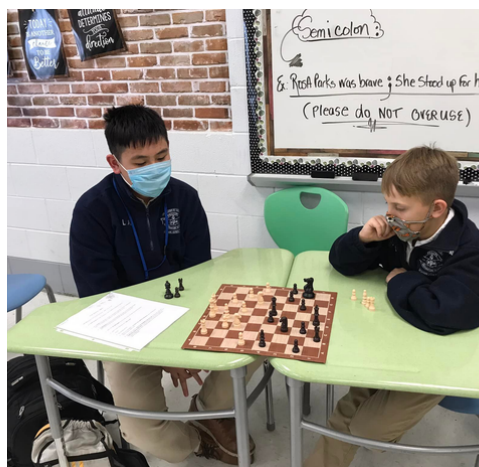

Sixth graders are only allowed to participate in archery. However, you should use this year to explore different sports to determine your interests. 7th & 8th graders must maintain a 70% or higher yearly average to participate in:

- Archery
- Baseball
- Basketball
- Cheerleading
- Football
- Soccer
- Softball
- Track
- Volleyball

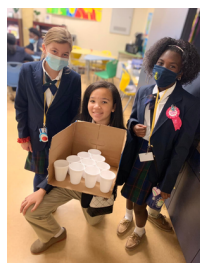

# Lab Days - Student Clubs

Club Day is designed to be a FUN, RELAXING, experience where students with the same interests spend time collaborating on activities. While a few of our clubs meet before or after school, Club Day occurs *during* school which allows bus riders and those who can't stay after school an opportunity to join a group. ALL students are included!

# Pirate Days - STEM Rounds

Sixth grade students select STEM-embedded activities to explore every three weeks on our scheduled Pirate Days. STEM Rounds support the tenets outlined in the IB Learner Profile by cultivating an environment in which our students are risk-takers, reflective, thinkers, open-minded, communicators, inquirers, principled, balanced, caring, and knowledgeable. It also prompts students to apply the engineering design process to complete their tasks.
