

## **PUBLIC SOLICITATIONS IN THE SCHOOL**

There will be no solicitation within the schools for any purpose without the approval of the Superintendent or Principal. School solicitation should be limited to:

1. Activities conducted by the school or school organization for the purpose of raising funds for a worthwhile service to the school.
2. Parent, Teacher, Student organization activities.

Any request for the exception to this rule must be submitted in writing to the School Board or its agents (Superintendent and/or Principal) at least 30 days prior to the implementation of the requested activity. The School Board reserves the right to grant exceptions.

The foregoing policy is for the purpose of insuring maximum instruction time for the student and in no way reflects a negative attitude toward many of the very worthwhile civic and charitable activities sponsored within the community, either on a strictly local basis or as part of a regional, state, or national activity. The above does not apply when buildings are rented by an organization.
