

FRAZIER SCHOOL DISTRICT
Special Education and Student Services Department
142 Constitution St.
PERRYOPOLIS, PA 15473
Phone: 724-736-9507

To: All Parents, Teachers, and Community Members

The District is organizing special education steering committees to help plan the future of special education programs at Frazier. This committee consists of stakeholders, including educators, parents, and administrators, who provide oversight and strategic support for special education programs and policies within our district. If you're interested in joining the committee, please refer to the dates below for attendance. Meetings will occur over several evenings in the coming months and will be divided into Elementary and Secondary Committees.

To offer your input on special education at Frazier School District, please RSVP to Mr. Damico at ndamico@fraziersd.org. Your voice is important in our decisions.
