There will be a special meeting of the New Milford Board of Education beginning at 2:00 on the afternoon of Wednesday, October 20, 2021 for the purpose of conducting a student disciplinary hearing, followed by an unrelated student-transportation hearing. At the October 20, 2021 meeting, a hearing officer serving on behalf of the Board will move to convene in executive session during which matters concerning the personal privacy of the student who is the subject of the first, student disciplinary hearing are likely to be discussed. Should the parents request that the hearing be held in public session, the hearing officer will do so unless it is determined that an open session will implicate the protected confidentiality and personal privacy of other New Milford Public School students. The Board hearing officer may take action when he returns to open session following the first hearing.

Following the conclusion of the first hearing, but as part of the same special meeting, a second, student-transportation hearing will be held regarding a different student. Prior to the commencement of such second hearing, the hearing officer will move to convene in executive session during which matters concerning the personal privacy of the student who is the subject of the second hearing are likely to be discussed. Should the parents request that the hearing be held in public session, the hearing officer will do so unless it is determined that an open session will implicate the protected confidentiality and personal privacy of other New Milford Public School students. The Board hearing officer may take action when he returns to open session following the second hearing.
