Dear Kindergarten Students and Parents,

We aim to ignite a love of reading in all of our children in Avoyelles Parish. During the school year we have programs such as **DEAR (Drop Everything And Read)** and **AR (Accelerated Reader)**. This summer we are sending free books home with your child to continue to grow our readers. Just reading 20 minutes a day will grow their vocabulary by 1.8 million words a year. The reading gift your child received today contains a set of books that are personalized to your child's reading level. The gift also contains family activities that we hope you and your child will dive into. <u>**Your child is required to choose TWO books and return an activity for each upon arrival at school next year to be graded.**</u>
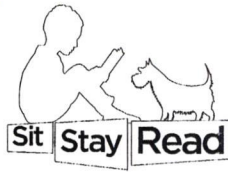

List of Activities (Kindergarten)
1. Complete the story map.
2. Write the title of the story on the line and circle whether the story is fiction or nonfiction.
3. Write five words from the story that have the same vowel sound. Circle the letter/letters that make the vowel sound and list the page number.
4. Make a visual (examples: poster, PowerPoint or Google Slides, trifold, 3-D model etc.) about your book to show your new class next year.

The More
that you read,
the More things
you will know.
The More that you
Learn,
the More places you'll go.

Have a great summer!
