"NURTURING SUCCESS"

From the Desk of the Principal:

As we approach the upcoming state testing period, we want to remind you how important it is for students to be well-prepared and supported. During this time, your encouragement and care at home can help ensure your child is in the best possible condition to do their best.

Here are a few ways you can support your child during this testing season:

1. Ensure plenty of rest: A good night's sleep before each test is crucial. Encourage your child to rest well so they can be alert, focused, and ready to perform their best.
2. Provide a healthy breakfast: A nutritious breakfast helps fuel the brain and gives students the energy needed to stay sharp during testing. Simple, balanced meals like whole grains, protein, and fruits are great options.
3. Encourage confidence and effort: Remind your child that this is an opportunity to showcase all their hard work. Encourage them to stay positive and focus on doing their very best.

We believe that with your support, your child will approach this testing season with confidence and success. Thank you for working together with us to make this experience a positive one!

-Mrs. Michelle Ferrin

Spring
Break

MARCH
14-21

NURSE NOTES

If your child has been sick, they must be **24 hours fever/vomit free without the help of medicine** before returning to school.

PLEASE HELP IN PREVENTING THE SPREAD OF GERMS!
