Message from Your Principal

Welcome Back Righetti Students and Parents,

The school calendar and new bell schedules are posted on our website for the 24-25 school year. Additionally, student and parent activities are added to the school master calendar, which is located on our website (www.righetti.us). The school will send most announcements through ParentSquare so please make sure to sign up.

Righetti High School's motto is "Greatness Starts Here!" The staff is committed to helping each of our students find their Greatness. This can come in many forms and the more a student is involved in activities here at school, the better they tend to perform academically. Clubs, sports, performing arts, and student government are some ways to get more engaged in school. We also look forward to building a partnership with our parents and have multiple ways for you to get involved in the school. The PTSA and School Site Council need parent volunteers. Please be on the lookout for communication regarding membership soon.

With Warrior Pride,

Ted Lyon, Jr.
Principal

PARENT INVOLVEMENT POLICY/TITLE 1

Each school and LEA shall provide full opportunities for the participation of parents with limited English proficiency, parents with disabilities, and parents of migratory students including providing information and school reports required under Section 6311 in a format and, to the extent practicable, in a language such parents understand. (20 U.S.C. § 6318 (f).)

To ensure that parents/guardians are consulted and participate in the planning, design, implementation, and evaluation of Title I programs, each school receiving Title I assistance shall:

1. Invite all parents/guardians of eligible children to attend an annual meeting to inform them about the school's participation in Title I and their right to be involved.
2. Offer additional meetings for parents/guardians at convenient times, for which related transportation, childcare and/or home visits may be provided.
3. Involve parents/guardians in an organized, ongoing, and timely way in the planning, review, and improvement of Title I programs and parental involvement policies.

Provide the parents/guardians of participating students all of the following:

1. Timely information about Title I programs.
2. School performance profiles and individual student assessment results, with an interpretation of these results.
3. A description and explanation of the school curriculum, forms of assessment used to measure student progress, and expected proficiency levels

5. Timely responses to the suggestions of parents/guardians.
6. Submit to the Superintendent or designee any negative comments by parents/guardians related to school-wide programs.

Jointly develop with the parents/guardians of participating students a school-parent compact that outlines how parents/guardians, staff and students will work as partners and share responsibility for improved student achievement. This compact shall describe:

1. The school's responsibility for high-quality curriculum, instruction, and learning environment.
2. Parental responsibilities for supporting their children's learning, such as monitoring attendance and homework completion, volunteering in the classroom and participating in decisions related to their children's education and use of extracurricular time.

Also help them understand how to participate in decisions related to their children's education, monitor student progress and work with educators to improve their children's performance.

Provide materials and training that will help parents work with their children to improve their achievement.

Educate teachers, principals, and other staff in the value of parental involvement and ways to reach and work with parents/guardians as equal partners.

As far as feasible, coordinate and integrate parental involvement programs and activities with other programs.

Encourage community-based organizations and businesses to participate in parental involvement activities and work with parents/guardians and the schools.

Conduct other activities as feasible to help parents/guardians learn about child rearing issues.

As far as possible, provide full opportunities for the participation of parents with limited English proficiency or with disabilities, and provide program-related information and school profiles in the language used in the home.

Provide reasonable support for parental involvement activities as requested by parents/guardians.

At least one percent of the Title I funds received by the district shall be used for parental involvement activities. The parents/guardians of children receiving Title I services shall be involved in deciding how these funds are allotted. [20 U.S.C. 6319, BP/AR 6171]]

5. Arrange meetings at various times to maximize parental participation opportunities.
6. Arrange for teachers and other educators who work directly with participating children to conduct in-home conferences with parents/guardians unable to attend school conferences.

GRADING APPEAL PROCESS

Students/parents have the right to appeal grades for academics, citizenship, or attendance records. This may be done first to the classroom teacher within 2 weeks for academics or attendance. If not satisfied, he/she may ask to meet with the assistant principal. Until the appeal is decided, a student who has lost privileges may not participate in extra-curricular activities.

INCOMPLETE GRADE

An incomplete is given only when a student's work is not finished because of illness or other excused absence. If not made up within six weeks, the incomplete will become an F.

ATTENDANCE INFORMATION

REPORTING AND CLEARING OF ABSENCES

Parents or guardians are responsible for the enrollment and regular attendance of their children. Student attendance has a financial impact on the quality of education the school is able to provide. Students need to understand that school is their number one priority.

When notifying the school of your student's absence, please ensure you include the following when you call-in, email, or send a note to the school: Student's First Name, Last Name, Grade; ID Number; date and reason for absence, parent/guardian name and relationship to student; and a phone number where you can be reached in case of questions or follow-up.

Except for an unforeseen emergency, reporting and clearing of absences will generally be a two-step process.

Step 1:

Parents should notify the school the day that their student will not be attending school. Parents will be allowed to report absences via email (ERHS-Attendance@smjuhsd.org), note or phone call by accessing the attendance line providing the information as required.

Step 2:

The timeline for verifying and clearing absences will be the day their student returns to school or no more than 2 days after returning to school. Parents will be allowed to verify and clear absences by submitting a written note or via email, phone call by accessing the attendance line, attendance email address or submitting the website attendance form.

Please note: Students who have excessive excused absences will NO LONGER be allowed to submit via email or phone call. They will be required to submit a written verification (a note). Per district policy, upon 14 or more days of *excused* absences, we request that any future absences for illness be verified by a physician.

After 2 school days, the unverified absence will turn into a cut and remain unexcused per the California Ed Code.

If your student is out 3 days or more, you may be required to bring a doctor's note to excuse the absence.

If a student needs to leave campus during the school day, they must check out of the attendance office or health office **with the prior approval of their parent**. Absences will not be cleared for students leaving campus without checking out or having parents sign them out.

If a student will be absent from school for more than 3 days due to reasons other than illness, parents should contact the Assistant Principal. There is an Extended Absence Notification Form for parents to fill out to give teachers prior notice of absence. Make-up work is allowed at the teacher's discretion.

Acceptable reasons for missing school per the California Education Code are Illness, Funeral of a Family Member, Medical/Dental **verified** absence, Court Appearance and Religious Holiday (up to 4 hours per semester).

MEDICAL AND FAMILY EMERGENCY MESSAGES WILL BE TAKEN ONLY FROM THE PARENT OR LEGAL GUARDIAN.

Tardy/Unexcused Absence

A student is tardy if he/she is not in the room when the bell rings. It is the **teacher's prerogative** as to whether the student must be in their seat when the bell rings

Students arriving in class without proper P.E. attire may be issued a loaner uniform for that day. A refusal by any student to wear the loaner uniform will result in a non-participation for that day. Students who accumulate 12 or more non-participation days may fail. Non-participation days include non-suits, unexcused absences (cuts may not be made up) and refusal to participate in the daily activity. Legitimate reasons (illness, injury or other health problems) for excusing non-participation in P.E. will be accepted for a maximum of three days with a note from the parent. Excuses for a longer period will require a doctor's note. A STUDENT WITH A DOCTOR'S NOTE MUST DRESS OUT but will not be required to participate (unless otherwise directed by a doctor).

PE MEDICAL EXCUSE PROTOCOL

The following protocol will be used to manage students who are medically excused from PE by a doctor's note. The doctor's note should be specific with the physical limitations of the students and provide activities that students can physically perform. This will allow the PE teachers to make modifications for the students. Students are required to participate within their physical education courses for at least 400 minutes for each 10 schooldays (EC Section 51222[a]). Students who are medically excused from PE will be handled in the following ways:

1. Medically excused for 1-5 days: Students will be able to physically participate with modifications. Students will have to make-up physical work that they were not able to complete during the medically excused time period. Failure to make-up physical work will result in lowering the student's grade. Students are to dress for PE class, with modifications if necessary.
2. Medically excused for 1-4 weeks: Students will be able to physically participate in modifications. Students will have to make-up physical work that they were not able to complete during the medically excused time period. Failure to make-up physical work will result in lowering the student's grade. It is at the discretion of the teacher to give "CR/NC" (Credit/No Credit) instead of a letter grade during this time period. Students

will have to complete physical make-up work to receive a letter grade. Students are to dress for PE class, with modifications if necessary.

3. Medically excused for 4+ weeks: Students will be able to physically participate with modifications. Students will receive "CR/NC" (Credit/No Credit) instead of a letter grade for the semester. Students are to dress for PE class, with modifications if necessary.
4. If students cannot physically participate with modifications per doctor's note, they will be referred to the California Education Code 51241 for temporary exemption. Thus, students will have to complete the PE course during another semester.

EC Section 51241 states:

Temporary Exemption:

"The governing board of a school district or the office of the county superintendent of schools of a county may grant a temporary exemption to a pupil from courses in physical education, if the pupil is one of the following:

- o Ill or injured and a modified program to meet the needs of the pupil cannot be provided.
- o Enrolled for one-half, or less, of the work normally required of full-time pupils" (EC Section 51241[a][1][2]).

SUPPORT SERVICES/RESOURCES

ASB Office

Anything financial is to be turned in to the Business Office **ONLY** and the student will be issued a receipt at that time. Collection of any monies in the classroom is not permitted. Because bar codes record all transactions, students must have current *ID cards to conduct business in the Business Office*. For safety and business reasons, students should carry these cards with them each day. All transactions from May 1st through the end of the school year handled by the Business Office will be on a **cash only basis**. This applies to all fundraisers, textbooks and library charges, yearbooks, and all student body and senior activities.

AVID Program

Advancement Via Individual Determination (AVID) is a nationally recognized program to prepare students to meet the requirements for admission to 4-year colleges and universities. Students take a rigorous college preparatory schedule and are provided with academic instruction, tutoring and support services (college trips, SAT preparation, coping skills, career awareness, college application information, and financial aid). Students who are selected participate in AVID all four years of high school.

EAOP

The Early Academic Outreach Program (EAOP) was established in 1976 by the University of California (UC) to increase the number of students from underserved schools and communities who have the opportunity to achieve a college education. EAOP helps students at underserved

schools prepare for college and the work force, complete all UC and California State University (CSU) admissions requirements, and apply for college and financial aid. EAOP also guides families by showing them how to navigate complex college preparation, college application, and financial aid processes. Students can see the EAOP Coordinator in the College & Career Center for more information.

Booster Club

The Righetti High School Booster Club supports all athletic teams. Persons interested in more information should visit the Booster website at [www. http://rhsboosterclub.info/default.aspx](http://rhsboosterclub.info/default.aspx).

Cafeteria Meal Program

Our district participates in the National School Lunch Program and the School Breakfast Program **which provides breakfast and lunch daily at no cost to enrolled students**. Daily offerings include a variety of fresh, made-to-order, seasonal, and ethnically diverse cuisine. Menus include fresh salads, homemade sandwiches, pizza, daily specials, and favorites such as burgers and fries. We collaborate with local businesses and farmers to provide fresh baked goods and seasonal produce.

Although families do not need to submit an application to receive meals at no cost, we are requesting that they complete a Household Income Data Survey no later than October 31st each year. This survey will ensure that high school student have access to all eligible resources, including waivers for college admissions test and applications, discounts on home internet, and it generates additional State and Federal funding to support supplemental education programs and services. Please contact the Community Liaison at (805) 937-2051 X2751.

To complete this annual survey, please [click this link](#) which is also located on the district and high school websites. Surveys are also available at each school site's community liaisons' office and at the District Support Services Center. Students that are registered as Migrant, Homeless or that receive services through CalFresh, CalWorks, or FDPIR DO NOT NEED TO COMPLETE the survey.

Our Foods Services Department maintains strict compliance with the Policy of the SB 19 Bill that mandates nutritional standards for our students' meals. The District's Wellness Policy is available for viewing on this website under the Board Policies, BP 5030.

Health Office

All students starting 7th through 12th grades will need proof of an adolescent whooping cough booster shot (Tdap) given on or after the 10th birthday before starting school in August. By law, students who do not have proof of receiving a Tdap booster shot will not be able to start school until proof is provided.

The Health Office is open from 8:00 a.m. to 4:00 p.m. Our registered nurse, health technician, and LVN assist students or staff who become ill or are injured during the school day. The personnel in the health office will contact parents of a student regarding any health issues, will oversee students who take prescription medication, and will coordinate care with other medical professionals and staff.

By law, all prescription and non-prescription medication must be left with the Health Technician. Students are to report to the Health Office to take prescribed doses. **A District Medical Release form must be filled out by a physician and the parent/guardian before medication is taken unless indicated otherwise by the prescribing physician.** These forms may be obtained in the Health Office and must be updated once a year. The medication must be in the original labeled container and accompany the form to be stored and dispensed in the Health Office. Medication taken during the school day is given by the Health Technician, or other designated school personnel, under the supervision of the School Nurse. It is the student's responsibility to come to the Health Office to take their medication. Some students may carry emergency medications (i.e., insulin, glucagon, Epi-pen, and inhalers) with approval of the parents, physician, and School Nurse. All medications must be taken home at the end of the school year. Please direct any questions to the Health Technician or School Nurse.

What to do when a student is ill and needs to go home during the school day.

Students must report to the Health Office when they need to go home because of illness. Students are not to contact their parents to pick them up before reporting to the Health Office. The student must obtain a hall pass from their teacher before they will be admitted to the Health Office. Contact will be made with the parent or guardian. When permission is obtained from the parent or guardian for the student to leave campus, a pass will be given to leave school. ***The student will be allowed to leave ONLY with permission from the people listed on the student's Emergency Card. It is imperative that you have an updated emergency card on file and you list a trusted relative or friend, in the event we are not able to reach you during a medical situation.***

What if it's necessary for a student to leave campus for a medical appointment?

When it is necessary for a student to leave campus for medical or dental appointments, they must first check out through the Attendance Office. The parent or guardian may call the Attendance Office in advance for medical or dental appointments. Students may bring in notes from their parents.

All students in 10th grade, and students with Triennial IEP's, will have a vision and hearing screening. If the student does not have vision insurance for follow-up care, the school nurse may be able to help obtain vision care and glasses.

The CHC clinic on the Santa Maria High School campus is open to all students in our district. Siblings of our students, who are 12 and over can also be seen. The clinic will accept Medi-Cal, Healthy Families and private insurance, with no co-pay charged. Free medical care will be provided for students who do not have any insurance.

The Center offers individual counseling sessions with trained professionals who can offer coping strategies and techniques tailored to each student's needs. Additionally, the wellness center often organizes workshops or support groups focused specifically on anxiety and stress reduction as well as various topics, providing students with a supportive environment to learn and practice relaxation techniques, mindfulness exercises, and other stress-relief methods. Our goal is to provide the necessary resources for the student to succeed in and out of the classroom. You can contact Wellness Center staff at extensions 2625 and 2622.

Locker Information

Unfortunately, we do not have lockers for every student. Not every student will receive a locker. Students may sign up for a locker in the library.

Students that are issued lockers must provide their own lock. We recommend anti-shim locks. Abuse of lockers may result in loss of the locker. Do not keep valuables in your locker. Students are responsible for all books and school property issued to them.

Students must empty all locker contents at the end of each school year and take their lock home. All locker contents remaining after the last day of school will be discarded. **All lockers are subject to search.** Lockers are the property of the school. The student assigned to a locker should be the only student using that locker. If other students have access to a locker, the chances of theft are increased. Do not keep valuables in your locker (money, cameras, candy sales, school tablets etc.). Students are reminded that they are responsible for books and tablets issued to them. If a book or

tablet is stolen, the student to whom the book was issued will be responsible for paying for that item. If a stolen book is found later, the student will receive a refund. Please call the library at extension 2250 if you have any questions regarding library books.

SCHOOL SAFETY

STUDENTS OUT OF CLASS

Students sent out of class for any reason must have a school pass visibly displayed. **No students will be allowed out of class without a pass and identification.**

- Freedom from discrimination on the basis of race, color, religion, sex, national origin, ancestry, physical or mental handicap, age or medical condition in the education programs, activities or admission policies or their schools.
- Due process rights will be afforded to all students facing disciplinary action including suspension expulsion or removal from a class.

STUDENT RESPONSIBILITIES

Respect, cooperation, and responsibility are the basics of a successful program for your high school career. No one can give you an education, only an opportunity. So, take your responsibilities seriously, for your school's sake and your own.

Students in the District have the responsibility to:

- Protect the rights of others to study and to work.
- Attend classes daily unless legally excused.

- Be on time for all classes.

CHEATING POLICY

We expect the highest level of academic integrity from our students. Cheating is dishonest, immoral and unethical, and will not be condoned nor tolerated at Righetti High School. Many behaviors may be categorized as cheating. They include, but are not limited to, plagiarism, copying another's test or assignment, allowing another student to copy your work, selling exams, altering grades, taking pictures of tests, posting quiz or test information on social media, etc.

The following actions will be taken when a student cheats:

1st Offense:

- Student receives a zero on assignment.
- Teacher contacts parent
- Teacher refers student to counselor

2nd Offense:

- Teacher contacts parent
- Discipline Referral
- One day ISI (In-School-Intervention) (On-campus suspension)
- Referral to counselor

3rd Offense:

- 3 -5 Day Suspension

NO LITTER POLICY

Students are required to dispose of all litter in trash cans provided on campus. After breakfast, snack, or lunch breaks, each student is responsible for cleaning up his or her eating area, including tables, walkways, or other facilities used. Any teacher, staff member, or administrator may assign a detention to a student who litters or does not clean up the area where they have eaten. Students asked by school personnel to pick up their trash are required to do so without protest. Students found littering on school campus may face on-campus suspension, and/or school community service with progressive discipline action if repeated offenses occur.

ELECTRONICS POLICY

Electronic devices as defined in the Parent/Student Handbook (E.C.48900 (k), Major Discipline Policy) have proven to be a major disruption on the Righetti High School campus. Their use at school may be detrimental to the academic climate because they take away valuable instructional time and create disciplinary problems. Electronic devices are used to cheat on quizzes and tests by storing data in memory, text messaging and camera usage. Additionally, a substantial amount of time is spent by teachers, security, and administrators investigating lost or stolen electronic devices. Therefore, Righetti High School has established the following declarations and rules regarding their use on campus.

Righetti High School is not responsible for lost, stolen or broken electronic devices.

All electronic devices (including any and all accessories) brought to school must be turned off and put away during class time. All electronic devices that are used for any reason or are visible during the restricted time may be confiscated from the student. Once confiscated the following consequences will be imposed in accordance with the Major Discipline Policy Matrix in the District Parent Handbook E.C. 48900(k) Electronic Devices.

The Electronics Policy will be discussed with your student on multiple occasions to avoid any problems or misunderstanding. The Electronic device may not be available for pick up until the end of the school day. If a student needs to be contacted during class time, you may leave a message in the office. If the message is urgent, it will be immediately delivered to the student.

CELL PHONE POLICY

District Board Policy 5131 provides that students are prohibited from using a cell phone, smart watch, pager, or other mobile communication device during instructional time or in an unauthorized manner in violation of District policy.

There is a new law that provides specific instances where a student must be allowed to possess their phone regardless of the district's policy. In the case of an emergency, or in a response to a perceived threat of danger. (Ed. Code 48901. (b)).

We recommend the confiscation only occur for the duration of the class period where the phone disrupted the learning environment.

DRESS CODE POLICY

The dress code complies with District and State policies and applies to all school activities. These policies require that student attire be neat, clean, and non-disruptive. Interpretation of this policy rests with the individual classroom instructor, site administrators or any staff member while students are on campus.

Requirements apply to all students, as provided in the Education Code and/or District Policy. They are:

1. No attire including clothing, jewelry, hats or personal items:

- may promote or advertise drugs, alcohol, or tobacco use.
- depict obscenity or lewdness.
- be inflammatory with regard to race, religion or heritage.
- may promote gang affiliation.

2. Feet must be covered, minimally, providing protection to the bottom of the foot.

3. The torso front and back must be covered. Clothes must always conceal undergarments. Skirts or

shorts that do not have appropriate coverage to conceal private areas (front & back) are prohibited.

Students who are not in compliance with this dress code will:

1. be referred to an assistant principal.
2. have their parents contacted by the school.
3. not be permitted to return to class until the dress code infraction is corrected.

Repeated non-compliance may result in on-or off-campus suspension.

Due to law enforcement identification of student use of hat wear to indicate affiliation with particular gangs, the District is restricting the use of sun-protective clothing worn during regular school activities on the head to school-logoed caps or all-black caps without a school logo. Students may purchase a school-logoed cap or an all-black cap; students who cannot afford to pay for the cap may request a waiver of the payment. Each school in the District will implement this policy, and language regarding the same shall be included in the parent/guardian handbook and annual notification. Students who cannot wear the cap for religious observance and/or disability accommodation should consult with school officials for accommodations.

Please do not wear a hat that is not a Righetti logo hat or all-black cap without a school logo. If you do, you will be asked to remove the cap/hat and put the cap/hat in your backpack and not wear it on campus. If a student refuses to remove his/her cap/hat that student will be brought to the AP's office

and parents contacted. Thank you in advance for your cooperation and I look forward to the start of the new school year.
