WES Pumpkin Painting Party

Thanks to the generous donation of pumpkins from Newmont Farm, Westshire ATB students met with WES Preschool Afterschoolers for an afternoon of paint, fun, and collaboration.

SME Field Trip Farm Adventure

We were hoping for clear skies but got a day full of rain instead. Did that stop our adventure seekers from having a blast? NO! Students saw a fall harvest, got lost in the corn maze (but emerged alive on the other side), and picked pumpkins to bring home.
