\*Denotes that these sections are read **ONLY by students** due to the construct, validity, and measurement of the test. Exception: Read Aloud accommodation.

According to [Public Chapter 978](#) passed by the Tennessee 112<sup>th</sup> General Assembly, if requested by a parent or student, a test administrator (TA) may allow a student an additional optional time period (calculated above), to ensure students are able to finish the assessments completely. The required times posted above represent testing time appropriate for 95% of students. TAs may add the optional additional time, up to the amount listed in parenthesis, as requested while adhering to all test security measures and test procedures. Additional optional requested time allowed by PC978 does not supersede a Local Education Agency (LEA) or public charter school's obligation to comply with the federal Individuals with Disabilities Education Act (20 U.S.C. § 1400 et seq.), or Section 504 of the Rehabilitation Act (29 U.S.C. § 794). Additional time requested, therefore, **should NOT** take the place of extra time accommodations outlined in a student's individual educational plan (IEP), individual learning plan (ILP), and/or Section 504 plan.
