I hereby certify that the information is true and correct and understand that providing false information will be interpreted as intentional fraud. I also understand that while School Board Policy JBCDDD governs the transfer of employees' children within the district, the policy does not govern the eligibility of students seeking to participate in interscholastic athletic competitions. The Mississippi High School Activities Association sets all eligibility requirements for students participating in interscholastic athletic competitions in all middle school and high school activities/athletics. All eligibility questions should be directed to Mr. Anthony Jenkins at (662) 429-5271.
