Reflection: Based on progress toward the goal, how will this impact your action plan for the coming years?

Cumberland County Schools has shown steady gains over the past few years. We remain committed to implementing strategies that will continue to raise our CCR percentage and ensure that students are well-prepared for both postsecondary education and future careers.

Looking ahead, Cumberland County Schools remains committed to expanding early postsecondary opportunities for students. As statewide dual credit options are phased out, the district will continue to implement innovative strategies and create new pathways that enable students to gain early post-secondary opportunities, preparing them for success beyond graduation.
