

## Verndale School District Student and Employee Health Screening Form

The Verndale School District is asking parents/guardians to screen their child before sending them to school. Employees are asked to do the same before reporting to work.

Students and employees should stay home if they have **any** of the following symptoms:

- Fever or Feeling Feverish
- Chills
- Cough
- Shortness of Breath
- Sore Throat
- Muscle Aches
- Loss of Smell or Taste

Parents/guardians are encouraged to contact their child's healthcare provider if Covid-19 symptoms are present. Please contact the school to report your child's symptoms and absence from school.

Employees should contact their healthcare provider if Covid-19 symptoms are present and their supervisor to report their absence.
