Dear ISBE Waiver committee,

The Liberty School Board met on June 19, 2019, at 6:30 p.m. for a regular school board meeting and held a public hearing for the Nonresident Tuition Waiver. During the hearing there were four visitors (Morgan Thorsen, Devon Funk, Keigan Kivett, and Meghan Getz) who were present to give a presentation after the hearing. However, none of them had any questions or comments during the hearing. So, the number of people speaking was zero, other than me reading the narrative, which was included in the Waiver Application dated 7-1-19. The narrative was the only written comments made. School board members did not make comments either. Once the hearing was closed, the school board voted during the Discussion and Action part of the school board meeting to approve applying for the waiver.

I hope this has thoroughly covers the testimony needed for this waiver. Thank you!

Sincerely,

Kelle S. Bunch, Ed. D.

Superintendent
