

This Christmas Season the HSA is asking you to share your

# MERRY MISCHIEF

Get in the Christmas spirit with the SJRCS community!

Many of us have a mischievous elf or elves from the North Pole who show up for the holidays. We would like you to take a picture of yourself with 1 or 2 crazy things your elf does this holiday season or if you don't have an elf or have outgrown your elf, take a photo in your craziest ugly Christmas sweater or clothing and share. Anything goes as long as it isn't inappropriate.

Send your photo to [HSA@sjrcs.org](mailto:HSA@sjrcs.org) and we'll compile them into a fun video to share so you can see all the "Merry Mischief" happening in the SJRCS community!

Email your photo by **Monday, December 13th** to be included. Photos/video will be posted to YouTube for viewing, and may be shared via SJRCS social media (no names will be included), so submission of a photo represents your agreement to have your picture included/posted/shared.

We can't wait to see what "Merry Mischief" comes your way!
