

May ISD Online Student Registration 2022-2023

CHOOSE the DOCUMENT below that applies to your situation, and keep as a reference while registering your child online.

Good news! May ISD has added the ability to complete student registrations online, both new and existing students. This process will allow us to reduce the abundance of paperwork sent home with your child the first week of school. Names, addresses and other personal information will be filled in automatically for all existing students, decreasing the time required to complete these required forms. Please make any changes to phone numbers or addresses while you are registering. This will ensure that we have correct contact information for each student.

Please note that the Athletic Code of Conduct and the Drug Testing Policy will continue to be sent home in paper form.

Students NEW to the district: [Follow this link for instructions to register a student new to the district.](#)

** Students new to the district can either UPLOAD these documents online or bring the following items the week of August 8, 2022 to complete registration:

- birth certificate
- immunization records
- student's social security card
- parent's driver license
- Proof of residence (utility bill in parent's name with an in-district address)
- last report card

May ISD Online Student Registration 2022-2023

Returning Students

To register online, simply go to the May ISD website, click on "**2022-2023 Student Registration**", and sign in to your [parent portal account](#). If you are a returning student and do not have a parent portal account for your student, please email Mrs. Musick at cylinda.musick@mayisd.org (for elementary) and/or Mrs. Kilgo at michelle.kilgo@mayisd.org (for JH and HS).

Once you are logged in, begin registration. If you can see your child's name, but the "Begin Registration" button isn't there, it means that you've used another email to create the account instead of the email we have on file. Please contact your students campus and we can get it corrected for you.
