

# CAMP BOK

6TH GRADE - AUGUST 15TH & 16TH, 2023

## Making Memories of a Lifetime

Camp Bok is committed to creating a safe, trusting environment for students within the first few weeks of 6th grade to set the climate and culture for middle school and beyond. To help create this, students will stay at beautiful Lake Aurora Christian Camp and Retreat Center in Lake Wales for two days and one night.

Camp Bok focuses on team and community building, individual growth, and community service. The ultimate goal is for students to leave feeling closer to their peers and Bok staff. We want them to feel more confident as individuals, knowing we are our brother's keeper and a vital part of the Bok whole.

## Creating a Tradition, Leaving a Legacy

Since its inception, Bok Academy has very much taught her students to live by the Bok Family Legacy,

**"Make the world a bit better and more beautiful because you have lived in it."**

When students are part of a safe, trusting community, it is amazing to see this legacy come alive in each and every individual.

**GAMES** teach students excellent concentration skills and patience with themselves and others.

**SWIMMING** allows students to try new activities, interact with other students and enjoy the outdoors.

**TEAM BUILDING** activities provide children with an opportunity to learn for themselves and from each other.
