★ SUPPORTING YOUR STUDENT AT HOME

We have started our Accelerated Reader journey! This is an optional activity for students to do at school, but it is preparing them for AR for 2nd grade (when it will be mandatory). Students will listen to a story being read to them and will take a test on the computer using a code I provide. If they have read at home with you and would like to take a test, let me know and I'll provide the code for them!
