The Board offers public participation to members of the public in accordance with the procedures below. The Board applies these procedures to all speakers and does not discriminate based on the identity of the speaker, the content of the speech, or the viewpoint of the speaker.

The Board is also committed to conducting its meetings in a productive and efficient manner that assures that the regular agenda of the Board is completed in a reasonable period of time, honors the voluntary nature of the Board's time and using that time efficiently, and allows for a fair and adequate opportunity for input to be considered. Consequently, public participation at Board meetings will be governed by this bylaw.

In order to permit the fair and orderly expression of such comment, the Board shall provide a period for public participation at every regular meeting of the Board and publish rules to govern such participation in Board meetings.

The presiding officer of each Board meeting at which public participation is permitted shall administer the rules of the Board for its conduct.
