Children's
Hospital

Parents/Guardians: If your child becomes sick or injured while at school, they're in good hands. Our school nurses are partnering with East Tennessee Children's Hospital to bring Telehealth services to our students. If needed, Telehealth lets your child connect remotely to an East Tennessee Children's Hospital pediatrician for a quick diagnosis and recommended treatment. We'll keep you advised every step of the way. Sign your kids up for the new school year at: www.etch.com/schooltelehealth
