FY 24 Foster Care Transportation Plan

The Georgia Department of Education (GaDOE) is required to ensure the educational stability of children in foster care. (ESEA section 1111(g)(1)(E)). In coordination with state and tribal child welfare agencies, the GaDOE must ensure that its LEAs implement the Title I educational stability requirements for children in foster care, including ensuring that:

- A child in foster care remains in his or her school of origin, unless it is determined that remaining in the school of origin is not in that child's best interest;
- If it is not in the child's best interest to stay in his or her school of origin, the child is immediately enrolled in the new school even if the child is unable to produce records normally required for enrollment; and,
- That the new (enrolling) school immediately contacts the school of origin to obtain relevant academic and other records. (ESEA section 1111(g)(1)(E)(i)-(iii)). In fulfilling this role, the SEA should coordinate with the state or tribal child welfare agency to develop and disseminate uniform guidelines for implementing the Title I educational stability provisions. Developing uniform statewide policies and procedures for ensuring educational stability for children in foster care, as many States have already done under the Fostering Connections Act, will facilitate successful implementation at the local level. This is particularly important given the shared agency responsibility for educational stability under Title I and the Fostering Connections Act, and because a single LEA or local child welfare agency will likely have to collaborate with multiple partner agencies in implementing these provisions.

Additionally, the SEA must conduct regular monitoring and oversight to guarantee appropriate implementation of these provisions at the local level. (See 2 C.F.R. §§ 200.331(d), 200.328(a); 34 C.F.R. § 76.770).

On the state level, the Georgia Department of Human Services (DHS), which houses the Division of Family and Children Services (DFCS) periodically sends a list of children in foster care that are flagged in the GaDOE's student information system for information sharing and reporting purposes. On the local level, LEAs are now able to retrieve a list of children in foster care to better identify and provide services. LEAs are to continue collaborating with their local child welfare agencies and may periodically receive information directly from foster parents, Court Appointed Special Advocates (CASA), DFCS case workers, or Education Support Monitors (ESM), within the Educational Programming, Assessment and Consultation (EPAC) unit of DFCS. Once identified, LEAs must implement its plan to ensure educational stability for children in care. For the best interest of the children in care, LEAs should follow all mandated regulations under FERPA and keep the status of these children confidential.

As a result, the GaDOE is requiring all LEAs, including virtual schools and charter schools that function as an LEA, to complete a Foster Care Transportation Plan. The plan should be completed in addition to the development and implementation of written transportation procedures and the identification of a Foster Care Point of Contact. Please complete this plan and return it by:

NOTE: *In order to answer the questions below, refer to the Non-Regulatory Guidance: Ensuring Educational Stability for Children in Foster Care.*

I. Foster Care Transportation Plan: PLANNING
<p>A. The LEA's role is to have a transportation plan in place for children in foster care to their school of origin. Describe your plan to:</p> <ol style="list-style-type: none"> 1. Coordinate transportation with the local child welfare agency. 2. Implement steps to be taken if additional costs are incurred. 3. Execute the local dispute resolution process. <p>Include the roles of key players (e.g. LEA Foster Care Point of Contact, LEA Superintendent, LEA Federal Program Director, EPAC Unit Education Support Monitor, Case Worker, Court Appointed Special Advocate, Juvenile Court representative, etc.) <i>Please limit the response to 1,000 characters.</i></p> <p>Real time coordination will occur between Case Managers (CM), Division of Family and Children Services Point of Contact (DFCS POC), Randolph County School System Point of Contact (RCSS POC), Foster Parents (FP), EPAC Unit Education Support Monitor (ESM), and Court Appointed Special Advocates (CASA) when applicable, regarding foster children entering and exiting care; changing placements; enrollment and withdrawal; and making best interest determinations. When transportation is an issue, those parties will collaborate to develop a transportation plan that meets the needs of the individual child.</p>
<p>B. What steps should an LEA and local child welfare agency take to ensure that transportation is provided immediately, even if they face difficulty reaching agreement on how to pay for additional transportation costs? <i>Please limit the response to 1,000 characters.</i></p> <ol style="list-style-type: none"> 1. RCSS will assume financial responsibility for costs incurred as the result of the re-routing of school busses while DFCS will assume financial responsibility for costs associated with reimbursing foster parents for travel or the cost of contracting with local transportation companies. 2. Initial transportation planning will occur at the lowest level between CM, DFCS POC, and RCSS POC. Foster Parents and CASA will be included when necessary. Disputes will be forwarded to the RCSS Title I Dir. and DFCS County Dir. for resolution. 3. Final determination of how to pay for additional transportation costs incurred due to the rerouting of RCSS buses will be made by the RCSS Superintendent, Title I Dir. and Transportation Dir.

Describe the point of contact's role and responsibilities. <i>Please limit the response to 1,000 characters.</i></p> <p>The RCSS Title I Director will serve as the Point of Contact and will be the person to collaborate/coordinate with local DFCS. The POC will assume responsibility for communication and collaboration with DFCS Case Managers and DFCS POCs. Such collaboration will ensure the smooth implementation of provisions outlined in ESSA to include: Thoughtful Best Interest Determinations; Appropriate and timely transportation plans for those children placed out of the zone of their school of origin; and, Immediate enrollment and records transfer.</p>
