

RESPONSIBILITIES OF STANDING COMMITTEES

Facilities:

1. The Facilities Committee will consult with the Director of Buildings & Grounds, Principal and School Board to develop goals and benchmarks using the Facilities Master Plan.
2. Recommend special projects to the School Board.
3. Recommend new construction or major renovations.
4. Periodically inspect buildings and grounds with the Principal and/or Director of Buildings & Grounds, advise the Board of upcoming needs or problems and make recommendations to the Board before implementing any repairs.

Negotiations:

1. Negotiate with certified bargaining units and make recommendations concerning salaries, fringe benefits and working conditions to the full Board.
2. Review administrative recommendations for non-union professional staff and support staff salaries, fringe benefits and working conditions.

Policy:

1. Review and recommend changes, deletions or new policies and regulations as needed by the School District.

Transportation:

1. Review bus routes and recommend major changes.
2. Negotiate contracts with transportation contractors.

Budget:

1. Attend the Budget meetings as a School Board representative to the Budget Committee.

NHSBA:

1. Attend the Annual Delegate Assembly and update the Board regarding legislative decisions.
