# A message from Nurse Knight

Tammara.Knight@lhusd.org

854-5350

I will not be giving any over-the-counter medication after 2:00 pm due to overmedicating students.

Students should not be carrying any type of medication. If it is necessary for your child to take medication during school hours please observe the following:

### Prescription Medications

- The medication must be given to the health office in the prescription container. It will be stored in the health office
- Students may carry inhalers or epi-pens as prescribed with appropriate documentation, including the doctor's order.  
The official school [medication form](#) (from the health office) must be completed and signed by a parent.

### Over-the-Counter Medications

- The medication must be given to the health office in the original, properly labeled container. It will be stored in the health office. Students may not carry medications.

The official school [medication form](#) (from the health office) must be completed and signed by a parent.

## Sick Guidelines-When to keep your student home

### **School policy requests a child stay home if he/she:**

- Has a fever of 100.4 degrees or higher. Keep your child home until his/her fever has been gone for 24 hours without medication.
- Has been vomiting or has diarrhea. Keep your child home 12-24 hours after the last vomiting or diarrhea episode.
- Has symptoms that keep him/her from participating in school, such as:
  - ◇ Very tired or lacks appetite
  - ◇ Cough that he/she cannot control
  - ◇ Moderate to severe headache, body aches, or

earache.

- ◇ Sore throat-a minor sore throat is ok for school, but a severe sore throat could be strep throat, even if there is no fever.

### Injuries

Students with apparent injuries, such as splints, casts, crutches, etc..., need to present a note from the parent or doctor to the health office that specifies:

- \* The nature of the injury
- \* What accommodations will be needed
- \* When accommodations will no longer be needed

Injuries at home, during sports activities, or over the weekend must be addressed and dealt with by your care provider outside of school. The Health Office is not urgent care nor a doctor's office.

On a happy note, thank you, parents, for completing your child's immunizations and turning them in. A way to be proactive is to check with your pediatrician to see if shots are due.

Thank you for your understanding.

With Halloween quickly approaching, I wanted to send out this information regarding Rainbow Fentanyl and Methamphetamine

that is targeted at young Americans that looks like candy or sidewalk chalk.

Brightly-colored fentanyl is being seized in multiple forms, including pills, powder, and blocks that resembles sidewalk chalk. Despite claims that certain colors may be more potent than others, there is no indication through DEA's laboratory testing that this is the case. Every color, shape, and size of fentanyl should be considered extremely dangerous.

Fentanyl is a synthetic opioid that is 50 times more potent than heroin and 100 times more potent than morphine. Just two milligrams of fentanyl, which is equal to 10-15 grains of table salt, is considered a lethal dose. Without laboratory testing, there is no way to know how much fentanyl is concentrated in a pill or powder.

*Dea warns of brightly-colored fentanyl used to target young Americans.* DEA. (n.d.). Retrieved September 27, 2022, from <https://www.dea.gov/press-releases/2022/08/30/dea-warns-brightly-colored-fentanyl-used-target-young-americans>

FOR IMMEDIATE RELEASE

Date: September 23, 2022

Public Service Announcement / Methamphetamine "Candy"

The Lake Havasu City Police Department would like to make the community aware of a new drug that has arrived in Arizona. Methamphetamine, which comes in a pill form and resembles "sweet-tart" candy, has become the latest trend among drug traffickers.

These candy-like pills come in different shapes and sizes and have various imprints that make it harder to distinguish between candy and an illegal drug. This drug is known as "Candy" on the street. The United States Drug Enforcement Administration reports that counterfeit pills are easy to purchase and have become widely available through social media.

Parents are encouraged to educate their children on the dangers of drugs and the risks of taking any pill that is not properly dispensed by a licensed doctor or pharmacist.

If you would like more information about counterfeit pills or any other illegal drugs, please visit the DEA's website at <https://www.dea.gov> <[https://linkprotect.cudasvc.com/url?a=https%3a%2f%2fwww.dea.gov&c=E,1,FNYQAEY1kPgPdm9T1G5LnQ-2akWHgfKDVpH8ijAaCKGLjECGwueoauVEHsHTddQE33b9ll-W4etCs3HMwFa0CuHDA81G\\_-YRiBiEhzgcrOA.,&typo=1](https://linkprotect.cudasvc.com/url?a=https%3a%2f%2fwww.dea.gov&c=E,1,FNYQAEY1kPgPdm9T1G5LnQ-2akWHgfKDVpH8ijAaCKGLjECGwueoauVEHsHTddQE33b9ll-W4etCs3HMwFa0CuHDA81G_-YRiBiEhzgcrOA.,&typo=1)>.

### UPCOMING ACTIVITIES

**12th Grade Career Center Visits:** Seniors will be visiting the Career Center (September 26-30) to look over valuable resources that will assist them during this year.

- \*TRANSCRIPTS
- \* SCHOLARSHIPS
- \* FAFSA/FSA ID

Please be on the lookout for a letter from Mr. Becker, our Principal, as we approach the Career Center visits. The letter will be communicated via Blackboard Message.

### PAYING FOR POST SECONDARY INSTITUTION:

Seniors (and their parents) will want to complete the [FAFSA: Free Application for Federal Student Aid](#). Our goal is to assist those students/parents in the completion of the application and will offer time in the seniors' school day to address this.

**FAFSA lesson (seniors): October 3-4, throughout the day. On October 3rd, we will offer a Parent Workshop (6:00 p.m, LHHS Library) to assist in the completion of FAFSA.** More details about the lesson will be in the letter from Mr. Becker.

**11<sup>th</sup> Grade Career Center Visits:** Juniors will spent approximately 30 minutes (September 12-16) learning about the resources available in the Career Center. Learn more about our Career Center: [LHHS Career Center](#)

***Parents are always welcomed to visit the Career Center.***

**10<sup>th</sup> – 12<sup>th</sup> Grade ECAP Lessons: Throughout October, counselors will meet with all 10<sup>th</sup> – 12<sup>th</sup> grade students to review/update their ECAP (Education Career Action Plan) portfolio. This allows for planning of their high school graduation and post-secondary journey. Major Clarity is the platform utilized, students can log in to Major Clarity any time using their school Google account.**

**[www.majorclarity.com](http://www.majorclarity.com)**

**9<sup>th</sup> Grade: Counselors met with 9<sup>th</sup> graders via PE classes the end of August to review tips to have a successful freshman year. In the beginning of Semester 2, counselors will visit freshmen about their ECAP. Now, please talk to your freshman about:**

**\* Academic requirements handout**

**\* Clubs**

## **BE INVOLVED**

**Parents are encouraged to have a conversation with their children about high school, future plans, ECAP lessons, and Major Clarity. Future planning is critical to ensure that students meet graduation requirements, have knowledge about programs of study and are able to pursue their post-secondary goals. Your involvement is extremely important!**

### ***HOW IS MY CHILD DOING ACADEMICALLY?***

**SYNERGY: Students and parents should log into StudentVue/ParentVue on a regular basis. If you need assistance, contact or visit the Main Office.**
