New Business

1. Your beliefs about education
 - Kids can reach their highest potential- focusing on individual but reach their potential core commitments. All children can learn. Social needs need to be met in order to achieve academic needs. We are preparing them for the next phase of learning.
2. Our Vision and Mission Statement
 - Mission –Is to build a community of learners
 - Kids have an understanding
 - Vision – Is to be intellectually invincible
 - Kid friendly simplify

Build foundational skills, building character, simple kid friendly language.

3. Partnering with DPES to raise money for another wheel chair for the Sharks.
4. Drive and parking lot

Meet again in August
