

# Portage Area School District

## **Portage Area Elementary**

Mrs. Jennifer Pisarski, Principal  
Mrs. Kelly Mignogna, Assistant Principal

Dr. Todd Dishong  
Superintendent

## **Kindergarten Registration**

It is that time of year again when we try to locate all the children who are eligible to attend Kindergarten next fall. If you have, or know of, a neighbor, friend or relative who has a child eligible to attend Kindergarten next year, we would appreciate your help in sharing this information.

If your child will be **5 years of age on or before August 21, 2023, he or she will be eligible for admission to kindergarten.** For those interested in registering children in kindergarten for the 2023-2024 school year, registration appointments can be scheduled for March 28<sup>th</sup> – 30<sup>th</sup>. Appointments are available on these days between 8:00AM –12:00 PM and 12:30 PM – 3:30PM. Appointment times can be scheduled on the home page of the district's website by clicking on the [Kindergarten Registration Schedule link](#) or by calling the Elementary office at (814) 736-9636 ext. 1200.

Parents are asked to obtain and complete the registration documents before arriving at their appointment. Parents can print these enrollment documents from the district's website main page by clicking on the K-Registration Documents link. If you are unable to print the documents from the website, you can call the Elementary Office at (814) 736-9636 ext. 1200 and request a copy be mailed to you. **A copy of your child's birth certificate, immunization record and Driver's License (proof of residency) must be provided at your appointment.**

All registration appointments will be held on the 1<sup>st</sup> floor conference room of the Administration building. Parking will be available in the small parking lot on the front/right side of the Elementary School. Please look for the kindergarten registration signs.
