The following is a message from our PTO:

The Gibbstown PTO is officially in back-to-school mode and would like to welcome you to the 2024-2025 school year. We hope you & your students are having a great first week back!

The PTO Executive Board has had a busy summer behind the scenes brainstorming, planning and creating for our PTO community! We'll have a few new resources in our toolkit this year to help keep everyone in the know including a brand-new website, a new platform for tracking event signups and a new way to take donation payments online. You will receive more information about these things in the coming weeks (but you can check them out [HERE](#) if you don't want to wait!).

We've already had our first event of the year, a brand new "Popsicle & Playground Playdate" for our Pre-K & Kindergarten parents following their orientation to help welcome them into our community and allow them to network with other parents. This has been such an awesome jump-start for the year! The feedback we've gotten so far has been overwhelmingly positive and we can't wait to see what our new little Bulldogs accomplish.

We know September is a very busy month, but we would like to extend a warm invitation to you for our first general membership meeting on Wednesday, September 18th at the Broad & Maple event venue beginning at 7pm. It is completely free and pizza will be served. The complete details are attached to this email or you can RSVP to the public Facebook event [HERE](#). This is a great place to meet fellow parents, stay in the know about your child's education and help make decisions about what we aim to accomplish this year. Let your voice be heard!

We'd also like to encourage you to fill out a [new membership form](#) to help us stay organized and be more efficient in communicating with our community. We are very fortunate to have an active PTO in the Greenwich Twp School District that is supported by our school administration, but we can't do it without you, our volunteers! Even if you're not able to dedicate time to volunteer, by filling out your PTO membership form, you're showing that you care about what we do and would like to stay informed.

We're looking forward to an awesome year connecting with our community- please don't hesitate to reach out if we can support you in any way.
