## FINANCIAL ASSISTANCE

Educational equity has been central to Fuqua School's mission since its founding by Mr. J.B. Fuqua. Financial assistance is determined through a need-based application process using FACTS, a trusted third-party service (a processing fee applies).

Admission and financial assistance decisions are made separately, with awards released after FACTS verification. Assistance is limited and awarded on a first-come, first-served basis; families are encouraged to apply by March 1.

Fuqua School offers need-based financial assistance of 10%, 15%, or 20% for full-time students in grades PK3 through 12, with eligibility limited to households with an adjusted gross income of \$120,000 or less. Tuition ranges shown for the 2026–2027 school year reflect discounts from 20% to no discount.

## MULTI-CHILD DISCOUNT

Fuqua School offers a multi-child discount for families with two or more children enrolled. A \$500 discount is applied to the second child, a \$1,000 discount to the third child, and a \$2,000 discount to the fourth child.

Fuqua School admits students of any race, sex, ethnicity, religion, culture, nationality, family structure, sexual orientation, gender identity and socioeconomic background, to all the rights, privileges, programs, and activities generally accorded or made available to students at the school.
