TUITION PAYMENTS for St. Anne School

Tuition has been taken out since July. If you have committed to payment in full for a discount, it **MUST** be paid by Monday, August 28, 2023 otherwise the discount will be taken away.

Please be mindful and faithful to your tuition payments. This is how we keep the school running!

Hello to our wonderful families!

If you have checked out our Facebook page this morning you'll see that we are hard at work getting ready for your children to return to school. It is such an exciting time for us here at St. Anne. We have so many things going on.

We would like to thank the anonymous person who donated boxes of file dividers, we greatly appreciate your generosity. **Thank you!**

Middle schoolers who have not yet purchased tabbed dividers for their binders no longer need to. We will be supplying them to your children along with the bulk of their other school supplies.

As school is fast approaching please remember to read over the handbook which can be found on our school website. Incoming 6th graders, please pay close attention to the dress code for middle school, there are some changes for you.

Just a friendly reminder:

Boys, now is the time to get your haircuts scheduled. Your hair must be out of your eyes and may not touch the back of your shirt collar. You must also be clean shaven.

Girls, fake nails, hair wraps, and fairy hair must be removed.
All students must have their natural hair color.

Reminders will be given the first week of school; after that dress code violations will result in disciplinary action as per the handbook.

Please direct any dress code questions to the head teacher on your child's floor.

1st floor is Mrs. Abrams

2nd floor is Mrs. Blumetti

3rd floor is Mrs. Miklus

We're looking forward to seeing everyone again!
