

Summertime Learning

Summertime is great for getting outside and enjoying making memories with family and friends. It is also two months between the end of one school year and the beginning of your child's next great learning experience. In August, students sometimes struggle to recall some of the skills they learned the previous year due to what is known as "the summer slide." There are some opportunities for our students not to experience the summer slide in August. Grainger County Schools has purchased i-Ready(Online Reading Program) and Successmaker (Online Math Program) that students have used throughout the school year and will have access to during the summer. Utilizing each of these programs 15 minutes per day will help your child stay engaged in academics and give them plenty of time to enjoy the summer activities. Below you will find information on how to access each of these programs.

Student login information: Students will login with their Google Login information (first initial, last name, last two digits of their birth year@gcs123.net), student password.

Once students login to their Google Drive follow the instructions to login:

To access the i-Ready online Reading platform:

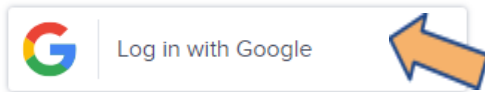

Click  in the left hand corner under the URL

In the Drop Down menu click on **CLEVER** from the drop down menu

Grainger Co School District

[Not your district?](#)

Click

Click on the student's email address, then click continue

Then students will click the i-Ready Icon

To access Successmaker:

Click the Waffle   in the right hand corner

Scroll down to the bottom and click

SAVVAS
EasyBridge

Click on

successmaker®

to access the Math Intervention
