COMMUNITY SPIRIT SHINES BRIGHT: SANTEE ELECTRIC COMPANY DONATES TOILETRIES AND DAILY PRODUCTS TO WCS D SCHOLARS

In a heartwarming display of community support, Santee Electric Company donated toiletry items and daily necessities to students in need, ensuring that students have the resources to focus on their education without the stress of basic life needs.

The generous donation includes a warm blanket, soap, toothpaste, shampoo, deodorant, and other essential items distributed to our McKinney-Vento and Multilingual scholars across the school district.

For many students, the pressure of balancing schoolwork, extracurricular activities, and daily life can be overwhelming. On top of this, many face challenges in accessing basic toiletries due to financial constraints. Santee Electric is one of our partners who recognized this gap and took swift action to provide relief.

This act of kindness also serves as an exemplary model of corporate social responsibility, showcasing how businesses can contribute to the welfare of their communities. The donation is going to make a significant impact and provide insight about community collaboration which can make all the difference in creating a brighter future for scholars and their families!
