

# Principal

# Spotlight

**Dr. Dana Brock  
Miller Elementary**

*Beginning June 2023*

## **What do you love about the school?**

I love to see the growth that students make academically, socially, and emotionally. I understand that we are the first school experience for students. Positive early childhood experiences are essential, and I am proud to be a pillar in that foundation.

## **What do you look forward to as the new principal of Miller?**

I look forward to building relationships with the students and watching them grow from when they enter our school at Pre-K and leave at the end of their fifth-grade year.

## **Tell us about the person who inspired you to become a leader?**

I am from a family of educators. My dad was a principal and my mom taught at Miller Elementary. They, along with some very positive mentors, inspired me to take risks and never stop learning.

## **Fun Fact**

I love the beach and my pool, but I can't swim!
