Lake Wales Charter Schools is soliciting responses to an Invitation to Negotiate for Aluminum fencing with gates around the academic building.

Carefully review this Invitation to Negotiate (ITN). The ITN provides specific technical information to aid participating companies in formulating a thorough response. Should you elect to participate, complete and submit your company's responses to **Tami LeBlanc** at tami.leblanc@lwcharterschools.com

For more information refer to "ITN information and instructions" below. Late or incomplete responses will not be accepted. The ITN session will close on 2/21/2025.

Respondents are fully responsible for obtaining the complete ITN and information concerning the ITN tabulation by visiting our website: www.lwcharterschools.com

After the posting of the award, respondents can view the ITN files by contacting **Tami LeBlanc** (tami.leblanc@lwcharterschools.com)

The name of the vendor may be disclosed at a public proposal closing. Because purchases or contractual agreements of this nature require the expenditure of public funds and/or use of public facilities, respondents should be aware that a portion (potentially all) of their proposal (including any final contracts) will become public record after its acceptance by Lake Wales Charter Schools Superintendent's Office.
