I am happy to report that all went well at school today. If any threats had been reported to our school, you would have been made aware and the police would investigate. It is always important to be vigilant, and we appreciate all of the interactions we have had with you today to answer any questions and hear your concerns.

Reminder: Please send in a note with your child for any dismissal changes: change from bus to pick-up or pick-up to bus, early dismissals for appointments, or change of pick-up person. It is very busy in the office and we want to be sure to have the time to process all notes properly.
