 READ THESE NOTES.

If the district is fractional, write the names of the children in each township separately under the name of the township, beginning with that township in which the
 schoolhouse or site is situated. A separate statement must be made to the clerk of the several townships in which the district is to part situated, giving the number of
 children five years of age and under twenty years residing in that part of the district lying within their respective townships.
 If there is not space on this page sufficient to contain the names of all the children in the district, write the remainder upon ordinary foolscap paper, properly
 ruled, and attach the same to this sheet. Do not use additional blanks.
