

WAO Construction Update

October 2025

There continues to be good progress on the building project at WAO. Now that school is fully in session and we are occupying all buildings, there are some limitations of what can be done and construction has slowed down a bit. Even though many areas are still under construction and not finished, the students and staff have come in with a great attitude this school year and people are excited to be in the new addition!

The new kitchen officially opened on Oct 1st

The new *Auxiliary Gym* has been very busy

Progress in the HS choir classroom

Progress in the HS science classrooms

The HS FACS classrooms are nearly finished

End of the day bus pickup out front

If you ever have any questions about the construction project at WAO schools, please contact WAO Superintendent - Bryan Hackbarth

LET'S GO PONIES!!!
