

PHDS/NEAT Family Directory Information

Dear Parents,

The school publishes a small “phone-book” with all families’ information that we call the “Family Directory.”

- If this is not your first year here at PHDS/NEAT and there are no changes for us to make in the PHDS/NEAT directory, please indicate this below. If there are changes, please fill in the information that needs to be updated below.
- If you are a new parent, welcome! We would like to include your contact information in the PHDS/NEAT directory. Please fill out the form, below.

Please return this form, below, to the school office before September.

Thank you for your cooperation.
