

GRADUATION REQUIREMENTS

In pursuit of its mission to ensure that all students reach their learning potential and are prepared for postsecondary and career opportunities, the Centennial BOCES Board of Directors has established the following graduation requirements for students entering the ninth grade in the 2018-19 school year and each ninth grade class thereafter.

To receive a high school diploma from Centennial BOCES, students must meet or exceed the Centennial BOCES or applicable district's academic standards and measures required by this policy. Students with disabilities must be provided access to all graduation pathways provided by this policy and must have the opportunity to earn a high school diploma from Centennial BOCES.

College and Career Readiness

The Colorado State Board of Education has adopted state graduation guidelines that identify college and career readiness measures in Reading, Writing, and Communicating and Mathematics. The Board has selected its own measures from these state graduation guidelines.

Exceptions to the Board's Required Measures and Cut Scores/Criteria

If a student has demonstrated college and career readiness by completing an assessment or other measure that is not included in this policy but is included in the state graduation guidelines, the principal or other appropriate administrator may determine that such assessment or other measure is acceptable and meets the Centennial BOCES's graduation requirements.

Credit from Other Institutions and Home-Based Programs

The principal or other appropriate administrator must determine whether credit toward graduation requirements will be granted for courses taken outside Centennial BOCES. Students, who are currently enrolled in a Centennial BOCES school and wish to obtain credit from outside institutions, or through “on-line” programs, must have prior approval from the principal or other appropriate administrator.

In accordance with applicable state law, college courses completed pursuant to the student’s participation in a “dropout recovery program” must count as credit toward completion of the Centennial BOCES’s credit requirements.

Centennial BOCES shall accept the transcripts from a home-based educational program. In order to determine whether the courses and grades earned are consistent with Centennial BOCES requirements and Centennial BOCES’s or applicable district’s academic standards, Centennial BOCES shall require submission of the student’s work or other proof of academic performance for each course for which credit toward graduation is sought. In addition, Centennial BOCES may administer testing to the student to verify the accuracy of the student’s transcripts. Centennial BOCES may reject any transcripts that cannot be verified through such testing.

Independent Study

Independent study, work experience and experienced-based programs approved in advance by the principal or appropriate administrator may be taken for high school credit. Students must submit a request for approval that includes a summary of the educational objectives to be achieved and monitored by a staff member.

Early Graduation

The Centennial BOCES Board believes that most students benefit from four years of high school experience and are encouraged not to graduate early. However, in some cases, students need the challenge provided by postsecondary education or other opportunities prior to completing four years of high school. Therefore, the executive director or designee may grant permission to students wishing to graduate early, provided the student has met all Centennial BOCES graduation requirements in accordance with this policy.
