Welcome to Vista Grande High School!

Congratulations you are now a student at Vista Grande High School, home of the Phoenix. You will become part of a community of learners.

You will become a writer, a scientist and a mathematician--using processes similar to professionals. At VGHS, you will look at events from many perspectives, think critically about controversial issues, and master both the basics and the ability to apply your knowledge to real-world situations. In our workshop models, all students revise their work and give and receive feedback to make drafts stronger.

We will support you as you take responsibility for key aspects of your learning--developing a portfolio, defending your progress in student-led conferences, passage portfolios, and presenting evidence at Celebrations of Learning.

The community here is different. We expect that students learn to work within diverse groups. We expect a community of kindness, respect and caring. You will learn to express yourself, to see another person's side of the story, to solve problems and set goals. Service and leadership are the norm here, not the exception. We care about your academic progress, and we care that during these upcoming years you learn more about who you are, who you want to be and what values you hold.

As a community school, VGHS welcomes high levels of family involvement. Families play essential roles in sustaining the school's mission, supporting the work of their students, and assisting with tasks and work to make the school successful. There are significant opportunities for involvement: helping with classroom instruction and fieldwork, serving on committees, supporting the office, serving as volunteers, staffing field trips, running fundraisers, etc. Please contact the school or visit www.vghs.org to see how you can become actively involved in the VGHS community.

The staff and I are looking forward to meeting you. I know you will have a wonderful year.

School Overview

VGHS opened its doors in Fall 2006 and now enrolls nearly 100 High School students in grades 9-12. VGHS is an innovative **Public Charter School** authorized by the **NM Public Education Department** and **Taos Municipal School District**. We moved to our permanent home at the **Celestino Romero Administration Building** in August 2012.

VGHS is based upon the concept of a small and highly engaged community. The school emphasizes “hands on” project-based learning, the workshop model, a culture of reflection and revision, and outdoor education as methods to motivate and engage students in their education.

VGHS is committed to providing a **rich learning environment** for students from diverse racial, ethnic, and socioeconomic backgrounds. Our curriculum supports looking at the world from multiple perspectives, including diversity of voices, and preparing our students to be part of a pluralistic and diverse global society. VGHS is a **full inclusion program** to the greatest extent possible to meet the requirements of special needs students in the least restrictive environment while still providing a free appropriate public education.

School Philosophy

At VGHS...

We know our students and each other by name, strength, and need.

Each of our students has the potential to attain success. All students can succeed when we maintain high expectations and work together to provide a safe and supportive learning environment.

Students will achieve personal and academic success when taught and nurtured by a community of highly skilled and caring professionals.

Students and their families have the right to the tools necessary to successfully navigate and participate in their education.

We give our students the necessary skills to be contributing members of society by teaching and demonstrating self-discipline and social responsibility.

We are always learning, and we are most successful when we think deeply and reflect on our actions.

The diversity of our community is an asset that has a positive impact on our learning and working environment.

School Governance

The VGHS Governing Council is composed of members of the VGHS community who serve staggered two and three year terms. The Governing Council will elect a president, a vice-president and a secretary, each of whom will serve for two to three year terms or until the Council votes to change the terms. The Council may amend or add any of its policies or directives according to the procedures articulated in the New Mexico Charter School legislation.

The Council has ultimate authority to approve all school budgets and budget adjustment requests. The Governing Council will have policy-making authority when acting as a council in regular or special meetings. The Council will make decisions by majority. No statement by an individual council member shall bind the board. No Council member shall speak on behalf of the whole board unless specifically authorized by a majority of the council. Minutes are taken at all Council meetings, and approved minutes are available to the public at the school office and on the school website.

Governing Board Members:

Elizabeth Roth - President - 575-758-0165
Eleanor Romero - Secretary - 575-758-7263
Dennis Hedges - member - 575-776-8597
Harold Cordova - member - 575-770-8437
Mark Goldman - member - 575-770-1137

Operations

Liability and Insurance Coverage

VGHS has property and school liability insurance under the umbrella of the New Mexico Public School Insurance Authority (NMPSIA). Each student attending VGHS is covered by accident insurance and catastrophic accident insurance when participating in school-sponsored activities of any kind. Further personal insurance for students is available for individual purchase through NMPSIA.

Transportation Services

Our students are transported to school by Taos Municipal School District. **All students, whether they receive regular bus services or not, are required to fill out and sign a bus form.** VGHS has a 30-passenger activity bus. Students are expected to follow all VGHS rules while riding the bus. The specific bus rules are listed in the Student Policies section of this handbook.

Food Services Our students receive a hot meal program at VGHS provided by Taos Municipal School District. We have a **closed campus** and students are **not allowed to leave at lunchtime or order food for delivery.**

Personnel Overview

At VGHS, we strive to hire Highly Qualified Teachers. This passage serves to notify families that teachers' professional qualifications are available by request--the office will provide you with the information in a timely manner once the request form is completed. On the occasion that a non-highly qualified teacher is instructing your child for more than four weeks, the school will notify families according to NM code.

Closure and delay announcements can be heard on KTAO, 101.9 FM, KKIT, and other local stations. School days that are cancelled (due to weather, unforeseen circumstances, etc.) will be made up by adding days on to the end of the school year, as is required by the NMPED. Changes to the calendar will be on the school website. Automated calls will be place to families as soon as VGHS is notified by TMS.

VGHS Graduation Requirements

In addition to the requirements above, VGHS requires, per its charter agreement, the following requirements for students who attend all four years. Students who enroll after 9th grade will have amended requirements.

- 4.0 units Crew
- Participation in all student led conferences
- Attendance at Celebration of Learning programs
- Participation in passages

Latin Honor System

VGHS believes in recognizing students who have achieved outstanding academic success through a multitude of pathways. VGHS has eliminated the traditional Valedictorian/Salutatorian awards and instead has adopted the Latin honor system meaning Vista Grande High School students with a GPA of 4.00 and above will be designated summa cum laude; students with a GPA between 3.75 and 3.99 will be designated magna cum laude; and students with GPA between 3.51 to 3.74 will be designated cum laude.

Graduation Ceremonies

In order to participate in the ceremonies, all outstanding obligations must be cleared. Students must have completed all credit requirements to walk in the graduation ceremony. Any student that is suspended for a level II or level III violation during the second semester may risk the opportunity to participate in the graduation ceremony.

Special Education

**For more information, please visit <http://www.ped.state.nm.us/SEB/index>.*

We have a **full inclusion program** and integrate students with special education needs to the greatest extent possible within the context of an individual student's IEP (Individual Education Plan), according to our charter and our model. The school follows the state RTI (response to intervention) guidelines, and uses the state produced documents to guide our Special Education Program, policies, and practice. The **VGHS SPED manual** is available for community review. Changes made by the state supersede VGHS policy.

Sports

Due to the small size of the school and the provisions of our charter, VGHS does not offer an athletic program. Students have the right to participate in all athletic/extracurricular programs of Taos Municipal School district. VGHS does sponsor a Mountain Biking Club, a weight training program, cross-country running and other sports after school.

Student Led Conferences

Student/parent conferences are scheduled twice during the school year with the student's Crew Leader. Your student will lead his/her conference and present his/her own learning to you through the use of Portfolios. Because these conferences are such an important part of your student's learning at VGHS, **student and parent attendance is required.**

Passage

At the end of the 10th grade and 12th grade, students will present and defend their learning to an authentic audience in the form of a 3-5 member panel. Students will present examples of high quality work and demonstrate active reflection of their learning. **This is a requirement to move to the 11th grade and to graduate from VGHS.**

Celebration of Learning

At the end of each semester, all students will present high quality products from their classes and Expeditions. **Parent/guardian attendance is mandatory.**

Homework Policy

All teachers assign homework at VGHS and assignments are listed. All courses follow the same policy for homework.

- Homework is two days late ----- After school or lunch detention assigned by Teacher.
- Homework is one week late ----- One week after school detention assigned by Director.
- Homework is two weeks late ----- Friday School
- Homework is three weeks late ----- Receive a zero for the assignment and parent meeting.

Portfolio Assessment

Teachers distinguish between two kinds of portfolios at VGHS: classroom/subject portfolios that happen in content areas and a passage portfolio that is produced at the end of 10th and 12th grade. Classroom/subject portfolios store works in progress and tend to highlight student work in its formative stages. The passage portfolio stands as a permanent record of student achievement.

Transcripts

Transcripts can be requested from the VGHS office.

Closed Campus

Vista Grande High School has a closed campus to provide safety for all students. Parents must give written permission for a student to leave early for an appointment, unless for an emergency. All students must check out from the office before leaving early and must have prior parental permission in writing. Students will not be released unless picked up by a parent. Please schedule all appointments on non-campus school days.

Visitors

All visitors to the campus must check in and receive a visitor's pass at the front desk located in the reception area. Visitors are to wait quietly at the reception area. The Receptionist will contact the appropriate staff member or student who will meet the visitor in the reception area and escort him/her to the approved destination. All visitors must adhere to all traffic flow signs and parking regulations including 5mph speed limit. Safety first!

Reporting Absences/Tardiness

If a student is absent, a parent/guardian is required to notify the school *before* 9 AM each day of absence. Students arriving after 8:00am must sign in at the office. See attendance policy for more information.

Winter Cancellation Policy

We will follow Taos Municipal Schools for school closure. Please be sure you have access to TV, Internet or radio broadcasts that will give you this information. We will follow delay and full day closures only. Mid day closures are at the discretion of the parent depending on safety decisions. Students will not be released early from school without parent permission. Parents must give written permission to have students released early for any reason, unless in an emergency.

Student Assessments

Assessments are included as a part of every class. However, students are also measured through a variety of alternative methods including: portfolios, demonstrations, presentations, and collaborative projects. This variety of assessments allows students and teachers to identify strengths and problem areas and respond to them promptly. When problem areas are identified, teachers and learners develop strategies to correct the problem. Students and parents have access to continuous progress reports and weekly grades for every Vista Grande High school class. A Vista Grande staff member must administer all assessments.

Standardized Testing

Students enrolled at Vista Grande High School are required to participate in all standardized testing as stipulated by the New Mexico Public Education Department. *Participation in these tests is required.*

In order to receive a high school diploma all students must pass the Math and Language Arts sections of the 11th grade HSGA/EOC tests/PARCC.

Withdrawal from a Course

Courses are assigned according to the student's "Next Step Plan" and graduation requirements. Any withdrawal from a course requires approval from the course teacher and parent and must be made before midterm to avoid penalty. Any changes may affect the graduation date and plans. All changes must be considered carefully.

Drop policy

Students must have administrative permission to drop a class. If the drop is made after the midterm date, the student will receive a failing grade in the class. This policy includes summer school.

Friday "Early College" Program

Students in 10th through 12th grade who carry a cumulative 2.0 GPA have the opportunity to participate in our Friday Early College Program through Career Pathways, which allows students to take UNM classes for dual credit. Students in 10th grade may apply for the "Early College" program; enrollment in the program is decided on a case-by-case basis.

College Entrance Examinations

Vista Grande High school will be facilitating all 11th grade students taking the ACT and/or SAT. Information on the costs, dates of registration, test locations and dates of administration of college entrance examinations may be found on their respective websites:

ACT www.act.org

SAT www.collegeboard.com

PSAT/NMSQT*

www.collegeboard.com/student/testing/psat

Summer School

Vista Grande High School offers summer school to enrolled students. Students may take online courses for credit recovery, acceleration, or summer enrichment. Summer courses are offered for credit and require a \$200 deposit, \$100 refundable upon successful completion of the class. Students may drop a class for any reason without grade penalty at/or before midterm. If the drop is made after the midterm date, the student will receive a failing grade in the class. Deposit will NOT be returned for dropped classes.

VGHS is in the planning stages for an extended school year June of 2020.

Student Policies

All policies and policies regarding student conduct are in effect from the time a student leaves home in the morning until the students arrives home after school. This includes lunch hours and field time. Students participating in or attending

any school function at any time, on or off campus, will be held accountable for all policies and procedures regarding student conduct.

Student Rights and Responsibilities

Overview

All students have the right to a school setting that is orderly and educationally efficient, free from the disruption of normal teaching-learning functions.

The following policy statement is intended to be consistent with the Statement of Rights and Responsibilities, adopted May 1981, by the New Mexico State of Education. In the event that any part of it is not consistent with that Statement, the State of Education's Statement prevails.

Educational Opportunity

Every student has the right to an education relevant to his/her needs and ability and a corresponding responsibility to not deny this right to any other student.

No individual shall be subject to prejudicial treatment of his/her right to attend and benefit from public school on the basis of ethnic identity, religion, color, sex, political belief, mental or physical handicap, or for the exercise of his/her rights within this policy.

Students' First Amendment Rights

All students possess the constitutional right to freedom of speech and press, the constitutional right to assemble peaceably, and to petition the government and its representatives for a redress of grievances, subject to reasonable limitations upon the time, place, and manner of exercising such rights.

Students are entitled to orally express their opinions. Such opinions shall not interfere with the freedom of others to express themselves. The use of obscenities or personal attacks is prohibited.

All student meetings at VGHS may function only as part of the formal educational process or as authorized by the principal.

Students have the freedom to assemble peacefully. There is an appropriate time and place for expression of opinions and beliefs. Conducting demonstrations, which interfere with the operation of the school or classroom, is inappropriate and prohibited.

Commercial solicitation will not be allowed on school property unless expressly approved by the school administration.

Student Expression

Definition of a Publication: Any expression in writing or by pictorial representation, including questionnaires and petitions. Any publication produced or distributed by a student or students with faculty sponsorship. The making available or displaying a publication on school property, or at official school functions immediately before, during, or immediately after curricular, co-curricular or extracurricular school activities.

Students are entitled to express in writing their personal opinions. Such written expressions must be signed by the author. The distribution of such material may not interfere with or disrupt the educational process. VGHS seeks to promote student expression as a part of the inculcation of values and habits necessary to the maintenance of a democratic political system; however, VGHS will not tolerate student expression inconsistent with its educational mission, even though governments outside the school could or would not censor such expression. The school may control production or distribution of school publications only so long as some valid educational purpose is served by such control.

The school will prohibit the distribution of any school publication that, on the basis of objective facts, is obscene, lewd or defamatory or otherwise intrudes upon the rights of others, or that is, or is likely to be, disruptive to or impede the work of the school.

The school may disassociate itself from any publication that is biased or prejudiced, vulgar, profane, unsuitable for immature audiences, inadequately researched, ungrammatical, or poorly written; however, a publication shall not be deemed disruptive merely because it expresses unpopular or controversial views.

Production and distribution of school publications shall be under the control of the building principal or his or her designated faculty representative.

A student who wishes to distribute a school publication shall obtain prior permission from the building principal or designated faculty representative. A student who wishes to address the school community must submit the speech in writing to the School Director. The School Director may not censor the speech unless the speech is obscene, lewd or defamatory or otherwise intrudes upon the rights of others, or that is, or is likely to be, disruptive to or impede the work of the school.

Such a student is entitled to meet personally with the principal or faculty representative to discuss the appropriateness of publication.

The student or his representative may support the appropriateness of distribution with relevant witnesses and materials.

The principal or faculty representative shall grant or deny permission to distribute the publication, in writing and within one school day of the student's request.

In the event that a student's request is denied, the student may appeal the decision, within two school days of the issuance of said denial, to the superintendent: the student must notify the principal, in writing, of his/her desire to appeal; and the superintendent shall issue a written decision within three school days of the notice of appeal. In the event the student seeking permission is dissatisfied with the school's decision, the student may, within two school days of the issuance of such decision, appeal the decision to the VGHS Governing Council, by notifying the in writing of the desire to appeal; and the shall render its decision in writing within three school days of the notice of appeal.

Controversial Issues

Students shall have the right to encounter diverse points-of-view.

Under the guidelines established by VGHS, students shall have opportunities to hear speakers and view presentations representing a wide range of views in classes, clubs and assemblies. If it is established that student and/or parent objects, as a matter of principle, to participation in an activity assigned by school personnel, an alternative activity will be assigned without penalty or embarrassment to the student.

As a public institution, the school has a commitment to objectivity and the presentation of all sides of an issue.

Student Rules – Vista Grande High School

Seniors leaving for lunch:

Seniors can earn the privilege to leave campus for lunch if they have a 3.0 GPA, have a signed **monthly progress** report from all teachers stating that they are in good standing in class. The monthly progress report must be obtained during Vista Time – 7:45 to 8:00 am. The monthly progress report must be turned into the School Director to earn one month of off campus lunch privileges. Off campus lunch privileges will be lost if a student returns from lunch late three times during a semester.

Dress Code

The following general standards are:

- Clothing will not be worn that causes or is likely to cause disruption of the educational process including, but not limited to, hats that obscure a student's face, beanies, bandanas, hoods, sunglasses or clothing that may be deemed to be provocative or offensive or which promotes illegal activity such as the use of violence, drugs, alcohol or tobacco. Clothing with implied offensive, derogatory, divisive, violent or sexualized language/innuendo and/or imagery is not appropriate. Hats, hoods, and sunglasses are permitted outside the building.
- Any kind of underwear needs to be covered (this includes bra straps and boxers).
- Shirts/pants must cover the belly and back
- Shorts/skirts/dresses should be 3 inches longer than your fingertips resting at your side.
- No masks of any kind.
- Attire advertising tobacco, alcohol or any drug.
- No wallets hanging with a chain attached.
- Tattoos with any suspected gang association must be covered. This will be at the discretion of staff.
- Any manner of grooming or apparel, including clothing, jewelry, emblems, and badges, which by virtue of color, arrangement, trademark, or other attribute that is associated with or denotes membership in or affiliation with any

gang is not allowed. The prohibition on gang-related apparel will be applied at the discretion of the Director as the need arises.

In cold weather, students must come to school with adequate warm clothing to allow them to be outside for up to an hour at a time. For fieldwork or outdoor activities, parents will receive notice or a phone call from teachers and be expected to prepare their students accordingly.

Student Parking

Parking at VGHS is a privilege, not a right. A student may park a vehicle on school property only after submitting a parental consent form properly signed by a parent, a valid driver's license, insurance and registration for the vehicle.

If a vehicle is parked on campus without proper documentation with school administration, the following steps will take place:

1st offense: An attempt to contact the owners of vehicle will be made.

2nd offense: Car will be ticketed and may be towed.

3rd offense: Car will be towed at the owner's expense.

VGHS is not responsible for damages incurred while towing.

****Students are not allowed in vehicle during normal school hours! This includes the lunch hour!***

Loss of a student's driver's license or lapse in insurance or registration will result in loss of parking privileges.

Food and Beverages

Food (fruit) and beverages (other than water) are not allowed in classrooms. This is to protect school equipment and facilities and to promote a distraction-free learning environment. Food from outside vendors is not allowed on campus.

Public Displays of Affection

Because it is hard to determine the fine line between what is or is not an appropriate public embrace, the school rule will be that holding hands or a brief embrace are the limits of affection shown on the campus by students.

Student Use of Staff Lounge

The Staff Lounge is for the sole use of teachers, staff, and parents/guardians working on school-related projects. Students are not allowed in the Staff Lounge unless they are under the direct supervision of an adult.

Plagiarism and Cheating

Students commit plagiarism when they use someone else's words, ideas, or creative productions as if they were their own. Assignments are plagiarized if they are completed in whole or part by anyone other than the student who claims credit. Copying homework, computer work, test answers, or creative productions of any kind is plagiarism. Submitting a paper or signing a name to a creative project that has been originated in any way by another is plagiarism. Students should correct or edit their own work. Plagiarism can occur from printed material, the internet, as well as from people, but students can avoid plagiarism by precisely quoting borrowed material and carefully crediting the source. *Students must submit their own work for credit.* Any occurrence of plagiarism or cheating will result in a zero on the assignment, the 2nd offense will result in student's failing the class. Any student who allows someone else to copy his or her work will receive the same consequences.

Electronic Devices

The term "Electronic Devices" shall mean any and all devices which accomplish their purposes electronically and include, without limitation, cell phones, pagers, electronic emailing devices, radios, tape players, CD players, DVD players, video cameras, iPods or other MP3 players, laser pointers, portable video game players, personal laptop computers, headphones, cameras, and any device that provides a wireless, unfiltered connection to the Internet.

The use of any and all Electronic Devices by students during the school day, whether on-campus or during a school-sponsored event are prohibited. While students are not prohibited from possessing Electronic Devices, unless otherwise prohibited by law or policies, rules or procedures, the Electronic Devices must be turned "off" and stored in a Yondr pouch. Students are required to put the Electronic Device in the Yondr pouch before class begins. This Policy does not apply to the sanctioned use of Electronic Devices by teachers, or students under the direct supervision of their teacher, for educational purposes.

Use of Electronic Devices in violation of this policy shall result in the confiscation of the electronic device. After the first violation, the student's parent may recover the Electronic Device from VGHS administrative office at the end of the school day. After the second offense, the student's parent/guardian shall be notified that the student has twice violated this policy and that the Electronic Device may be recovered from the VGHS administrative office at the end of the semester. Electronic Devices that are not recovered at the end of the school year may be disposed of by VGHS. A student who violates this policy more than two (2) times during the school year also may be subject to discipline for engaging in habitually disruptive conduct.

Destruction or Theft of School-owned Property

Current replacement price is imposed on any lost or excessively damaged equipment or educational materials. Law enforcement will be contacted in cases of theft and extreme damage to property. Grades and Transcripts may be withheld for any delinquent accounts.

Divisive Language

Divisive language is language that targets a person due to their race, ethnicity, gender, sexual orientation, or religion and is not acceptable at VGHS. Divisive language can be written or verbal.

Bullying

VGHS takes bullying seriously. If you feel your child is being bullied, please contact your crew leader & the director immediately to initiate a formal report. Our detailed Bullying Prevention & Response Policy is available in the office and at www.vghs.org.

Sexual Harassment/Misconduct

Sexual harassment regarding student-to-student, adult-to-student and student-to-adult conduct means unwelcome or unwanted conduct of a sexual nature (verbal, nonverbal, or physical). Any sexual harassment should be reported to a staff member immediately. If you feel like your child has been sexually harassed, please contact the Director.

Gang-related behavior and dress

This policy has been adopted pursuant to the requirements of state law, in recognition of the fact that gang activities at school impose a threat to the welfare and safety of students and others in the school community and cause substantial disruption to the educational process.

The term "gang" as used in this policy refers to all groups of three or more individuals who share a common interest, bond, or activity characterized by criminal, delinquent, or otherwise disruptive conduct engaged in collectively or individually.

Gang activity in schools is often marked by the prominent display of certain colors or other indicators: graffiti with distinctive symbols and the used of signals and gestures known to denote gang membership.

1. Any manner of grooming or apparel, including clothing, jewelry, hats, bandanas, emblems, and badges which by virtue of color, arrangement, trademark, or other attribute is associated with or denotes membership in or affiliation with any gang will not be allowed in school buildings or on school grounds, at school sanctioned activities and events and while being transported in school approved vehicles.
2. Gestures, signals, or graffiti which denote gang membership or activities are prohibited in the school building and on school grounds, at school-sanctioned activities and events, and while being transported in school approved vehicles.
3. Gang graffiti on school premises will be quietly photographed, removed, washed down, or painted over as soon as discovered. The photographs will be shared with local law enforcement authorities and used in future disciplinary or criminal actions against the offenders.
4. Any student wearing or carrying overt gang paraphernalia, making gestures, or tagging that symbolize gang membership will be written up for disciplinary action.
5. Disciplinary action for violation of these standards will include notification of the violation, where applicable; the requirement that the apparel be changed before reentering class; and, at the discretion of the Director, a parental conference. More severe disciplinary consequences, including suspension or recommendation for expulsion will result from repeated or serious violation.
6. The Director will establish open lines of communication with local law enforcement regarding this policy in order to further its purposes.

Tobacco Use/Possession

Use or possession of tobacco products or paraphernalia within sight of school property is prohibited. The smell of tobacco on a student is cause for reasonable suspicion for possession and a search may be conducted. **E-cigarettes and**

nicotine containers should be included in the definition of "tobacco" under Title 6, Chapter 12, Part 4 NMAC, and the use of such products or items in school buildings, on school property, and by students at school-sanctioned functions away from school property should be strictly prohibited.

E-CIGS/VAPOR POLICY

Electronic cigarettes or any similar vapor devices are strictly prohibited on school grounds or at any school sanctioned activity. Any such device will be confiscated immediately and the school will reserve the right to turn said device over to a parent or guardian, or to turn the device over to the school resource officer. Any liquids or other additives that go in e-cig devices will be confiscated and turned over to the Taos Police School Resource Officer to determine what the substance is. Vista Grande will not be responsible for any financial claims resulting from the confiscation of any electronic vaping device regardless of whether or not it is returned to the rightful owner. Students in violation of the e-cig policy will be subject to the application of the school's drug and alcohol policy and procedures.

Alcohol/Drug Use

Student use, possession, distribution, or sale of alcohol, tobacco or illicit drugs is prohibited at VGHS, on school grounds, at any school-sanctioned activities, when students are being transported in school sponsored vehicles, or at any time or in any place where the student's conduct interferes with or obstructs the educational program or operations of VGHS or the health, safety or welfare of students or employees. Students that exhibit signs of being "high" or smell of an illegal drug will be subject to searches. This policy shall be enforced according to VGHS' Student Search and Seizure Policy. Illicit drug use is the use of illegal drugs and the abuse of alcohol and other drugs, including anabolic steroids. For the purpose of this policy, illicit drugs include, but are not limited to, opiates, narcotics, marijuana, and intoxicants of any kind, in addition to counterfeit drugs, and drug-containing paraphernalia. A violation will subject a student to appropriate disciplinary action, up to and including recommendation for expulsion and referral for prosecution. Recommendation for expulsion will be mandatory for any distribution, trade, exchange, or sale of a drug or other controlled substance in a school building or in or on school property.

If is determined by the director or other VGHS authority that a student is under the influence of alcohol or drugs, the appropriate law enforcement agency will be called and the student will be subject to the following provisions:

First Offense

Authorities will be contacted and a police report will be filed

- A. The student will be suspended according to the school policy regarding suspensions and expulsions.
- B. The director will attempt to develop with the parents and the student a procedure that will outline the responsibilities of the parent, the student, and the school in an effort to keep any further offenses from occurring.
- C. Information on available drug or alcohol counseling and rehabilitation programs and recommendations for chemical dependency assessment, diagnosis, and possible treatment will be given to students and parents. The costs of these programs are to be incurred by the parent/guardian.
- D. When appropriate, students and parents will be asked to follow up with assessment, diagnosis or treatment as a condition to readmission to school. Evaluation of any such participation will be made at the parent conference at the time the suspension is reviewed and the student is considered for readmission to school. Costs of the programs are borne by the family, though the school will provide a list of community resources upon request.

Second Offense

Withdrawal from VGHS and a recommendation for expulsion will be made

If the student participates in an appropriate rehabilitation program and receives significant treatment, the school will consider such factors in determining if re-admittance to VGHS will follow the rehabilitation/IR program.

Weapons

For the purposes of school board policy, a "weapon" is any firearm, knife, explosive, or other object, even if manufactured for a nonviolent purpose that has a potential violent use. Additionally, defined as a "weapon" is any "look-a-like" object that resembles an object that has a potentially violent use, if, under the surrounding circumstances the purpose of keeping or carrying the object is for use, or threat of use, as a weapon.

Financial Responsibility and Borrowed Equipment

Any student participating in a school activity is fully responsible for equipment, books, outdoor gear, tools, computers and other school gear entrusted to him or her. If equipment used by a given student is not accounted for in a satisfactory manner—for example, in the case of theft, loss or damage—participation and clearance to participate in other activities will be withheld until restoration satisfactory to the school is achieved. When a student is issued equipment, the student as caretaker has both the freedom and responsibility to use and take care of the items. Expected wear and tear due to normal use is expected; abuse, damage, loss or defacement will require the student to replace or repair the item in question.

Defiance of school Personnel/Authorities

Refusing to comply with any reasonable request by any school official or sponsor at places and times where school personnel have jurisdiction.

Language, Profane and/or Abusive

Using language, which is crude, offensive, insulting, or irreverent; using coarse words to show contempt or disrespect; swearing. Students are encouraged to refer to the VGHS Student Code of Conduct before using language or drawing something that is obscene or inappropriate

Searches

For the protection and security of individuals and property on the VGHS campus, the search of individuals, including students, their personal effects, desks and vehicles on school property, as permitted under federal and state law. Such searches may be conducted without prior parental consent or the presence of a parent. In certain circumstances random searches of personal effects, school property (such as lockers and desks) and vehicles on campus may occur, including random searches with the assistance of canines. Suspicion of intoxication is grounds for a search to be conducted. Any illegal or unauthorized objects found in any search are subject to seizure. Anything found in the course of a search can be used as evidence. Backpacks will be searched prior to any Wilderness trip or extended day fieldwork.

Vehicle Searches - Search of a student's vehicle while parked on school property maybe conducted if there is a reasonable suspicion that a crime or breach of the disciplinary is being committed by the student.

Searches such as emptying of pockets, searches of student backpacks and purses, removal of hats, socks and shoes may be conducted by the school director or designated administrator

Discipline of Habitually Disruptive Students

Any student who is suspended for disruptive behavior, as defined previously, for a second time during any school year may be declared habitually disruptive and a recommendation for expulsion can be made at the discretion of the Director. A behavior contract will be developed after the first suspension. The plan will be reviewed and modified to support student success. In such cases, the student and his/her parent/guardian will be notified in writing.

A student may be recommended for expulsion from school based on grounds outlined in the Vista Grande High School and Taos Municipal School District Policy, in addition to any laws or regulations for the State of New Mexico. Additionally, a student may be recommended for expulsion if he/she has been suspended three times in one school year.

Expulsion, after an official hearing, is mandatory under state law for:

1. Carrying, bringing, using or possessing a deadly weapon without authorization of the school or the district. A deadly weapon includes, but is not limited to, a loaded or unloaded firearm, a knife, a bludgeon or any other weapon/instrument which, in the manner in which it is used or intended to be used, is capable of producing death or serious bodily injury.
2. The selling of, including the exchange, distribution or gift of drugs or controlled substances, as defined by state law, including anabolic steroids and prescription drugs.

Corporal Punishment / Physical Restraint

Corporal punishment is defined as action taken by school employees to spank or otherwise physically handle a student in any way to purposely inflict punishment. No corporal punishment will be administered to students by anyone in the school. Physical restraint is reasonable and appropriate physical intervention or force by staff as necessary for the following purposes:

1. To restrain a student from an act of wrongdoing.
2. To quell a disturbance threatening physical injury to others.
3. To obtain possession of weapons or other dangerous objects upon a student or within the control of a student.
4. For the purpose of self-defense.
5. For the protection of persons or property.
6. For the preservation of order.
7. To keep the student from self-harm or danger.

In general, VGHS will not use physical restraint except in issues of student or staff safety. For students who are emotionally escalated, non-compliant to reasonable staff requests, or disruptive of the learning environment--parent will be contacted for student pick-up. If parents cannot be contacted, the police may be brought to the scene to ensure the safety of student and staff, and to minimize disruption of the educational environment.

Any such acts are not in conflict with the legal definition of child abuse and will not be construed to constitute corporal punishment within the meaning and intention of this policy.

Student Responsibilities/Rules for riding the bus. VGHS has the same requirements while riding the VGHS bus.

For safe riding on school buses the following are students' responsibilities:

Students will exhibit safe and appropriate behavior when waiting for and boarding the bus.

Students must follow the drivers' and/or attendant's instructions promptly. When a principal/designee is on the bus, he/she is authorized to enforce student discipline, also.

Students will not get on or off the bus while it is in motion. Students must remain seated and keep the aisle and exits clear.

Students will occupy the seat assigned to them by the driver. If the bus is equipped with seat belts, students must wear them.

Students will not be permitted in the driver's compartment while the bus is in motion. Students will not tamper with any equipment on the bus.

Students are not to engage in unnecessary conversation with the driver while the bus is in motion.

Students will exhibit respect, act responsibly, be trustworthy, practice fairness, have a caring attitude, and display good citizenship while on the school bus.

Students will not use profane language or make obscene gestures while on the bus.

Students will cooperate with the bus driver in keeping the bus clean.

Rough or boisterous conduct will not be permitted in the bus. Students will be absolutely quiet when the bus is approaching a railroad crossing and will remain quiet until the bus is safely across the tracks.

Students will not eat any food or drink any beverage while being transported to or from school (with the possible exception of special needs students with IEPs).

Students should remember that misconduct and/or carelessness endangers not only their own safety, but also the safety of the other students on the bus.

Students will not extend their hands, arms, heads, or any objects out the bus windows.

Weapons, explosives, breakable glass, or other dangerous objects are not permitted on the bus. Animals, except those animals authorized by an IEP or a 504 Accommodation Plan, are not permitted on the bus.

No item that will block the aisle or is unsecured will be carried on the bus.

Students will not open or close the bus windows without the permission of the bus driver.

Students will not throw any item inside or outside the bus while boarding, riding or leaving the bus.

The use, possession or distribution of tobacco, drugs, alcohol or any other controlled substance will not be permitted while on the bus.

Students will not ride on the outside of the school bus at any time or attach any item to the bus.

Students and parents/guardians will be held responsible for malicious destruction to the bus.

Damage to the bus from any cause will be reported by passengers to the driver, and the driver will, in turn, report it to the proper school official.

Discipline/Behavior Management

One of the central purposes of discipline at Vista Grande High School is to teach students that there are consequences for their actions, that they are accountable for their behavior, to help them learn from their mistakes and to help them develop character. At VGHS we embrace high expectations for all our students in both academic achievement and in conduct. We all – School Director, teachers, staff, families and students have a shared responsibility to educate our students. We believe that all students can be successful when they know and understand these expectations. We believe that all students can be successful when they know and understand HOWLs (Habits of Work and Learning). Together, we can support each student by name, strength, and need so that every student graduates prepared for college, career, and citizenship. VGHS is welcoming and safe for families of all cultures and backgrounds. We will include students and families in setting culture and problem solving. We will inform families of both their student's positive behavior and of behavior-related concerns. Communication with families will be adequate, timely, and culturally appropriate. VGHS will make reasonable efforts to communicate with families in a language they understand.

As a general rule, members of our community will attempt to use conflicts and issues as a springboard to teach new behaviors and develop communication and leadership skills, even as students learn logical consequences. In dealing with conflicts, a toolbox of strategies is used at VGHS including (but not limited to):

- Mediation
- Informal Behavioral Plan (developed with student/crew leader/parent)
- Crew Discussions
- All School Meetings
- Restorative Justice
- All School Restitution

Habits of Work and Learning (HOWLs)

CHARACTER

- I am ready to learn.
- I am an active participant in my learning.
- I am responsible for my behavior.
- I am kind to others.
- I am collaborative with anyone, whether they are friends or not.

CRAFTSMANSHIP

- I persevere in all tasks.
- I revise my work so that it represents my very best abilities.
- I do everything, big and small, with integrity and quality

Disruption of the Educational Process

School is a place to learn and to be a part of a community. If a student is behaving in a way that does not allow other children to learn, school staff will need to intervene with the students. Students, whether receiving general or special education services, may need to receive interventions for disruptive behavior. Acts of misconduct are subject to the disciplinary action by appropriate school personnel. Unacceptable conduct is defined as whether or not it disrupts or has the potential to disrupt the educational process. Consequences will result for cases such as bullying, fighting, harassment, inappropriate use of cell phones or other electronic devices, use or possession of e-cigarettes and other forms of disrupting the Education process or violation of laws, rules and regulations. This handbook follows VGHS, State, and Federal guidelines.

VGHS is a community, and the rules and regulations of VGHS are the laws and expectations of our community. The right to a public education is not absolute; it may be taken away, temporarily or permanently, for violation of school rules.

RESTORATIVE JUSTICE PRACTICES

Restorative justice practices are based on respect, responsibility, relationship building and relationship repairing. Restorative justice practices give priority to repairing harm done to individuals and the VGHS school community, and providing student accountability by assuming responsibility and taking action to repair the harm they caused. It aims to keep students in school and to create a safe environment where learning can flourish.

VGHS uses progressive discipline practices for student misbehavior. Progress discipline includes more restrictive or more serious consequences for repeated misbehavior or behaviors displaying more serious risk to self or others. Progressive discipline may include restorative practices as part of the continuum of consequences. Some restorative justice practices that are not included in the discipline matrix for student infractions such as:

- Student mediation
- School community service
- Verbal or written apologies

Disciplinary Procedures

Consequences for disciplinary offenses may range from a verbal warning for minor offenses to detention, suspensions, Friday School, parent meetings and behavioral contracts. The behavior management plan is designed to serve as a guide when the staff or school director determines consequences. Staff will evaluate situations and assign disciplinary consequences in a fair and consistent manner, often working with the student to take ownership and decide on

reasonable restitution. The disciplinary procedures represent the guidelines in the dispensation of consequences at VGHS. However, depending on the circumstances of the behavior, responses may vary from situation to situation.

- Lunch Detention is assigned by a classroom teacher the student will report to the teacher at the beginning of the lunch period. Lunch will be provided in the classroom.
- After-School Detention may be assigned by teachers for misconduct. Students should report to the teacher who has assigned detention. Detention is over at 4:00 pm students are responsible for their own transportation.

VGHS Alternatives for handling unacceptable conduct

- Parent Meetings will take place to find a solution to the behavior that is disruptive to the learning environment.
- Out-of-School suspension students are expected to complete all work missed while suspended.
- Teacher's assigning Friday Day will notify parents, School Director and front office staff.
- Contracts - Student must commit to more positive behavior in the form of a written contract. Student may be assigned school or community service. Terms of the contract will be determined by the school director or designee.
- Student maybe taken to a long-term suspension hearing for contract violation.
- Contract violations will result in continuing progressive discipline up to and including long-term suspension.
- Students may be referred to the school social worker for additional behavior support.
- Students may be removed from class or activity but remain at school pending conference with appropriate school personnel and parents/guardians must be informed.
- Students may be placed in an alternative educational setting until satisfactory resolution is reached and parents/guardians must be informed.
- The authority of the schools is to supervise and control the conduct of students and includes the authority to impose reasonable periods of detention during the day or outside normal school hours, as disciplinary measures.
- Reasonable periods of detention may be imposed with the procedures for temporary suspension.
- Student's last period teacher will escort Friday School students from their last period class to the commons area. Friday school is over at 6:00 pm students are responsible for their own transportation.
- Disciplinary council made up of student council representatives.

Academic

Attendance and Truancy

VGHS respects the Sovereignty of Native Tribes

While Native students are still subject to the same attendance laws as other students, VGHS is committed to working with families and tribes to understand specific tribal customs, practices and laws as well as any specific communication needs of tribe or family. VGHS would like to encourage the inclusion of tribal representatives/suggestions in any attendance contract to ensure the inclusion of culturally relevant support, additional resources, and to deepen the understanding of needs specific to the tribe, family, and/or student. Tribes or Native Families are encouraged to request this in the implementation of the attendance policy. Absences due to traditional activities must be excused by the Governor's Office. Parents are responsible for requesting and providing the documentation to the school.

VGHS follows NM state truancy law. Three tardies equal a day of absence. If your student misses 10+ days of school during a semester **for any reason** (barring medical, religious, or extraordinary circumstances), s/he will not receive credit for the class. Per NM state law, letters will be sent home after 3, 5, and 10 absences.

Appropriate legal procedures will be followed for ten (10) or more unexcused absences during the school year, which is considered habitual truancy, as specified and required by the Public School Code. **In the event that a student misses 10 or more days of class, s/he may not receive academic credit without documentation of extraordinary circumstances.** In the event that a student wishes to appeal the loss of credit due to absences, they must submit an appeal form (available at www.vghs.org) to their crew leader and the School Director.

After ten days of consecutive non-attendance, by state law, the student will be withdrawn. To request a medical or educational absence, please contact the office for proper procedures.

If a student leaves campus without being signed out, they will be considered truant and are not allowed back on school grounds and must be picked up by a parent/guardian.

Excused Absences

In order for an absence to be valid the student must bring a written excuse signed by the parent the day he/she returns to school. A valid excuse is considered illness, death in family, documented medical appointment or religious holiday. For illnesses over three days or more a doctor's excuse may be requested by the school and a medical absence form may be requested. When a student has entered the school truancy program with 5 or more absences, s/he must bring a doctor's note to school for any additional absences.

Unexcused Absence:

An absence from school or a class for which the student does not have an allowable excuse pursuant to the Law or rules of this Governing Board. A one-half day absence shall be recorded as unexcused when two (2) or more classes up to 50% of the instructional day are missed without an allowable excuse. A full day absence shall be recorded as unexcused if more than 50% of an instructional day is missed without an allowable excuse. **If a student misses more than 75% of the class time it will be counted as an absence. For example, if a student leaves their afternoon class before 2:15 pm the class will be changed to an unexcused absence until further documentation is provided.**

Exemptions from the Law

Any qualified student and any person who because of his age is eligible to become a qualified student shall be excused from remaining in school until attaining the age of majority if:

1. the person is specifically exempted by law;
2. the person has graduated from a high school or received a general education certificate;
3. with written consent of the parent of the person to be excused, the person is excused from the provisions of the Law by the superintendent of schools because of a hardship.

Consequences for Absences

Step 1: Initial Meeting

After three incidents of absences (excused or unexcused), the student's crew leader will contact the student's parent by a phone call, email and/or letter and an in-person conference will be held between parent/guardian, student to decide what kind of support is needed for the student. Tutoring may be required as support for student to make-up missed assignments.

Step 2: Parent/Guardian/Director Conference

If student has five cumulative (excused or unexcused) absences in a quarter, the student's crew leader will contact the student's parent by a phone call, email and/or letter and an in-person conference will be held between parent/guardian, student, director, and teachers. A truancy prevention plan and contract will be developed and signed in order to support the student. Tutoring may be required as support for student to make-up missed assignments.

Step 3: Parent/Guardian/Director/Outside Agency Support Conference

If a student has seven cumulative (excused or unexcused) absences in a quarter, the student's crew leader will contact the student's parent by a phone call, email and/or letter and an in-person conference will be held between parent/guardian, student, director, and teachers. At the school's discretion an outside agency will be contacted to provide counseling to the student and family. The truancy prevention plan and contract will be reviewed and updated as necessary.

Step 4: Meeting with juvenile probation and parole services in Taos

If the student has **ten unexcused** absences in a school year, the student's parent/guardian will be notified by certified mail and a phone call. The student, parent/guardian(s), director will meet with juvenile probation and parole services in Taos. A truancy action plan and contract will be developed. Tutoring may be required as support for student to make-up missed assignments.

Step 5: Taos Probation Office

If there is another unexcused absence, Taos probation offices will be contacted. The Director will be in communication with probation officers to see if student was referred to children's court. Tutoring may be required as support for student to makeup missed assignments.

Tardy Policy

Students are expected to be in class on time, prepared and ready to learn. Arriving late to school or late to class is disruptive to other students and impacts their learning process. Vista Grande will strictly enforce the tardy policy to support all student's right to learn.

- After 6 unexcused tardies to school or class students will be assigned Friday School.
- Students more than 10 minutes late to school are marked with an unexcused tardy.
- Students more than 30 minutes late to school are marked with an unexcused absence for that period.

Excused or Unexcused tardies are at the school's discretion. A parent phone call does not guarantee an excused tardy.

Facts & Information

Emergency Information

In case of emergency each student is required to have on file at the school office the following information:

- Parent(s) or guardian(s) name(s).
- Complete and up-to-date address.
- Home phone, parent(s) work phone and mobile phone if available.
- Emergency phone number of three (3) friends or relatives.
- Physician's name and phone.
- Medical alert information.

Fundraising Activities

Plans for fundraising must be presented to the Director in advance. These plans must include the appropriate provisions for safety in the implementation of all activities and must be in line with the overall fundraising strategies and activities of the school.

Leaving campus due to illness

Any student needing to leave campus due to illness must be signed out by a parent/guardian. If a student returns to campus that day, s/he should sign back in at the office returning to VGHS. Leaving campus without checking with VGHS faculty is considered truancy.

Lost and Found

The school's lost and found is located in the lobby. Items will be donated to charity or kept in the school's loan closet at the end of each semester.

Protocols for After School and Evening events sanctioned by VGHS

Students may organize after school and evening events. To do so, they must proceed according to the following protocol: At least four weeks before the event, students must:

- Discuss plans with their Crew leader - set a date far enough in advance in order to assure that the students can properly plan the event. They must have approval from their crew leader before proceeding.
- Before requesting permission from the VGHS office, students must be certain that they have at least one VGHS staff person who will supervise the event and enough parents to serve as chaperones.

Three weeks before the event:

- Request permission from the administrative assistant in the VGHS office. They will check with the custodial staff to see if the event can be scheduled on the date requested.

Two weeks before the event:

- Give the custodial staff directions as to how the room is to be set up.
- Finalize staff member(s) and chaperones for the event
- Plan for decorations and for clean up

Chaperones are responsible for supervising and disciplining students at these events. At the conclusion of the event, students and chaperones are responsible for cleaning up and returning the spaces used to their original state.

Responsibility for Students at All-School Events for Families

Parents and guardians are responsible for monitoring and supervising their children at all school events. Children who are not behaving in an appropriate manner will be brought to parents by school staff. Students may be removed from events due to disruptive behavior (see Matrix).

Responsibility for Personal Property

All personal property brought onto school property is brought at the owner's risk. **VGHS cannot assume responsibility for any property belonging to students.** Distracting or inappropriate objects will be taken from a student and returned at the end of the day. Repeated violations will require a parent conference. Students should not bring large sums of money to school.

School Supplies

It is the responsibility of students to come to school with appropriate materials. A yearly list of supplies will be provided to parents. Please contact the school office if your family needs support in obtaining these supplies.

Skateboards/Rollerblades/Scooters/Roller-shoes/Bicycles

Because of concerns for safety and security, skateboards and rollerblades are not to be used at anytime on campus. Bicycles shall be dismounted once on campus. Bicycle and skateboard use to and from school requires use of a helmet (effective July 1, 2007 new state law). Parents can be cited by CYFD for failure to have their students comply with this statute.

Solicitation

Students are not to be solicited for money unless a project has been approved by the Director. No sale of items is to be conducted at the school by students for community drives.

Student Medications

Students are not allowed to carry any medication without school staff knowledge and following school Medication Procedures. If it becomes necessary for a student to receive a prescription medication during the school day:

- Medication must be prescribed by a licensed medical provider
- Written permission of parent/guardian and Doctors Order signed by student's medical provider must be given to school office or school staff member prior to bringing medication of any kind on to school grounds.
- Medication must come to school office in the original prescription container filled by a pharmacy, and must include
 - Name of patient
 - Name of medication
 - Dosage, and time to be given.
- The medication will be stored in a locked cabinet at school unless student's medical provider gives written permission for student to carry and self-administer.
- Students are never allowed to carry controlled substances including Ritalin, Tylenol with Codeine, Hydrocodone, Lortab, etc. If a controlled substance is needed at school, it must be brought to school by a parent or guardian and given directly to a school staff member.

If students are found with medication that has not been prescribed to them, or they have not followed school medication procedures, then the school Drug and Alcohol Policy will apply. If there are any questions about the procedures for medication in the school, please contact school staff or the director.

Telephone Policies

In order to limit disruption to the classroom, students will not be called to the telephone except in cases of emergency. Messages may be left. Students **may not** use the telephone in the cafe without permission from the school office nor may they use the classroom phones without permission. Personal cell phones are never allowed in class.

Telephone Directory

VGHS will publish an annual student directory that contains a listing of students, parents/guardians, home addresses and phone numbers who have released their information to the community. Please contact the office if you wish to be excluded from the directory.

Visitors

For the protection of all members of the VGHS community there is a doorbell at the front door of the school. Please be patience if we are delayed answering the door. While VGHS welcomes visitors, it is important to plan ahead--visitations should be set up a week in advance. Staff reserves the right to deny requests, depending upon the academic needs of the classroom. Parents are always welcome on our campus, but for the safety of students, please sign in at the office. Any

student visiting VGHS with a VGHS student must obtain permission in the principal's office the day before the visit. High school students are not allowed to bring younger children to school at any time.

Student Enrollment

VGHS enrolls students by lottery. There are no admissions requirements. Interested students are selected by randomly choosing names from among all of those registered on our list until the limit of enrollment is reached. Once the available slots have been filled, waiting lists will be maintained. When a space becomes available, the next student on the list and his or her family will be notified and invited to enroll in the school. Current students and children living in the same household as current students are given priority over the lottery system when VGHS makes enrollment decisions for the following school year.

Each new student interested in enrolling will have the option to visit while VGHS is in session as long as arrangements have been made ahead of time.

Enrollment Priority

1. Returning students
2. Siblings of currently enrolled students
3. Lottery participants who will be entering 9th-12th grades
4. Siblings of newly selected students will be moved to the top of the waiting list of their grade at the time of his/her sibling's enrollment provided they have an application already on file.

Definition of a Sibling

- Must share at least one biological parent AND a household at least 50% of the time.
- If siblings are not biological siblings, proof of guardianship must be provided. Foster children may be considered as a sibling with legal proof of guardianship.

Step-siblings may qualify if they meet these requirements:

- They must share a household with the enrolled sibling at least 50% of the time, and proof must be provided (court/custody order). AND
- Parents are legally married OR
- The biological parent of the enrolled sibling must adopt or take legal guardianship over the applicant with proof (court documents).

Acceptable forms of proof (VGHS may request notarization):

- Court/custody orders
- Affidavit/acknowledgement of paternity
- Copies of Birth Certificates
- Marriage licenses

Sibling Policy

- It is the parent's responsibility to notify the school and fill out an enrollment application for siblings applying for the lottery by the deadline announced.
- When two siblings are in the lottery and one wins a spot, the other goes to the top of the waiting list for his/her grade, as mandated by state law.
- If there is a mid-year vacancy, and a new student is enrolled who has a sibling on the waiting list, that sibling goes to the top of the waiting list for his/her grade, as mandated by state law.
- Siblings do not have automatic entry into the school until there is an opening in their grade, provided they have an application already on file.

Enrollment

- The parent or legal guardian of the child or children who are applying for enrollment must make all applications for enrollment.
- Applications will be accepted for one grade only. Students must reapply every year, unless the child is already enrolled.
- Current students must submit a re-enrollment form by a specified date to maintain a space.
- The lottery for enrollment will be held in mid-April. The exact date will be announced on the radio and in the newspaper each year.
- Selected students will be notified with an acceptance letter and a registration confirmation form that must be returned by the deadline stated. Students will be considered enrolled if VGHS receives the signed registration confirmation within the stated timeframe. If the form is late, the student will be placed on the waiting list for his/her grade.

- If there are more siblings interested in enrolling than the total room allowed, there will be a separate lottery among them.

Enrollment after the 40th day of school

All students enrolling after the 40th day will be given the opportunity to attend a “shadow day” at VGHS. The student and parent will participate in a social conference with all staff at the conclusion of the shadow school day. At the social conference it will be determined if the student will attend VGHS. If the student will attend VGHS the student and parent will meet weekly with the School Director to ensure that the student will be successful at VGHS.

Waiting List

Waiting lists do not transfer from year to year. VGHS will not maintain a waiting list for a student who wishes to be admitted in future years. Applicants must reapply every year. Students who are not initially selected for enrollment will be placed on the VGHS waiting list according to grade.

Separate waiting lists will be maintained for each grade.

If necessary, separate waiting lists will be maintained for each grade for siblings of enrolled students. All children who apply for enrollment after the lottery are added to the waiting list in the order in which their applications are received.

If an applicant from the waiting list is offered a position and does not accept it within the allotted time, s/he will be placed at the bottom of the waiting list for his/her grade, or if requested, dropped from the waiting list.

Lottery and Enrollment Practice

The lottery will take place at the end of April or the 1st week in May of each school year to draw students for the following year. It is a public drawing and all community members are welcome. The lottery will take an equal number of students from each grade to make the grades as close to 24 students as possible.

If a parent/student refuses their spot but want to remain on the waiting list, his/her name automatically goes to the bottom of the list for his/her grade.

Confirmation of Enrollment

- Parents/guardians must confirm their child’s enrollment by returning the completed registration form by the date and time indicated.
- When moving from the waiting list to admittance, applicants must verbally confirm enrollment within three (3) school days from initial contact from the school at which time non-confirmed students will be dropped from the admissions or waiting list.
- The parents or legal guardians who do not properly confirm their child’s enrollment will be dropped from the admission list and placed at the end of the waiting list.
- If the school cannot make positive verbal contact with an applicant after three attempts within two weeks to confirm enrollment or notify them of an opening, the applicant will be dropped from the admission list or the waiting list.
- Parents or guardians of the applicant are responsible for maintaining the information on the enrollment application and must notify VGHS, in writing, of any change of address, telephone number, or other information necessary for VGHS to contact the applicant. VGHS is not responsible for maintaining information or continuing any search.

Information Required for Enrollment

Upon acceptance of enrollment, the parent/guardian will be required to provide the following information prior to admission:

- Original birth certificate, legal copy of birth certificate, or other legal proof of birth.
 - Copy of social security card.
 - Current immunization and health records
- Note: No child will be admitted without current immunization records and a legal proof of birth.*
- Information release form authorizing the VGHS to share or request any and all records, information, or data determined by VGHS to be relevant to the student’s attending VGHS.
 - Individual Education Plan (IEP) or other special education requirements.
 - Parent Packet forms signed and returned.
 - Meeting with VGHS representative to discuss the handbook and other information to help set up the new students for a positive VGHS experience.

Other Key Policies

Policy for Communication with School Personnel

Here are some key points to remember when you are communicating with school personnel about your child's educational needs:

- Please schedule meetings with your child's teacher in advance. Please understand that a teacher's responsibilities may prevent accommodation of a request for an immediate meeting. Please request the meeting within one week of the concern, issue, or incident, so that the discussion may be timely.
- It would be helpful to be prepared for the meeting by writing down your issues, what you want to say, and questions you would like answered. Write down your solutions and recommendations as well.
- Your child's educational needs are best met when you and your child's teacher work together, and acknowledge each other's efforts toward your mutual goals.
- Stay positive and calm throughout the conversation. Avoid blaming or becoming defensive. All parties are expected to be respectful and courteous. Any teacher or school employee reserves the right to terminate a meeting in the event of inappropriate or abusive behavior.
- Listen to the staff's point of view and suggestions with an open mind.
- Ask the teacher to clarify any school "lingo" – language used by educators that you might not understand.
- Agree together on an appropriate, informal intervention plan or resolution. Share responsibility for success of the plan. Make a note of this plan. Be clear about commitments and next steps – yours and the teacher's.
- If you feel a follow up meeting or phone call is necessary, and this has not already been scheduled as part of the plan you and the teacher created, you are welcome to initiate the meeting or call.
- The parent, teacher, or Director may request a Student Assistance Team (SAT evaluation – child study for educational, emotional, social, behavioral needs) if it is felt that a more formal plan is necessary.
- If the situation is not resolved through meeting with the teacher or SAT process, please use a Parent/Guardian dispute Resolution Request Form available in the school office to provide information regarding the issue and to request a meeting with the Director.
- The Director is available to mediate issues between the parent/guardian and teacher. Any party may request mediation as part of the process. In case of the needs for a parent/guardian Director mediation, another mediator will be made available.
- If the situation is still not resolved through an in-person meeting with the Director, then and only then, request in writing to be placed on the Governing Council agenda. Individual personnel issues will be addressed in executive session only, rather than open session. Any Governing Council member approached by a parent will respectfully redirect the parent to this process.
- After the Governing Council has addressed the issue--and their recommendation has been followed by the school, director, or staff member--the issue will be considered resolved by the school. While the goal is to identify and execute a positive solution, if the parent/guardian is still in disagreement, reflection on school placement is the family's prerogative and responsibility

Civility Policy

The VGHS is committed to: treating all persons including parents, employees, students and other members of the public with respect and expects the same in return; and maintaining orderly educational and administrative processes in keeping schools and administrative offices free from disruptions and preventing unauthorized persons from entering school/district grounds and facilities. All members of VGHS will treat all persons including parents, teachers, students and other members of the public with respect and expects the same in return.

This policy promotes mutual respect, civility and orderly conduct among employees, parents and the public. This policy is not intended to deprive any person of his/her rights to freedom of expression, but only to maintain, to the extent possible and reasonable, safe, harassment-free schools and workplaces for students, staff, and parents. In the interest of presenting district employees as positive role models to the students of the District as well as the community the Board encourages positive communication and discourages volatile, hostile or aggressive actions. The District seeks public cooperation with this endeavor, and reserves the right to restrict access to school facilities or activities to any and all individuals who disregard this requirement for civil behavior on school property.

Retention and Acceleration of Students

Grade retention or acceleration may increase the likelihood that students will succeed in meeting challenging academic expectations at the next grade level. Retention provides a second opportunity to master skills, while acceleration increases the likelihood that academic expectations will be challenging.

Grade retention or acceleration of students will depend on several factors, including all of the following:

1. Academic skills
2. Maturity
3. Satisfactory completion of work
4. Likely success in completing the academic work at the next grade level
5. State standardized test scores

6. Parental input
7. Lacking credits

Grade retention or acceleration will be based on the best interests of the student and his/her educational success. A student will be retained or accelerated if the Director and the student's teacher agree that grade retention or acceleration is in the best interests of the student based on the general considerations above.

Procedural guidelines for retention or acceleration of a student are as follows:

1. The teacher and or Director will confer with the parents at the spring student led conference before the end of the school year about the reasons that grade retention or acceleration may be recommended.
2. The parents, Director, teacher, and other appropriate staff will confer about the student's educational needs at least two months before the end of the school year. If retention or acceleration is to be a consideration, academic interventions to address the student's needs will be developed and implemented.
3. The Director, teacher, and parents will confer prior to the end of the school year about the student's progress. Based on this, the student will be retained or accelerated if the Director decides that it is in the best interests of the student. Strong consideration will be given to the parental concerns; however, the Director will make the final decision.

In such instances, an academic plan will be prepared that includes the following:

- A summary of the school's interventions during the current year to meet the student's academic needs.
- The interventions to be implemented during the next school year to meet the student's academic needs.

Graduating Seniors

If a senior does not have all of the necessary credits and graduation requirements to graduate at the end of the first semester, parents will be notified in January that their student will not be allowed to walk in the spring graduation ceremony. Students who have attended four years at VGHS are eligible to walk in the spring graduation and receive a certificate of attendance.

Rights Under Title IX

VGHS does not discriminate on the basis of race, color, national origin, sex or handicap in its educational program or activities as required by Title VI of the Civil Rights Act of 1964, Title IX of the Education Amendments of 1972, and of Section 504 of the Rehabilitation Act of 1973, respectively.

Section 504 Accommodations

Under the provisions of Section 504, Rehabilitation Act of 1973, public schools must make sure that all students, regardless of disability, have equivalent opportunities to participate in a free appropriate public education (FAPE). This provision applies to qualifying disabled students whose disabilities are not so severe as to create IDEA eligibility. The 504 compliance with the provisions of Section 504 and for investigating complaints will be attended to by the director. For further information, contact the Director.

The Family Educational Rights and Privacy Act (FERPA)

FERPA is a Federal law that governs the maintenance of student education records. Under that law, parents of students or students who are at least 18 years of age ("eligible students") have both the right to inspect education records kept by the school about the student and the right to correct inaccuracies in the record. Access to these records by persons other than the parents or the student is limited and generally requires prior consent by the parent or the student. The school has adopted a written policy governing all the rights of parents and students under FERPA.

The VGHS Governing Council hereby gives its annual public notice to all parents and eligible students that:

- VGHS maintains the following education records directly related to students and subject to the limitations on disclosure provided in FERPA: academic records, personal information records, disciplinary records, attendance records, health records, progress reports, and standardized testing records.
- Access to education records is limited to: parents of students under 18 and parents of students over 18, if such student is dependent as defined in the Internal Revenue Code, the student, officials of this school who have a legitimate education interest, federal, state, and local officials to whom information is required to be reported, certain test organizations, accrediting organizations, appropriate persons in connection with an emergency, pursuant to subpoena or court order, to any person, with the written consent of the parent or eligible student.
- VGHS policy requires that education records be kept to an essential or relevant minimum. Records are reviewed at the end of each school year and non-essential and irrelevant material is deleted.
- VGHS policy limits the right of access to education records to the persons and circumstances indicated in the second paragraph above. VGHS requires that copies be made available to persons entitled to receive copies. VGHS policy provides that explanations and interpretations of records are available upon reasonable advance notice. Some

records, such as standardized test scores and other material of a technical nature, may only be reviewed with a person qualified to interpret and explain such material and records. VGHS policy provides the right to request in writing an amendment of the student's educational records that the parent or eligible student believes are inaccurate or misleading. If records contain information on more than one student, the right to inspect relates only to that portion of the records concerning the particular student in question.

- FERPA classifies certain types of information that generally would not be considered to be an invasion of privacy or harmful if released as "student directory information." Unless the parent or eligible student objects in writing as described below, school officials may release directory information, as defined under VGHS policy, to any person, including but not limited to colleges, and the media, without the consent of the parents or the eligible student. Parents/students who object to the release of any or all of this information without consent must notify, in writing, to the director within fifteen (15) days following the date of the publication of this notice (or the enrollment of the student, if after the beginning of the school year). The objection must state what information the parent or student does not wish released. Written objection may be filed at the VGHS office. In the absence of timely notice objecting to its release, the listed information will be classified as directory information until the beginning of the next school year. "Directory information" as defined includes: the student's name; grade in school; name of school; eligibility and participation in officially recognized activities, including but not limited to fine arts exhibits, performing arts programs, other performances, graduation programs and sports events; weight and height of members of athletic teams; honors and awards received; yearbooks; and identification in visual media, including photographs, videotapes and video images, depicting school programs or activities.
- Questions regarding education records shall be directed to the school's director, the custodian of records. Complaints about the failure of VGHS to comply with FERPA may be made in writing, to FERPA Office, Department of Health and Human Services, 330 Independence Avenue SW, Washington, DC 20201.

Protection of Pupil Rights Amendment

The Protection of Pupil Rights Amendment (PPRA) 20 U.S.C. § 1232h, requires schools to notify you and obtain consent or allow you to opt your child out of participating in certain school activities. These activities include a student survey, analysis, or evaluation that concerns any of the following eight specific areas ("protected information surveys"): Political affiliations or beliefs of the student or student's parent; mental or psychological problems of the student or student's family; sexual behavior or attitudes; illegal, anti-social, self-incriminating, or demeaning behavior; critical appraisals of others with whom respondents have close family relationships; legally-recognized privileged relationships, such as with doctors, lawyers, or ministers; religious practices, affiliations, or beliefs of the student or parents; and income, other as required by law to determine program eligibility.

This requirement also applies to the collection, disclosure, or use of student information for marketing purposes ("marketing surveys") and certain physical examinations and screenings ("activities").

VGHS does not currently plan to administer surveys that seek any of the "protected information" detailed above. Should a situation arise where such a survey needs to be administered, the school will provide notification to parents within a reasonable period of time prior to the administration of the surveys and activities. Parents will be provided with an explanation of the activity and will have an opportunity to review the surveys and any instructional materials used in connection therewith. Parents will have the opportunity to consent to or opt their child out of participation. The rights granted by PPRA, as well as the opportunity to consent/opt out, transfer from parents to any student who is 18 years old or is an emancipated minor under State law. Parents who believe their rights have been violated may file a complaint with: Family Policy Compliance Office, U. S. Department of Education, 400 Maryland Avenue, SW, Washington, D.C. 20202-5901.

Special Education Procedures

VGHS will provide special education services in accordance with mandates of law, the Public Education Department, and the VGHS Charter.

Prior to enrollment, we will meet with parents to discuss the needs of individual students. EL encourages differential instruction within the mainstream classroom, a model which can support many students with special needs. However, it is important to meet with the Special Education teacher or IEP team to determine how VGHS can be a supportive environment for the student. Incoming students with IEPs will have a transition meeting so specific services can be provided in the least restrictive environment. Services include but are not limited to:

- Support to educators in order to make accommodations in the general classroom environment.
- Direct consultation with a student (e.g. reminders, checking on progress).
- Effective support to help students adjust to learning difficulties and become an advocate for their learning styles.
- Monitoring of the IEP and annual reviews.
- Communication with school administration, teachers, school personnel and a parent/guardian.
- Working with community partners to provide support.

The referral process for special education begins with the general education teacher providing and documenting interventions and completing an Individual Learning Plan (ILP) through the RTI model. If a student does not respond to interventions the case is escalated to the Student Assistance Team (SAT) where intervention specialists are involved who may suggest additional interventions. The SAT team will follow the New Mexican RTI process. Student Emergencies

If a student becomes seriously ill or injured at school, parent/guardian contact will be made as specified on the school emergency card. A parent/guardian must keep the school informed of any changes in work, home, or emergency phone numbers. Every effort will be made to inform a parent/guardian quickly. A parent/guardian must notify the school regarding child custody information that affects the release of health and academic records, or the release of the child from school. Students will be released only to their parent/guardian, unless the school has received written notification of changes.

Student Records/Paperwork

Mandatory paperwork is sent to students each year and must be on file by the first week of school. Failure to turn in paperwork may prevent your child from participating in fieldwork and other activities. In accordance with state law, VGHS cannot allow students who do not have the proper immunization records on file to attend school. **The following information is required for all students:**

- TMS Bus form
- Immunization Records
- Title 1 form
- IEP/504 (if applicable)
- Transcripts
- Confidential Medical Form
- Family & Emergency Contact Info
- Release of Liability Form

Withdrawal from School / Transfer of Records

If a parent/guardian and student move to another school district during the school year or summer months, the student's records will be sent to the appropriate school at the request of that school. Parents must submit a withdrawal form prior to departure. This form is available in the school office. On the last day of withdrawal, students should have in their possession all books and materials in order to return those items. A parent/guardian should be certain that there are no fees due to the school at the time of withdrawal. Forwarding of transcripts and records may be delayed pending the payment of such fees.

Students Staying with Another Family

If a student is staying with another family in the absence of the parent/guardian for a short term, the office must be notified with a note stating the dates the parent/guardian will be away and the name and number of the designated responsible person. This information will be used in case of an illness or an emergency.

Procedures for Suspension/Expulsion Hearings

In compliance with Title Six, Chapter Eleven, Part Two of the Public School Administrative Code for Primary and Secondary Education in New Mexico, a particular process must be followed in severe disciplinary cases such as long-term suspension or expulsion. Until this process is followed, a student can only be suspended due to alleged misconduct for less than 10 school days. The process below comes from 6.11.2.12 of the New Mexico Administrative Code, "Procedures for Detentions, Suspensions and Expulsions."

Parental Notification of a Hearing

A letter must be mailed or hand delivered to the parents of the student in question, and a formal hearing must be scheduled 5-10 days after the parents receive the letter. The letter must include the following:

- I. A description of the disruptive behavior, a concise statement of alleged act on which charges are based and statement of possible penalty.
- II. Hearing Date and Time: Both the student and the parents are encouraged to attend.

- III. Delays/Waivers/Failure to Appear: The hearing will take place as scheduled unless the hearing authority grants a delay, or the student and parents agree to waive the hearing and comply voluntarily with the proposed disciplinary action or with a negotiated penalty. Warning: A failure to appear will not delay the hearing and may lead to the imposition of the imposed penalty by default.
- IV. Right to Representation: The student has the right to be represented at the hearing by legal counsel, a parent or some other representative. This representative must be designated in a written notice, filed at least 72 hours before the hearing with VGHS.
- V. Description of the procedures of the hearing: The formal hearing is not a trial. It is an administrative hearing designed to ensure a calm, orderly determination by an impartial hearing authority of the facts of a case of alleged serious misconduct. Technical rules of evidence and procedure do not apply. For further information regarding the procedure of the hearing, please see attached.
- VI. Contact Person: Director, VGHS, 213 Paseo del Canon East, Taos, NM 87571. Student and family may request a delay, assign a representative to speak, discuss the evidence to be presented, or seek further information from this contact person.

Specifics of the Hearing Process

Waiver of Hearing: Voluntary Compliance or Negotiated Penalty: A student and his or her parent(s) may elect to waive the formal hearing and review procedures and comply voluntarily with the proposed penalty, or may waive the hearing and review and negotiate a mutually acceptable penalty with the designated disciplinarian. Such a waiver and compliance agreement shall be made voluntarily, with knowledge of the rights being relinquished, and shall be evidenced by a written document signed by the student, the parent(s), and the appropriate school official.

Right of Review: A student or parent aggrieved by the Hearing Authority's decision after a formal hearing shall have the right to have the decision reviewed by the VGHS Governing Council if the penalty imposed was at least as severe as long-term suspension or expulsion, an in-school suspension exceeding one school semester, or a denial or restriction of student privileges for one semester or longer.

Conduct of Review: The school board shall be bound by the Hearing Authority's factual determination unless the student persuades the Review Authority (VGHS Governing Council) that a finding of fact was arbitrary, capricious, or unsupported by substantial evidence or that new evidence which has come to light since the hearing and which could not with reasonable diligence have been discovered in time for the hearing would manifestly change the factual determination. Upon such finding, the Review Authority shall have discretion to receive new evidence or conduct a new hearing.

Effect of Review Authority's Decision: The VGHS Governing Council's decision shall be the final administrative action to which the student is entitled.

Rules Governing the Conduct of the Hearing:

- (i) The school shall have the burden of proof of misconduct. The school's representative shall be a VGHS teacher or an appropriate individual enlisted by the VGHS Governing Council Board.
- (ii) The student and his or her parent shall have the following rights: The right to be represented by legal counsel or other designated representative, however, the school is not required to provide representation; the right to present evidence, subject to reasonable requirements of substantiation at the discretion of the hearing authority and subject to exclusion of evidence deemed irrelevant or redundant; the right to confront and cross-examine adverse witnesses, subject to reasonable limitation by the hearing authority; the right to have a decision based solely on the evidence presented at the hearing and the applicable legal rules, including the governing rules of student conduct.
- (iii) The hearing authority shall determine whether the alleged act(s) of misconduct have been proved by a preponderance of the evidence presented at a hearing at which the student and/or a designated representative have appeared. The hearing authority will be designated by the chief administrator of VGHS, and may be one or more persons. Persons qualified to serve in the position of hearing authority include the chief administrator of VGHS, individual VGHS Council Members, or appropriate third parties enlisted by the VGHS Council. Any individual Council Member serving as hearing authority in a hearing cannot serve with the rest of the Council as a hearing authority in a subsequent review of that same case.
- (iv) If no one has appeared on the student's behalf within a reasonable time after the announced time for the hearing, the hearing authority shall determine whether the student, through the parent, received notice of the hearing. If so, the hearing authority shall review the schools' evidence to determine whether it is sufficient to support the charges(s) of misconduct.
- (v) The disciplinarian shall be the VGHS Director or designee. A hearing authority who is also a disciplinarian shall impose an appropriate sanction if (s)he finds that the allegations of misconduct have been proved under the standards of either Subsection G, Paragraph (4), Subparagraph (1), Sub-subparagraph (iii) or Sub-subparagraph (iv) of Section 6.11.2.12 NMAC. A hearing authority who is not a disciplinarian shall report its findings, together with any recommended sanction, to the disciplinarian promptly after the hearing.
- (vi) Arrangements to make a tape recording or keep minutes of the proceedings shall be made by the administrative authority who scheduled the hearing and prepared the written notice. A verbatim written transcript is not required, but any minutes or other written record shall fairly reflect the substance of the evidence presented.

- (vii) The hearing authority may announce a decision on the question of whether the allegation(s) of misconduct have been proved at the close of the hearing. A hearing authority who is also a disciplinarian may also impose a penalty at the close of the hearing.
- (viii) In any event, the hearing authority shall prepare and mail or deliver to the student, through the parent, a written decision within five (5) working days after the hearing. The decision shall include a concise summary of the evidence upon which the hearing authority based its factual determinations. A hearing authority who is also a disciplinarian shall include in the report a statement of the penalty, if any, to be imposed, and shall state reasons for the chosen penalty. A hearing authority who is not a disciplinarian shall forward a copy of his or her written decision to the disciplinarian forthwith. The disciplinarian shall prepare a written decision, including reasons for choosing any penalty imposed, and mail or deliver it to the student, through the parent, within five (5) working days of receipt of the hearing authority's report.
- (ix) The hearing authority's decision shall take effect immediately upon notification to the parent, either at the close of the hearing or upon receipt of the written decision.
