My Favorite Book

The books that made me love reading were *The Witch of Blackbird Pond* & *Salem's Lot*

About Me

I've always loved reading and writing, but I didn't always think I would be a teacher- I wanted to be a zoologist! I'm a wife, mom, and a grandmother. Ask to see pics of my granddaughter! A fun fact is that I also have a degree in ASL. My hobbies are boating and going to concerts- my fav band is Fleetwood Mac. I really look forward to sharing the joy of reading with you.
