Superintendent's Welcome Letter

Dear Students, Families, and Community Members,

My name is James Bagwell, and I am honored to serve as the Superintendent of Crazy Horse School in the Eagle Nest District. I have proudly been a part of this school district for the past ten years and have witnessed the incredible dedication, resilience, and spirit that make our students and community truly exceptional.

From the moment I first arrived, I have always felt welcomed and a part of this community. That sense of belonging has strengthened my purpose to serve and lead in the right way, with respect, integrity, transparency, and a deep commitment to our students and families.

Over the years, I have seen firsthand the strength of our staff, the commitment of our families, and the limitless potential of our students. Crazy Horse School is more than just a school it is a family built on shared values, culture, and a commitment to providing every child with the opportunity to succeed.

As Superintendent, my goal is to continue moving our district forward through collaboration, innovation, and a focus on both academic and personal growth. We are strengthening our programs in project-based learning, social-emotional wellness, and cultural education, ensuring that our students are prepared for success in school and beyond.

I am excited about the direction our school is heading and grateful for the continued support of our community partners, parents, and staff. Together, we will continue to build a learning environment that honors our traditions while preparing our students for the future.

With appreciation,
James Bagwell
Superintendent
