"If you are having a problem or think you will have a problem, please come to the office."

ISSUE 18: APRIL 2024

Candidate School

## Message from Admin:

Happy Spring Silver Streak Families,

The end of the school year is quickly approaching. We have many on campus events that are upcoming and we want you on campus enjoying these events with your child. Please go to the JHW website, <https://www.janiehowardwilson.com/> and scroll to the bottom so you can look at upcoming events. We look forward to joining the other Lake Wales Charter Schools for the fifth grade track meet at Lake Wales High School on April 18th. We will also have our third, fourth, and fifth grade IB PYP showcase on April 30th. There are a few field trips that are upcoming this month as well. Our fourth graders are off to WonderWorks on April 3rd. Our fifth graders will be heading to SeaWorld on April 11th. We are also excited to kick off Disability Awareness Week on April 1st. Our first graders will be kicking off our fairytale showdown the week of April 8th. We also would like to invite any volunteers to our volunteer luncheon on April 10th. We are also super excited to speak with your children about their elective choices for any upcoming 2024-2025 school year for incoming third, fourth, and fifth graders. Our special area teachers will be going to classrooms in April to explain about their options and you can discuss these choices with your child.

Transdisciplinary is the word IB uses to describe a discipline that applies across all disciplines- it is an interconnectedness and can be applied across all subjects and applied to real life. A transdisciplinary concept stretches across math, science, language arts, and social studies and ties it all together; it is not isolated to one subject area. For example, the idea of change affects all subject areas-the IB PYP strives to demonstrate this through learning, giving, and understanding to a real life world. The IB curriculum incorporates 5 essential elements: There are eight fundamental concepts; expressed as key questions, to propel the process of inquiry. These universal concepts drive the research units called Units of Inquiry, but they also have relevance within and across all subject areas (Transdisciplinary). These Units of Inquiry provide the framework (as opposed to a text book curriculum) for a wide variety of resources to be explored in order to accomplish the objectives within each Unit of Inquiry: Who We Are; Where We Are in Place and Time; How We Express Ourselves; How the World Works; How we Organize Ourselves; Sharing the Planet. Our staff is super excited about the upcoming Color Run. Finally, Mrs. Alexander will be sending home important testing information. It is important that each child comes to school on time during these days so they do not miss out on school events to make-up these assessments. We also can't wait to see how many of our students will qualify for the end of the year rewards associated with the Read 20 program! Our students have rocked their March Madness and there is a significant increase with the amount of students taking and passing their AR tests this year! We are super proud of our Silver Streaks!!

# Classroom News

## Kindergarten

In this month we will be continuing with our new PYP Unit Sharing the Planet. We are very excited for the students to learn about ways to help the earth. Please help your child keep up with homework and sight words to start preparing for first grade. Check agendas for all the forms being sent home for field trip and graduation.

## First Grade

First Grade is continuing to prepare our students for Second Grade. The students are beginning to read and understand assignment directions on their own. Once again, this is not an easy transition. Some students are experiencing frustration, confusion, and moments of "I just give up," but they are also experiencing accomplishments, encouraging each other, and proud moments of "I can do this." We are encouraging our students to continue Reading 20 minutes and access the iReady program at home every day. The students are using text evidence to respond in complete sentences to questions in ELA, Social Studies, and Science. Please encourage your child to read all instructions and directions on their own with minimal assistance from adults. We are so proud of the progress the students have made this school year.

## Second Grade

Second graders are springing into the final stretch of the school year. As we prepare for end-of-the-year testing, student attendance is crucial. Please make sure your child attends school daily. We are so thankful for your support!!

Teachers and students will be working hard to review and master skills that have been taught throughout the school year. Nightly homework and reading assignments will help with this as well. Please encourage your child to READ, READ, READ!!! We are confident that testing will show all the hard work that is taking place here at JHW. Continue encouraging your child to always do their best:)

End of the Year Field Trip: Legoland on May 3rd:)

# Classroom News

## Third Grade

In the month of April third grade will be working in our transdisciplinary unit of "How We Express Ourselves". Throughout this unit we will focus on economics across all subjects. In ELA, the students will work on reviewing needed benchmarks in preparation for state testing. In Math, the students will begin to work in their data and time unit working with understanding how to work with numbers and how those different numbers can relate to economics. In Science, the students will continue working on their animal standards to grow their understanding of how all living things contribute to our planet. In Social Studies, the students will work on deepening their understanding of economics from all different parts of the world and different countries. Please continue to encourage your child to read nightly and to write about what they have read to deepen their understanding of the text and sharpen their writing skills.

Important dates:

April 12th Early Release

April 19th Field trip money due for Cypress Lanes

April 24th Color Run

April 26th Early Release

## Fourth Grade

As we wind down the school year, we would like to encourage your child to continue to monitor behavior, work hard and finish strong. We are preparing students for End of the Year Testing - attendance is mandatory. Students perform better on the original testing date with their teacher. Please pay close attention to ALL testing dates and schedule a conference with your child's teacher to review data and current promotional requirements. Thank you for your continued support.

## Fifth Grade

There are lots of fun things happening this month!

In math, students are learning about geometric concepts, classifying figures and understanding volume. They will also be learning how to collect, represent, and interpret data. As well as translate, evaluate, and explain numerical expressions.

In ELA, we will be analyzing poetry and looking at author's perspective. We will be looking at the data from the iReady Diagnostic to zone in on specific deficiencies of skills to hit those standards again before end of year testing. Please make sure your child is reading 20 minutes every night. We appreciate you staying up to date on parent portal!

In science, we will learn about the factors that influence the weather, weather in environments, and climate zones, as well as the water cycle. In social studies, they will learn about the states, capitals, and destinations.

We are also looking forward to our Sea World field trip on April 11th! Please ensure your child is in school every day and on time. Attendance is vital to their success. Do not hesitate to reach out with any questions or concerns. As always, thank you all for your support this year! -Team Fifth Grade

## UPCOMING EVENTS

### **PTO Information**

**PTO**  
Parent, Teacher  
Organization

**Have you joined PTO?**  
It is only \$5.00. Join today so your child may attend the celebration popsicle party on September 16th. Your membership does not obligate you to attend meetings or to volunteer.

**Are you following Janie Howard Wilson on Facebook, Instagram, DOJO, and the website?**  
This is primarily how we communicate with you and provide sign up links for volunteer & donations needs.

**Do you own a business and would like to help support events during the year?**  
Email: [betty.finnell@lwcharterschools.com](mailto:betty.finnell@lwcharterschools.com)

**We're looking forward to a great year, please join us!**

**Meeting Dates:**  
1:00pm in the PLC Room  
Friday, October 6, 2023  
Friday, November 3, 2023  
Friday, December 1, 2023  
Friday, January 5, 2024  
Friday, February 2, 2024  
Friday, March 1, 2024  
Friday, April 5, 2024  
Friday, May 3, 2024

**Fundraisers:**  
Oct: Fall Fest Photos  
March: Color Run

**Spirit Nights:**  
Sept. 14: Locomitos  
Nov. 14: Chili's  
Feb. 1: Beef O'Brady's  
April 15: Brake Burgers

### **SAC Meeting**

**School Advisory Council Meeting is Friday, April 19, 2024 at 1:00pm in the PLC room**

**PTO Meeting is Friday, April 5, 2024 at 1:00pm in the PLC room**

**YOU'RE INVITED TO OUR**

## **Volunteer Luncheon**

**APRIL 10, 2024**

**EVENT STARTS AT 12:00PM**

## FORTIFYFL

**SUSPICIOUS ACTIVITY  
REPORTING APP**

### ANONYMOUS

You decide whether you want to include your name and contact information.

### CONVENIENT

Submitting a tip is quick and easy using this mobile app or website.

### INCLUDE PHOTOS AND VIDEO

You can also include photos or video with your tip report.

FortifyFL was created and funded by the 2018 Florida Legislature as part of the Marjory Stoneman Douglas High School Public Safety Act. The application was named by students from Marjory Stoneman Douglas High School. The Office of Attorney General, Department of Education and Florida Department of Law Enforcement coordinated its development and roll-out.

**GET THE APP NOW!**

## Parent Tips

### VISIT YOUR LOCAL LIBRARY

Plan trips to the library. Getting your child a library card can get them excited about books. Don't worry about reading every book — library trips should be fun. At first, these visits may simply consist of spending time wandering the rows of books and meeting librarians.
