Library Life

A season of thanks! This year, we are celebrating our 400th anniversary of Thanksgiving in our country! I'm so thankful for all of life's blessings.

I'm so thankful for all of you and the great print and digital resources we have available at Lockard.

Can you believe it's already November?! We still have lots of new books and magazines to read this year. Our digital library is housed in Canvas and Clever. Look for links to Epic, Junior Library Guild, Mackin, and Lockard Little Library for hundreds of ebooks and read-alouds as well as MAGNOLIA.

As an added bonus this year in the library we will have art lessons once a month. So far this has been great fun. I can't wait for you to see our projects!

**As always, happy reading .

Mason's Memo

The Month of Gratitude

Our word of the month for November is “gratitude” which is very appropriate for the month of Thanksgiving. In today’s world we are so busy that often we don’t notice the small acts of kindness that someone does for us, like holding the door when our arms are full. On the same note, we often don’t let the people who are huge parts of our daily lives know we appreciate them. I am guilty of both!

This month I am starting “GratiTuesday” no, I didn’t come up with this idea on my own nor did I make up that word. Every Tuesday in November I am taking 2 minutes to send a thank you email or text to someone in my world. Nothing fancy or long. The only requirement is to express my gratitude, appreciation or praise to someone who’s made a difference in my life.

If I am faithful to my mission of “GratiTuesday” I think it will make a bigger difference in my life than the person receiving the text.

Thank you parents for being such huge supporters of our school, you make a difference not only to our kids but to our faculty and staff as well
