Dr. Kelvin Wymbs, Superintendent

## IMMEDIATE RELEASE

June 18, 2024

### WILLIAMSBURG COUNTY SCHOOL DISTRICT WELCOMES A NEW VAN!

The Williamsburg County School District is committed to supporting vulnerable scholars and parents in a variety of ways. In February 2024, the Office of Federal Programs successfully applied for a McKinney-Vento Grant to purchase a van, which will serve scholars and families facing hardship. The goal is to intervene when barriers are impeding the well-being of scholars and their families, be it physical, mental, social, or academic. The aim is to ensure that scholars are able to fully focus on their academic work when they come to school.

The district's dream of providing this support would not have been possible without the invaluable support of the Federal Leadership Committee. This team works together to assess the district's needs and plays a critical role in the organization. The committee believes that the van is a crucial tool that will enable the district to connect with families in need of resources and services.

Dr. Young and Superintendent Wymbs have seen numerous success stories since the district received additional financial support from local business partners, faith-based organizations, and grant opportunities. They firmly believe that the scholars and families of the Williamsburg School District are truly deserving of this support.

The Federal Program Leadership Team includes the following members (right to left): Dr. Kelvin Wymbs - Superintendent, Ms. Thenthy Anderson - SC Works, Mrs. Elizabeth McCray - Federal Programs Executive Specialist, Mr. Terrence Scott - Parent Representative, Mrs. Priscilla McClary - Community, and Dr. Ernestine Young - Coordinator.
