

Academics

Upper School

Middle School at Master's Academy (Grades 6–8)

Grounded in Colossians 3:17 and our school mission, the middle school program helps students grow academically, spiritually, and personally through a Christ-centered approach.

Christ-Centered Learning

- Every subject is taught from a biblical worldview
- Students are encouraged to do all things for the glory of God

Academic Growth

- Strong foundation in English, math, science, history, and Bible
- Emphasis on reading comprehension, writing, and analytical thinking
- Focus on critical thinking, problem-solving, and real-world application

Creative and Practical Development

- Fine and performing arts, including music, drama, and visual art
- Computer applications and life skills courses
- Physical education to support health and teamwork

Leadership and Character Building

- Opportunities to develop Christian character and leadership
- Field studies and service experiences connect learning with action

Students are guided to take ownership of their learning, deepen their faith, and prepare for a confident transition into high school.

Academics

Upper School

High School at Master's Academy (Grades 9–12)

Also rooted in Colossians 3:17 and our school's mission, the high school program prepares students to lead and serve with wisdom and integrity.

Biblical Worldview in Every Subject

- Daily instruction and discussions grounded in Scripture
- Bible courses include Old & New Testament, Apologetics, and Ethics
- Emphasis on living and learning for Christ in all areas of life

Rigorous Academic Preparation

- Courses in English, math, science, history, and foreign language
- Senior Thesis project develops research, writing, and public speaking skills
- Honors and dual enrollment options available
- Focus on critical thinking, analytical reasoning, and problem-solving

Customized Learning Paths

- Multiple diploma tracks: general studies, honors, and apprentice programs
- Traditional classroom and self-paced (Smith Learning Center) options
- Support for both college-bound and career-focused students

Well-Rounded Student Development

- Electives in visual and performing arts, technology, and life skills
- Physical education options, including health, fitness, and team sports
- Leadership and service opportunities throughout the year

Graduates are equipped to think deeply, communicate effectively, and stand firm in their faith, ready to impact the world for Jesus Christ.
