

# ESP Summer Program 2024 - Information

Factors that determine if ESP can open and remain open:

- ★ A site has met the required number of registrations/enrollments. (12)
- ★ The site can maintain the required number of registrations/enrollments. (12)
- ★ Child care fees must be paid on time prior to the week/month of service. Enrollment numbers drop when fees are not paid as children are not allowed to attend until the fees are paid for the week/month.
- ★ A site must have enough qualified, trained staff available to work to meet the adult:child ratio mandated by the TN Department of Education.
- ★ Operation hours vary at each ESP site based on the options and the enrollment numbers (12 required daily) for each option. Not all options may be offered at each ESP site due to low enrollment/lack of ESP staff.
