ACAP ALL STARS MONTH

HMS 2024-2025 ACIP Goals

1. Maintain a student-centered environment that encourages student ownership and encourages students' attendance to have a 95% yearly attendance average.
2. Improve proficiency levels (score 3 or 4) to show academic growth on school year 24-25 ACAP ELA subject test to 62% from 60%.
3. Improve proficiency levels (score 3 and 4) to show academic growth on school year 24-25 ACAP math subjects test to 43% from 40%.

The Hot Topic of the Month: Attendance

Please have your student(s) at school each day. If a student misses 18 days, we take a major hit when it comes to our school report card. This includes both excused and unexcused absences.

Students have three days to turn in an excuse for being out of school. The student must get with the teachers to discuss time to complete make up work from an excused absence.

Students can be considered for retention if they have missed 15 days or more day of school.

I need all students present for school every day. Teachers are going over ACAP materials to get the students prepared for our big test in April.

The ACAP Is Coming Soon!

- ACAP is the Alabama Comprehensive Assessment Program. This is a state assessment that is given in the Spring to exam academic proficiency and growth in the areas of (reading (all grades), math (all grades), and science (grade 6th and 8th).
- HMS wants a 100% participation rate on our 2025 ACAP.
- It a joint effort when it comes to the ACAP. We need to encourage our students to do their best on this test. Many times, students will not take this important test seriously. The ACAP is a major part of the puzzles when it comes to our school report card. Please encourage your students to try their best on the test.
- Teachers are reviewing and introducing skills each day prior to our testing in April. We need OUR students present each day.
