Midland Public Schools Charging Policy

An **Elementary Student** (Grade k-5) may charge three (3) meals in succession and (5) alternate meals. An alternate meal consists of a cheese or peanut butter sandwich, fruit and/or vegetable & milk. Prior to meal service the students teacher will be given a note to let the student know they will be receiving an alternate lunch that day and to allow them to attempt to contact their parent one (1) more time. This will eliminate any surprises on the child's part and provide the parent with (1) more opportunity to pay the students charge balance. An elementary child will be sent to the front office for assistance after the eighth (8) charge.

Middle School Student (Grade 6-8) may charge only two (2) meals. There will be no charges allowed for **High School Students** or for adults. Disabled and handicapped students at all grade levels will continue to receive their school meals with no interruption while their parents are being contacted for payment.

A student's parent, teacher, and Principal will be notified of the delinquency in the student's account each time it is necessary for the student to charge a meal to give parents time to send a check or cash to school with their child to give to school office. Parents may also pay for meals via the internet through the Districts Nutrition Services website. Questions please contact food service department 989-923- 5062
